based, motivational dog training from the best in the field. Each article is written by an expert and covers an important aspect of working with dogs and people! Also covers the business aspects of working with dogs.

Myra Savant Harris, through her books, seminars, and active participation in online forums and lists, is a one woman support system for hundreds of breeders everywhere. Building upon the success of her previously published *Puppy Intensive Care* and *Canine Reproduction and Whelping*, Myra's latest book-based on her popular seminar of the same name-explores a number of additional issues and questions in her own unique style. Readers will gain new insights and learn valuable techniques based on Myra's many years of breeding and whelping puppies and more than 20 years of labor and delivery and neonatal nursing. Learn more
