Hansard's Parliamentary Debates

Examination Decrees and Regulations

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Parliamentary Debates

The American and English Annotated Cases

Originally published in 1972. 1900-1970 saw extensive changes in the teaching of English in schools. The volume studies English instruction as it developed at junior and secondary level over this period. Using textbooks, method books, Board and Ministry Reports and other contemporary opinion, the book examines the basic questions arising from this historical survey. Whilst the main emphasis is on changes in actual classroom methods, the volume also examines the wider social pressures which have modified the school system in the UK as well as English as a subject in that system.
