

My Pregnancy Journal With Sophie La Girafe Sophie The Giraffe

This beautiful pregnancy journal is geared towards two mommies. The wording of the guided prompts and questions include both mommies in this wonderful experience. It is the perfect gift for the new mommies-to-be, or even for experienced moms who want a way to record their memories of each pregnancy as a keepsake for each of their children when they are older. This is the perfect keepsake gift to capture the memories of your pregnancy forever, so that you can all revisit it in years to come. This pregnancy memory journal contains prompts and questions to help you record everything about your pregnancy. The size 8.5" X 11" pages provide you with plenty of room to write your answers to the guided prompts. The cover is beautiful with a cute gender-neutral interior. Examples of the types of pages you will find inside this beautiful journal include: Pregnancy Journal Pages to record when you first found out you were pregnant plus space to record Weeks 4 - 41 (just in case you're overdue!) of the pregnancy 3 journal pages to summarize each of your trimesters Space for both mommies to write "My First Love Letter to My Baby" Space for listing your Baby Name Ideas "Growing a Healthy Baby Meal Planner" Foods/Drinks to Avoid & Ones to Add to Your Shopping List BONUS: Exercise During Pregnancy - Questions that Need Answering Newborn Baby Shopping List Maternity Hospital Bag Checklist for pregnant mommy and her mommy partner Record of Our Prenatal Appointments Our Baby Shower My Sonogram Photos Fetal Movements Tracking Charts Our Birth Plan Nursery Room Ideas Our Family Tree (includes both mommies) Important Pre-Birth Questions & Considerations The Birth This journal makes a great gift or memory keepsake that the new mommies-to-be will treasure for years. Make the decision to record the memories of your pregnancy, and you will always be grateful that you did. This is something you can also share with your child in years to come.

A woman with a shocking past... Branded a money-hungry con artist for marrying the elderly Duke of Tremaine days before his death, Viola Cartwright has found refuge in her work at St. Agatha's Hospital. No one must know the painful reason behind her marriage. She steers clear of attachments—until Henry Lowell, heir to the Viscount Armswell, lands on her operating table after a duel. Charming and wickedly handsome, Lowell is one of London's most inveterate scoundrels. Yet he may not be all that he appears. And the man who can promise a future filled with love... Posing as an unrepentant rake has helped Lowell avoid women pursuing him only for his title. But now that duty has finally called on him to marry, he finds himself entranced by the mysterious, independent-minded Viola. Then her late husband's son returns from overseas, contesting Viola's inheritance. Lowell longs to help her and sets out to convince Viola that a strategic union may be the best way to save all she holds dear. But can he also persuade her to take a chance on love...?

Your pregnancy is a blessing. Record weekly milestones, find inspiration through scripture and prayer, and reflect on your growing miracle in this keepsake guided journal. No pregnancy care package is complete without a journal to record your pregnancy story. Track each week's developmental milestone, reflect on your faith and journey, and help baby grow in God's love. From the time you discover you're pregnant to the first few weeks of your newborn's life, this trimester-by-trimester pregnancy journal guides experienced and first-time moms who want to chronicle each precious moment. Simply start wherever you are in your pregnancy and continue through

the first month after baby's arrival. The Christian Mom's Pregnancy Journal features: - Weekly devotions: 40 inspirational scriptures, prayers, and Bible studies to guide mom and nurture baby through each milestone - Guidance for expecting moms Weekly updates on baby's development, mom's changing nutrition and wellness needs, and important doctor's appointments - Help preparing for baby: Christian baby name ideas, lullabies, books, and tips for creating a spiritual birth plan - Beautiful design: Makes a great gift, with room to paste sonograms and bump photos, write letters to baby, and reflect on important pregnancy moments
Most baby books begin when a baby is born, but this one begins when the world was born, running from creation to Mom and Dad to baby. With helpful charts and plenty of space for photos and cherished memories, the acid-free pages are safe and beautifully designed with full-color artwork throughout.

Nikki McClure's beautifully detailed illustrations divide this lovely baby journal into sections celebrating the first 1,000 days of life, from the story of birth to jumping into her first mud puddle. Modeled after the journal the author started when her son was born, the sections focus on recording a child's interaction with the natural world, including baby's first tree, moon, and garden.

