Face2face Pre-intermediate is an easy-to-teach General English course that helps adults and young adults to speak and listen with confidence. The DVD-ROM in the Student's Book includes consolidation activities and electronic portfolio for learners to track their progress with customisable tests and grammar and vocabulary reference sections.

The Real Crime: Hans Holbein, King Henry VIII's portrait painter, died in the autumn of 1543. A century later a chronicler reported that the artist had succumbed to plague, yet there is no

contemporary evidence to support this.

Suspicious have been raised over the centuries, but the mystery of what actually happened remains unsolved to this day. Our Story: Young London goldsmith Thomas Treviot is awaiting a design for a very important jewelry commission from Hans Holbein. When the design fails to turn up, Thomas sends a servant to track Holbein down, only to discover that the painter has disappeared. In his hunt for Holbein and the lost design, Thomas is led into a morass of dangerous political intrigue, Spanish spies and courtiers that is more treacherous than he could ever have anticipated . . .

This Grammar shows, step by step, how the language is constructed. It presents a lively and accessible description of the language using plenty of relevant examples. This is the ideal first grammar for the Dutch learner.

University Physics with Modern Physics, Technology Update, Thirteenth Edition continues to set the benchmark for clarity and rigor combined with effective teaching and research-based innovation. The Thirteenth Edition Technology Update contains QR codes throughout the textbook, enabling you to use your smartphone or tablet to instantly watch interactive videos about relevant demonstrations or problem-solving strategies. University Physics is known for its uniquely broad, deep, and thoughtful set of worked examples-key tools for developing both physical understanding and problem-solving skills. The Thirteenth Edition revises all the Examples and

Problem-solving Strategies to be more concise and direct while maintaining the Twelfth Edition's consistent, structured approach and strong focus on modeling as well as math. To help you tackle challenging as well as routine problems, the Thirteenth Edition adds Bridging Problems to each chapter, which pose a difficult, multiconcept problem and provide a skeleton solution guide in the form of questions and hints. The text's rich problem sets-developed and refined over six decades-are upgraded to include larger numbers of problems that are biomedically oriented or require calculus. The problem-set revision is driven by detailed student-performance data gathered nationally

through MasteringPhysics®, making it possible to fine-tune the reliability, effectiveness, and difficulty of individual problems. Complementing the clear and accessible text, the figures use a simple graphic style that focuses on the physics. They also incorporate explanatory annotations--a technique demonstrated to enhance learning. PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. Your first 1,000 German words - five words a day. Over the course of a year, German for Everyone Junior: Five Words a Day teaches new vocabulary to children who are starting to learn German. Presenting 20 new words between Monday and Thursday, the final day of each week's teaching allows children to practice the vocabulary they have just learned. A mix of nouns and verbs are taught through beautifully

illustrated scenes, with each new word clearly labeled. Five Words a Day first encourages children to copy out the words before covering them with the flaps on the jacket and testing their new knowledge. Accompanying audio means that children are also able to practice their German pronunciation as many times as they want. With over 1,000 German words, Five Words a Day is a colorful, clear, and comprehensive workbook that will lay the foundations for your child's journey in learning and understanding German, at school or at home.
