

National Geographic Kids Almanac National Geographic Kids Almanac Quality

The essential annual for the 21st century, this high-energy almanac is packed with facts, photos, infographics, time lines, and maps--the perfect stocking stuffer and book to browse all year long. A guide to the world like no other, this vivid and comprehensive book offers the best of National Geographic and more: science, nature, history, world cultures, geography, and the environment, illustrated with amazing photography, fascinating infographics, and maps created by expert cartographers. Highlights this year include the James Webb telescope, launching in 2021; a brand-new wildflower guide; a guided tour of the moons of our solar system; a beautiful infographic on jellyfish; and a feature on lithium, central to the work of recent Nobel prize-winning chemistry. Divided into lively chapters including Exploration & Adventure, Life on Earth, and The Science of Us, this year's almanac features top photos from National Geographic's celebrated Instagram account and geniuses past and present including Jane Goodall, Amelia Earhart, and acclaimed conservationist Kris Tompkins, dedicated to preserving much of Patagonia. With new discoveries on every page, this cutting-edge book--called a

"category buster" by Booklist--brings you, as Publishers Weekly puts it, "all the things that National Geographic does best."

Happy New Almanac Year! It's time to celebrate the 230th edition of The Old Farmer's Almanac! Long recognized as North America's most-beloved and best-selling annual, this handy yellow book fulfills every need and expectation as a calendar of the heavens, a time capsule of the year, an essential reference that reads like a magazine. Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac is consulted daily throughout the year by users from all walks of life. The 2022 edition contains the fun facts, predictions, and feature items that have made it a cultural icon: traditionally 80 percent-accurate weather forecasts; notable astronomical events and time-honored astrological dates; horticultural, culinary, fashion, and other trends; historical hallmarks; best fishing days; time- and money-saving garden advice; recipes for delicious dishes; facts on folklore, farmers, home remedies, and husbandry; amusements and contests; plus too much more to mention--all in the inimitable Almanac style that has charmed and educated readers since 1792. A reference guide includes records and achievements made by humans, animals, and nature.

Current, authoritative, and produced by the expert cartographers at National Geographic,

this best-selling United States atlas is newly updated with all the latest information to be welcome in libraries, classrooms, and homes. Kids will have fun learning about each and every U.S. state in this amazing 6th edition atlas, packed with maps, stats, facts, and pictures. National Geographic's world-renowned cartographers have paired up with education experts to create maps of all 50 states, U.S. territories, and Washington, D.C., that pinpoint the physical features, capitals, and other towns and cities.

Discover the latest data along with colorful photography of each state and the people who live there. Key points reflect the latest information about land and water, people, and places. Lively essays cover each region of the country. Eight specially themed maps on nature, population, economy, energy, climate, and more delve deeper into key issues. State birds and state flags add to the high visual interest. This is a great reference for home and school with all the basics kids need to know to succeed in middle school, high school, and beyond.