Sophie's Magic Underwear

Baby Record

The surrogacy industry is worth an estimated 1 billion dollars a year, and many of its surrogates work in terrible conditions, while many gestate babies for no pay at all. Should it be illegal to pay someone to gestate a baby for you? Full Surrogacy Now brings a fresh and unique perspective to the debate. Rather than making surrogacy illegal or allowing it to continue as is, Sophie Lewis argues we should be looking to radically transform it. Surrogates should be put front and center, and their rights to the babies they gestate should be expanded to acknowledge that they are more than mere vessels. In doing so we can break down our assumptions that children necessarily belong to those whose genetics they share. This might sound like a radical proposal but expanding our idea of who children belong to would be a good thing. Taking collective responsibility for children, rather than only caring for the ones we share DNA with, would radically transform notions of kinship. Adopting this expanded concept of surrogacy helps us to see that it always, as the saying goes, takes a village to raise a child.

Divided into five convenient sections, a pregnancy organizer helps the busy mother-to-be prepare for baby's arrival from the beginning through labor and delivery, with diet checklists forms to track medical expenses, family medical history pages, and shopping lists. Original.

I created this pregnancy journal so expecting mamas could have a place to document every stage of their pregnancy. When I was pregnant with my first, Payson, I was so excited to start a pregnancy journal for her. When I got it I was disappointed in the questions & the overwhelming space to have to fill in. I wanted to create a simple, beautiful book that I'd want to display in my home & keep for my little ones so that they could look back on it forever. This book is all the thoughts and feelings I've had throughout my second pregnancy and it's everything I wish I had with my first. I hope you love it, find inspiration in it, & celebrate your pregnancy long after you have your sweet baby.-Mackenzie Lunt

At the age of twelve, Sophie Caco is sent from her impoverished village of Croix-des-Rosets to New York, to be reunited with a mother she barely remembers. There she discovers secrets that no child should ever know, and a legacy of shame that can be healed only when she returns to Haiti--to the women who first reared her. What ensues is a passionate journey through a landscape charged with the supernatural and scarred by political violence, in a novel that bears witness to the traditions, suffering, and wisdom of an entire people.

One day, Sophie's mum tells her some big, important news: there's going to be a new baby in the family! Sophie is very excited but then, one winter's night, the baby is born and everything changes... Young children and adults alike will enjoy sharing and talking about this much-loved classic picture book, with its perceptive, heart-warming and witty observations on the arrival of a new baby. From the husband and wife team behind *Babies, Babies, Babies*, featured in the Sunday Times as one of their top 100 Children's Modern Classics.

Celebrate the ups and downs of your pregnancy with this interactive journal, which invites you to record in detail this most extraordinary period of your life. With annotated prompts for you to fill in for each week of your pregnancy, storage wallets and sealable envelopes for keeping precious momentos, and photo spaces for you to capture the changing shape of your body, this journal will be a life-long keepsake of all your special memories. Each chapter offers guidance on what to expect, notes on your baby's development during each trimester, and reminders on what you need to be planning, thinking about and preparing for. Whether you are a first-time mother or want to commemorate a new addition to the family, Alison Mackonochie (author of the award-winning *Emma's Diary*) ensures that you will be comfortable every step of the way.

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Sophie's Baby Record Book

A True Story

A beautiful journal to support new moms during the first year of their baby's life Bringing a new life into the world cracks your heart wide open. The feelings of bliss and unconditional love are real. And so are the feelings of fear, exhaustion, and overwhelm. Through journaling and reflection, The Healthy Motherhood Journal empowers moms to find their voices so they can truly thrive during their first year with a new baby. Written by the mother and daughters of the renowned Sears family, known for their work with attachment parenting, this journal focuses on the mother's needs for healthy connection, with herself as well as her child. And, with new moms already being over-stretched, it's structured in a way that is sensitive to their limited hands-free time. Each month focuses on a different theme—including your birth story, embracing your new identity across all the roles you hold, "the guilt and the glory," and more—while a wide range of prompts helps moms document their insights, reflections, and wisdom. Throughout the journal, the Seares have included tried-and-true tips for parenting and self-care, designed to support moms through every phase of their baby's first year. When even the simple act of taking a shower feels like momentous freedom, this journal provides a safe place for mothers to explore, process, and document the challenges and joys of this unique time of life while creating long-term visions for the possibilities ahead.

