"I believe in rules. Sure I do. If there weren't any rules, how could you break them?" The history of baseball is rife with colorful characters. But for sheer cantankerousness, fighting moxie, and will to win, very few have come close to Leo "the Lip" Durocher. Following a five-decade career as a player and manager for baseball's most storied franchises, Durocher teamed up with veteran sportswriter Ed Linn to tell the story of his life in the game. The resulting book, Nice Guys Finish Last, is baseball at its best, brimming with personality and full of all the fights and feuds, triumphs and tricks that

made Durocher such a success—and an outsized celebrity. Durocher began his career inauspiciously, riding the bench for the powerhouse 1928 Yankees and hitting so poorly that Babe Ruth nicknamed him “the All-American Out.” But soon Durocher hit his stride: traded to St. Louis, he found his headlong play and never-say-die attitude a perfect fit with the rambunctious “Gashouse Gang” Cardinals. In 1939, he was named player-manager of the Brooklyn Dodgers—and almost instantly transformed the underachieving Bums into perennial contenders. He went on to manage the New York Giants, sharing the glory of one of the most famous moments in baseball history, Bobby Thomson’s “shot heard ’round the world,” which won the Giants the 1951 pennant. Durocher would later learn how it felt to be on the other side of such an unforgettable moment, as his 1969 Cubs, after holding first place for 105 days, blew a seemingly insurmountable 8-1/2-game lead to the Miracle Mets. All the while, Durocher made as much noise off the field as on it. His perpetual feuds with players, owners, and league officials—not to mention his public associations with gamblers, riffraff, and Hollywood stars like George Raft and Lorraine Day—kept his name in the headlines and spread his fame far beyond the confines of the diamond. A no-holds-barred account of a singular figure, Nice Guys Finish Last brings the personalities and play-by-play of baseball’s greatest era to

vivid life, earning a place on every baseball fan's bookshelf.

Christian convictions in the morally complex world of reality TV. After The Bachelorette broke his heart, Sean Lowe suspected his “nice guy” image hurt him. The show never emphasized it, but Sean committed to living according to biblical standards of sexuality, even as producer emphasized the risqué and promiscuous. A Texas boy from a Baptist home, Sean tells the story of how he went from a Division I college football player to a fan favorite on reality television, taking readers behind the scenes of The Bachelor and The Bachelorette to see the challenges of living out his values and faith—and ultimately winning his true love’s heart. For the Right Reasons is about the journeys we all have to take in the real world, where being “good” is the right thing to do but sometimes doesn’t seem to be enough; where betrayal is commonplace; and where that thing called perfection is actually just a cruel myth. Sean learned a few things from his two seasons on the hottest romance shows on television, and wants others to benefit from those lessons: good does eventually win, lies will be discovered and “nice guys” do ultimately finish first.

Legendary football coach and Super Bowl champion with the Denver Broncos, Wade Phillips, recalls his life in football and memories of his father, NFL head coach Bum Phillips, in a book perfect for a Father's Day gift. "Having played for and against Wade Phillips, the first word that comes to my mind is respect. SON OF BUM is a great read about the Xs and Os from one of the greatest coaches in the league, as well as a loving tribute to the influence of family."—Peyton Manning

In his memoir Son of Bum, decorated NFL coach Wade Phillips shows that the roots of his knowledge come from his father, Bum Phillips. A beloved character in NFL history, Bum taught Wade from the beginning that "coaching isn't

bitching,” as well as how to have perspective on the game during tough times. These are lessons that apply both on the field and off, and Wade has passed this wisdom down to his son, Wes Phillips, an NFL coach himself. Known for his homespun, plain-talking ways, Wade is a groundbreaking coach who has long believed in using support and camaraderie—instead of punishment and anger—to inspire his players to be winners on and off the field. And though his defensive concepts are revolutionary, he would say they begin with common sense. Son of Bum is more than one man’s memoir—it’s a story of family and football and a father who inspired his son.

Go for the win! Achieve excellence and be better than you've ever been! In his years as a professional ice-skater, Olympic Gold Medalist Scott Hamilton learned to embrace the mind-set of working hard to "beat" the competition. But it seems competition has gotten a bad rap these days. We've bought into the belief that it is unfair to participants to rank performance. Yet competition is in fact a good thing because it's about working toward excellence. Finish First is a wake-up call for business leaders, entrepreneurs, spouses, parents, and even students to stop settling for mediocre and begin to revitalize their intrinsic will to achieve excellence and go for the win. Most of us feel we were made for something more, but we're often afraid to allow ourselves to be competitive because we think our finishing first might somehow rob others of their chance to shine. This book encourages the hidden potential, the champion within all of us, to come out—which eventually brings our family, marriage, career, business, and the world around us the greatest possible good.

Linda Kaplan Thaler and Robin Koval have moved to the top of the advertising industry by following a simple but powerful philosophy: it pays to be nice. Where so many companies encourage a dog eat dog mentality, the Kaplan Thaler Group has succeeded through chocolate and flowers. In THE POWER OF NICE, through their own experiences and the stories of other people and businesses, they demonstrate why, contrary to conventional wisdom, nice people finish first. Turning the well-known adage of "Nice Guys Finish Last" on its ear, THE POWER OF NICE shows that "nice" companies have lower employee turnover, lower recruitment costs, and higher productivity. Nice people live longer, are healthier, and make more money. In today's

interconnected world, companies and people with a reputation for cooperation and fair play forge the kind of relationships that lead to bigger and better opportunities, both in business and in life. But being nice doesn't mean acting wimpy. In fact, nice may be the toughest four-letter word you'll ever encounter.

Kaplan Thaler and Koval illustrate the surprising power of nice with an array of real-life examples from the business arena as well as from their personal lives. Most important, they present a plan of action covering everything from creating a positive impression to sweetening the pot to turning enemies into allies. Filled with inspiration and suggestions on how to supercharge your career and expand your reach in the workplace, THE POWER OF NICE will transform how you live and work.
