Passing the HESI Admission Assessment Exam is the first step on the journey to becoming a successful healthcare professional. Be prepared to pass the exam with the most up-to-date HESI Admission Assessment Exam Review, 5th Edition! From the testing experts at HESI, this user-friendly guide walks you through the topics and question types found on admission exams, including: math, reading comprehension, vocabulary, grammar, biology, chemistry, anatomy and physiology, and physics. The guide includes hundreds of sample questions as well as step-by-step explanations, illustrations, and comprehensive practice exams to help you review various subject areas and improve test-taking skills. Plus, the pre-test and post-test help identify your specific weak areas so study time can be focused where it's needed most. HESI Hints boxes offer valuable test-taking tips, as well as rationales, suggestions, examples, and reminders for specific topics. Step-by-step explanations and sample

problems in the math section show you how to work through each and know how to answer. Sample questions in all sections prepare you for the questions you will find on the A2 Exam. A 25-question pre-test at the beginning of the text helps assess your areas of strength and weakness before using the text. A 50-question comprehensive post-test at the back of the text includes rationales for correct and incorrect answers. Easy-to-read format with consistent section features (introduction, key terms, chapter outline, and a bulleted summary) help you organize your review time and understand the information. NEW! Updated, thoroughly reviewed content helps you prepare to pass the HESI Admission Assessment Exam. NEW! Comprehensive practice exams with over 200 questions on the Evolve companion site help you become familiar with the types of test questions. NCLEX-RN Practice Questions are the simplest way to prepare for the NCLEX-RN test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NCLEX-RN Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice.

Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve

your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our NCLEX-RN Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

If you want to pass the NCLEX-RN Test, but don't have a lot of time for studying keep reading..... You are no doubt a busy student with a lot of things going on! It can be challenging to find the time to read your textbook in preparation for the NCLEX Exam. However, the truth is that the NCLEX exam is a challenging test, and you are given a maximum of 6 hours to complete the test. Thorough preparation cannot be overlooked therefore. That is why the author Kim Nguyen, a nursing professional, developed the

NCLEX Study Guide! This Edition is a complete review edition. It reviews all essential concepts found on the exam, from all categories of the test. Prepare for the NCLEX with this fun, full-color review! Illustrated Study Guide for the NCLEX-RN® Exam, 9th Edition uses colorful drawings and mnemonic cartoons to cover the nursing concepts and content found on the NCLEX-RN examination. A concise outline format makes studying easier, and the Evolve companion website includes 2,500 NCLEX exam-style review questions (including

alternate item formats) - allowing you to create practice exams, identify your strengths and weaknesses, and review answers and rationales. Written by NCLEX expert JoAnn Zerwekh, this study guide offers a clear, visual way to remember key facts for the NCLEX exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, maternity, and older adult lifespan considerations in each body system chapter. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to customize your review based on your personal study needs. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help you to focus on these areas of emphasis on the NCLEX examination.

Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. UPDATED content reflects the most recent NCLEX-RN test plan and incorporates important clinical updates. NEW! 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. NEW! Addition of SI Units and removal of trade-name drugs reflects changes in the NCLEX-RN test plan. NEW! Additional alternate item questions are included on Evolve, and new questions incorporating video are also added. NEW! Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. NEW! Additional memory notecard-type illustrations are included in the book to accommodate visual learners.

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-

related questions.
