

Mystic And The Midnight Ride Pony Club Secrets Book 1

After a tragic accident takes her beloved horse Mystic from her, Issie is asked to care for a high spirited pony rescued by her instructor, who tests her horsemanship skills, and Issie wonders if Mystic will somehow return to help her.

Seventeen-year-old Jane had found the horse of her dreams-or so she thought. Windsong had the breeding, training, and the flashy good looks to win medals at national competitions, but conservative, shy Jane wasn't sure she was up to the challenge of riding the temperamental beast. He may have been an imported Swedish Warmblood, and he may have had Grand Prix dressage training, but he was wild. When her spirited, new horse races out of control, help comes unexpectedly-and unwelcomed-from a loathsome cowboy, a horribly mean-spirited, condescendingly brusque gorgeous black-haired, azure-eyed reining champion, who is positive Jane is most definitely not up to the challenge. As these two from opposite ends of the horse world are forced to work together, tempers blaze and horseshoes fly, but something else begins to spark. Can Jane overcome her fear and preconceptions to win her goal of competing in the National Junior Rider Championships...and not lose her heart at the same time? This story about a teen dressage competitor is the first of a series of three books following her developing career in national competition. This book is not just for horse-crazy teens though, it will captivate women and young adults who love outdoor sports and romance. If you have experience with horses or other outdoor sports, you already know that horse showing or sport competition is an adventure; and, let me tell you, horse showing in national competition is equestrian adventure at its most exhilarating. Are you up to the challenge?

Summer special 2-in-1 edition of the first two books in the Pony Club Secrets series.

Do you feel like you struggle to make time for everything? We are living in a time-poor society, working more than ever and with less time for ourselves and family. The pressures and stress of the obligations we feel we have, often leave us without time to do everything that we would like to. More critically, we lack the time to reflect, review our lives and consider our direction. Time to contemplate if the decisions we are making are going to lead us to a life of purpose or an old age filled with regret. Time for Anything is based on 5 years of research by Craig D Robinson. Using the techniques in this book, Craig went from working in an entry level position to, in just four years: start 2 companies, recharge with 12 weeks holiday a year, start a family, grow and sell his startups and retire at the age of 34. This book shows you how you too can have time for it all.

Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The novel documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

The inspiring novel about real life princess and equestrienne Haya of Jordan. Princess Haya loves her family more than anything--especially her mother who brings light and happiness into King Hussein's house. So when Queen Alia is killed in a tragic accident, Princess Haya is devastated. Knowing how unhappy she is and how much she loves horses, Haya's father, King Hussein, gives her a special present: a foal of her very own. And this foal changes Princess Haya's world completely. Set in an exotic locale where royalty is real, this story of a determined modern-day princess is both beautiful and awe-inspiring. Perfect for fans of Black Beauty, Misty of Chincoteague and anyone who wonders what it's like to be a real princess. Praise for THE PRINCESS AND THE FOAL: "Empowering and vigorous, this is a story sure to please princess fans, horse fans and, yes, even tomboys."--Kirkus Reviews "This real princess's story is great and this book provides a positive and powerful story, especially for adolescent girl readers who choose to saddle up for the ride."--VOYA Magazine "Horse enthusiasts will devour Gregg's engaging novel about Jordanian Princess Haya Bint Al Hussein, inspired by the real-life princess who became an Olympic equestrian....Gregg's greatest strength is in detailing the deep, sensual bond that can form between a human and a horse, but the sympathetic protagonist and a setting rarely seen in middle-grade fiction make this an inspiring read for any reader."--Publishers Weekly "In addition to being a great fit for fans of princess or horse stories, this would be a good choice for readers who enjoy stories of brave, scrappy girls who defy convention."--Booklist

