In THE WAY WE GET BY by Christopher Drabick, Drew Nemeç must learn to mend his wounds in the suburbs of Flint, Michigan.

Sydney Sage is an Alchemist, one of a group of humans who dabble in magic and serve to bridge the worlds of humans and vampires. They protect vampire secrets—and human lives. In The Indigo Spell, Sydney was torn between the Alchemist way of life and what her heart and gut were telling her to do. And in one breathtaking moment that Richelle Mead fans will never forget, she made a decision that shocked even her. . . . But the struggle isn't over for Sydney. As she navigates the aftermath of her life-changing decision, she still finds herself pulled in too many directions at once. Her sister Zoe has arrived, and while Sydney longs to grow closer to her, there's still so much she must keep secret. Working with Marcus has changed the way she views the Alchemists, and Sydney must tread a careful path as she harnesses her profound magical ability to undermine the way of life she was raised to defend. Consumed by passion and vengeance, Sydney struggles to keep her secret life under wraps as the threat of exposure—and re-education—looms larger than ever. Pulses will race throughout this smoldering fourth installment in the New York Times bestselling Bloodlines series, where no secret is safe.

Arvin Martin never thought he would be an author, but as he reached out to people, the Lord led him into prison ministry. What he heard and saw convinced him to write this book. It identifies areas often overlooked and ignored while pointing to the truth that Jesus came to deliver from sin and to empower us by the Holy Spirit to live victoriously. This book calls men to an obedient life in Christ, for He said, "If you love me you will keep my sayings."

Uncovering seven lessons from Scripture and the Puritans, John Carpenter applies the principles and practices that are often neglected by the church today but are key in making a church truly biblical. Drawing on his background as a scholar of Puritanism and years of planting and pastoring a church, Carpenter establishes each pillar on the Bible and shows, through Scripture and practical examples, how to work. Beginning with the tale of how an eyewitness account of the 9/11 terrorist attack on the World Trade Center shows us the perils of only seeing part of God's revelation, we see: why we must listen to what God says about himself; why we must understand that the gospel is not a self-help plan; why salvation is so simple that it can be reduced to a bumper sticker ("Jesus saves") but is still so often misunderstood, leading to unconverted people leading churches; and why believers aren't called just to go to church but to be covenanted members of a specific church where they can be corrected by their pastors and where worship is centered on God, not on personalities, putting on a show, or attracting crowds.

NEW YORK TIMES BESTSELLER Includes all-new ma-ma-material! ALL NEW CHAPTER: Baba Booeey's Afghanistan Journal! and . . . the Shvoogie Buzzer story! One of pop culture's great enduring unsung heroes: Gary Dell'Abate, Howard Stern Show producer, miracle worker, professional good sport, and servant to the King of All Media, tells the story of his early years and reveals how his chaotic childhood and early obsessions prepared him for life at the center of the greatest show on earth, Baba Booeey! Baba Booeey! It was a slip of the tongue—that unfortunately was heard by a few million listeners—but in that split second a nickname, a persona, a rallying cry, and a phenomenon was born. Some would say it was the moment Gary Dell'Abate, the long-suffering heroic producer of The Howard Stern Show, for better or worse, finally came into his own. In *They Call Me Baba Booeey*, Dell'Abate explains how his early life was the perfect training ground for the day-to-day chaos that comes with producing the most popular radio show on earth. Growing up on Long Island in the 1970s, the youngest of three boys born to a clinically depressed mother, Gary learned how to fend for himself when under attack. Obsessed with music, he listened with religious intensity to Casey Kasem's Top 40 every Sunday morning, compulsively bought 45s of his favorite songs, and nerdily copied the lyrics into a notebook. Music became an ordering principle to his life, even as the chaos at home got out of hand. Dell'Abate's memoir sketches the trajectory from the obsessive pop-music trivia buff to the man in the beekeeper's mask who handily defeats his opponents playing "Stump the Booeey." We learn about the memorable moments in his life that taught him to endure epic bouts of humiliation and get his unique perspective on some of his favorite Stern show episodes—such as the day he nearly killed the Mets mascot while throwing out the first pitch, or the time his mother called Howard's mother and demanded an apology. Hilarious, painful, and eye-opening, it's Gary as you've never seen him before, telling a story that even Stern show insiders can't begin to imagine.

The New York loft jazz scene of the 1970s was a pivotal period for uncompromising, artist-produced work. Faced with a flagging jazz economy, a group of young avant-garde improvisers chose to eschew the commercial sphere and develop alternative venues in the abandoned factories and warehouses of Lower Manhattan. Loft Jazz provides the first book-length study of this period.

The Beat was the first book to explore the musical, social, and cultural phenomenon of go-go music. In this edition, updated by a substantial chapter on the current scene, authors Kip Lornell and Charles C. Stephenson, Jr., place go-go within black popular music made since the middle 1970s—a period during which hip-hop has predominated. This styling reflects the District's African American heritage. Its super-charged drumming and vocal combinations of hip-hop, funk, and soul evolved and still thrive on the streets of Washington, DC, and in neighboring Prince George's County, making it the most geographically compact form of popular music. Go-go—the only musical form indigenous to Washington, DC—features a highly syncopated, nonstop beat and vocals that are spoken as well as sung. The book chronicles its development and ongoing popularity, focusing on many of its key figures and institutions, including established acts such as Chuck Brown (the Godfather of Go-Go), Experience Unlimited, Rare Essence, and Trouble Funk; well-known DJs, managers, and promoters; and filmmakers who have incorporated it into their work. The Beat provides longtime fans and those who study American musical forms a definitive look at the music and its makers.