It started off as a battle of wits. Me: the ordinary girl with a big mouth against Him: the sexy bastard with a big...ego. I thought I'd hit the jackpot when I was upgraded to first class on my flight to London. That is until HE sat next to me. Gabriel Scott: handsome as sin, cold as ice. Nothing and no one gets to him. Ever. He's a legend in his own right, the manager of the biggest rock band in the world, and an arrogant ass who looks down his nose at me. I thought I'd give him hell for one, long flight. I didn't expect to like him. I didn't expect to want him. But the biggest surprise? He wants me too. Only in a way I didn't see coming. If I accept his proposal, I leave myself open to falling for the one man I can't manage. But I'm tempted to say yes. Because the real man beneath those perfect suits and that cool façade just might be the best thing that's ever happened to me. And I just might be the only one who can melt the ice around his heart. Let the battle begin... This sweet-as-can-be baby book offers dozens of creative ways to capture the milestones and special memories from pregnancy through baby's first year: an envelope for ultrasound scans, a spin-wheel to display baby's astrological sign, a gatefold family tree, space for photos, mini envelopes to stash written notes, illustrated pop-ups, a pull-out growth chart to display in baby's room, and more. Packaged in a compact album with a fabric spine and foil-stamped cover, with whimsical color illustrations and thoughtful prompts throughout, this book is the ultimate keepsake for new parents.

Diamonds in the Rough

"An extraordinary story... she writes with warmth, lovely earthy detail and a pathos which keeps a lump lodged in the throat."—The Daily Mail Philippa Smith is in her forties and has a beautiful newborn baby girl. She also has no husband, and nowhere to turn. So she turns to the only place she knows: the beginning. Retracing her life, she confronts the daily obstacles, historic events, and even TV shows that shaped her very existence. From the tragedy of her childhood abandonment, to the astonishing accomplishments of those close to her, Philippa learns of the sacrifices others chose to make, and the outcome of buried secrets. What Philippa eventually discovers is a celebration of life, love, and the golden era of television—a reflection of everyday people, in not so everyday situations. "A powerful first novel."—Katie Fforde, author of A Rose Petal Summer "Bold, warm, rich, amusing...sits well alongside more established authors like Kate Atkinson's Behind the Scenes at the Museum."—Hello Magazine "A warm, moving, wonderful read."—Wendy Holden, author of The Royal Governess

Record precious memories of baby's first year in Sophie la girafe: Sophie's Baby Record Book. This gorgeous, ribbon-tied Sophie the Giraffe keepsake book is perfect for new parents. Your pregnancy story is a special one. Document your most precious moments from this season of life in this elegant keepsake journal and memory book. Growing You is a place to celebrate and chronicle your pregnancy journey, reflecting on the growth, anticipation, and memories that you want to hold onto as a mother. This heirloom-quality book, created by the author of the popular baby book As You Grow, is designed with a timeless look and archival paper so that you can one day pass it along to your child. Growing You includes: • Space to journal your feelings and experiences about pregnancy and your birth story • A section to document your prenatal appointments and growth • Writing prompts to record precious milestones such as baby showers and prepping your nursery • Pages to document your baby's birth day • Pocket folder for sonogram photos, letters from loved ones, and other mementos • ***And more! Special Features:*** • Chic, gender-neutral design • Elegant linen cover • Acid-free and archival paper • Generous trim size offers ample space for photos • Lay-flat design created by a beautiful gold spiral binding allows you to easily write in the book