There's a sacred and hidden path inside each one of us, a path of mysteries and amazing manifestations, where nothing is impossible, not even our wildest spiritual creations. This is the realm of impossibilities, where imagination is carried away by a spiritual insight, which is here referred as the phoenix. The allegory inside this book takes us to a subconscious realm, that can lead us to the most uplifting and unknown side of ourselves, but also to other realities as well, namely, the ones that are parallel to ours, and also other dimensions and galaxies. It is with this allegory of the phoenix that we understand the role of the dragons and serpents of our planet, and how they interfere in the Tao of our existence. As a dance of forces, vibrations of different natures, these symbols and concepts take us to the deepest truth within, of who we are and how far can we go. This is a book about the adventures of our soul, the journey within that so many Shamans live to explore. It's also about a path that all spiritualists and gurus have experienced, a path that some have called nirvana, enlightenment or awaking, but few have ever had the ability to fully describe in a way that can be perceived by the common mortal. The Native Americans have often told us about the spirit of the eagle that keeps guard over the spiritual world. This eagle, or big bird, is representative of another living force, which is the phoenix, the bird of fire. This is why many mystics of ancient times believed that only fire could take souls to another world. The fire purifies the body, but the most potent fire comes from within, as an energy that we burn with our conscious awareness. This is the fire that Buddhists, Taoists and Hindus persist in awakening from within, commonly using disciplines created specifically for this purpose, such as yoga, chikung and meditation. This fire represents the power of our own spirituality, which most people are unaware to possess. As mortals and genetically manipulated slaves of a few alien species, we've lost the physical capability to ignite it. But the phoenix can help us reach it, through the spiritual nature that is within each one of us. The one who can ride the phoenix, can travel very far, to amazing lands. And these are the ones that often come back, when they choose to, as our prophets and religious leaders. This book describes their journey to Valhalla, Heaven, Paradise, or more simply, the Laboratory of God.

We Are the Mccann Family

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

A SYNTHESIS OF MODERN LIFE: A VISIONARY OVERVIEW OF THE EFFORT AND MISSION OF HUMANITY by Shamcher Bryn Beorse (Brynjolf Bjorset) The book Man and this Mysterious Universe was originally described as a synthesis of the many aspects of modern civilization, bringing within its scope the contribution of the East as well as of the West, showing how it has grown from the civilization of the past and how it will probably develop into the civilization of the future. Or as the author put it more simply: a survey of Western and Eastern Sciences. Ranging through various disciplines from Everyday Life, Art, Education, World Events and Mysticism, Beorse describes the evolution of humanity and the responsibilities of each of us in this process. Seen all together, they convey an image of the totality of the human endeavour: occurring both outside of time and in time, on schedule, as a great play. "This comprehensive and refreshing picture is sorely needed at this time of narrow outlook and overspecialization," wrote the distinguished psychologist, educator and author, Dr. Philip B. Ballard. Inspired to write by the great sage, Inayat Khan, Beorse combined three former works into one for Man and This Mysterious Universe. Written during WWII, then added to with new information, the book was first published in 1949. His previous work, Distribute or Destroy, had been in the field of economics. Beorse further widened his scope in this publication, whose title refers to the popular physics book by James Jeans, This Mysterious Universe. Here Beorse inserts humanity into this assessment of a universe of vibrations and events, creating Man and This Mysterious Universe. "There is no great difference between rock, a tree, a man or a loving thought carving its way through the universe like a ray of the sun."

"With the elegance of simplicity, this book takes you on an exploration of consciousness, that will shift you to a higher reality." —Deepak Chopra Constructed around a series of late night conversations around a camp fire between Cheryl Simone and Sadhguru Vasudev on an Island in the middle of a Western North Carolina lake near her mountain home, Midnights with the Mystic is the most thorough exposition of the teachings of India's most sought after mystic. Sadhguru challenges us to embrace the possibility that to each of us is available a higher realm of reality, a peak of consciousness; an entrée into the realm of freedom and bliss. Simone, an Atlanta real estate developer, was the typical baby boomer in search of an authentic spiritual experience. Professionally successful, yet spiritually arid, she discovered a way into what she was looking for in the teachings of Sadhguru. Concrete and down-to-earth, Midnights with the Mystic both provides readers with an introduction to profound spiritual teaching and a personal glimpse of a charismatic guru.

Miracles and Memories

Hidden Mountain, Secret Garden

The Princess and the Foal

Remembering Joy

"Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." THOMAS G. WEINANDY, O.F.M., CAP. Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! Do not be afraid to be loved, read this book. DEACON JAMES KEATING, PH.D, Institute for Priestly Formation, Omaha, NE