Sophie la girafe is back with an adorable journal and handprint kit, complete with nontoxic clay and a keepsake tin A newborn's first few months of life are filled with wonder, both for baby and for the lucky parents. Of course, new parents want to remember everything—from those tiny hands and feet and that first smile to baby's first steps. In Baby's Handprint Kit and Journal with Sophie la girafe, parents will find two unique mementos to keep for a lifetime. The clay handprint kit is easy to use and safe for baby. No baking or mixing is required. Just unwrap the dough, use the 6½-inch tin to shape it into a circle, make an impression of baby's hands or feet (or both), and let it air-dry. The finished keepsake can be displayed or kept in its one-of-a-kind Sophie tin for years to come. The 96-page, full-color journal, Baby's Little Book of Firsts with Sophie la girafe, is filled with fun prompts for documenting baby's exciting "firsts" with Sophie and friends. Together, the kit and journal offer amazing value and make a thoughtful gift!

You're having a baby--Congratulations! Get ready for a future filled with joy, laughter, sleep deprivation and unsolicited advice from strangers. Record every hope, worry, ridiculous comment and indispensable piece of wisdom here, from the earliest months of pregnancy right up until your baby's first birthday. You'll have laughs, tears, sleepless nights, and 101 weeks of love to look back on.

This "funny, dark, and true" (Caitlin Moran) memoir is Bridget Jones's Diary for the Fleabag generation: What happens when you have an unplanned baby on your own in your mid-thirties before you've worked out how to look after yourself, let alone a child? This is the story of one woman's adventures in single motherhood. It's about what happens when Mr. Right isn't around so you have a baby with Mr. Wrong, a touring musician who tells you halfway through your pregnancy that he's met someone else, just after you've given up your LA life and moved back to England to attempt some kind of modern family life with him. So now you're six months along, sleeping on a friend's sofa in London, and waking up in the morning to a room full of taxidermied animals who seem to be staring at you. The Hungover Games about what it's like raising a baby on your own when you're more at home on the dance floor than in the kitchen. It's about how to invent the concept of the two-person family when you grew up in a traditional nuclear unit of four, and your kid's friends all have happily married parents too, and you are definitely not, in any way, ticking off the days until all those lovely couples get divorced. Unflinchingly honest, emotionally raw, and surprisingly sweet, The Hungover Games is the true story of what happens if you've been looking for love your whole life and finally find it where you least expect it.

Bump to Birthday - a beautifully designed, colour illustrated, combined pregnancy and first year baby journal - will inspire any parent-to-be to capture the unique story of the journey of pregnancy and baby's precious first year.

This beautifully illustrated volume is focused on today's nontraditional families. Fill-in sections of the book go from birth through age 5. Full color. Consumable.

'If The Girl on the Train was the woman of 2015, then Sophie Stark is this year's model. Anna North's novel, The Life and Death of Sophie Stark, has

been a hit in America, with Lena Dunham describing its protagonist as a "totally unforgettable female antihero". Out now - soon every girl on every train will be reading it' Sunday Times Who is the real Sophie Stark? The Life and Death of Sophie Stark is the story of an enigmatic film director, told by the six people who loved her most. Brilliant, infuriating, all-seeing and unknowable, Sophie Stark makes films said to be 'more like life than life itself'. But her genius comes at a terrible cost: to her husband, to the brother she left behind, and to an actress who knows too much. With shades of We Are All Completely Beside Ourselves, A Visit from the Goon Squad and Where'd You Go, Bernadette, it combines a uniquely appealing sensibility with a compulsively page-turning plot. 'Thriller-paced, with mysteries revealed at every turn. The great mystery at the centre is Sophie Stark, a totally unforgettable female anti-hero who conforms to absolutely none of our expectations and suffers deeply for it' Lena Dunham 'North is a natural, butter-smooth storyteller' Maggie Shipstead, author of SEATING ARRANGEMENTS 'I read THE LIFE AND DEATH OF SOPHIE STARK with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a thunderously good story' Emma Donoghue, author of ROME 'Jennifer Egan, eat your heart out' Sam Baker 'A captivating portrait of the artist as a young woman. It's a story that examines the notion of artistic legacy and meditates on the ethics involved in film-making and storytelling' THE INDEPENDENT 'Gripping and graceful' THE GUARDIAN 'The year's must read' GLAMOUR
