**This book tells of a twenty-year battle with bipolar disorder and how Leon Brumfield has overcome the challenges. God's mercy and grace have blessed Leon to not just cope with the disease but to excel against all odds. Although Leon had to be hospitalized in maximum-security hospitals on numerous occasions, he has flourished spiritually, mentally, and emotionally. Some of Leon's victories in this timespan include obtaining his MBA, having a successful marriage, being the proud father of a beautiful ten-year-old girl, and preaching the gospel for over twenty years. Leon's motto is, If you want something you never had, you must do something you have never done. Leon stresses that all things are possible to those who believe. He demonstrates to bipolar families that bipolar can be conquered by the power of Jesus Christ. Bipolar does not have to be a person's end. Bipolar has been a stepping stone for Leon, and he encourages people that the bipolar mountain can be climbed through persistence, dedication, and an open heart.**

**Revealing a tension between the medical model of depression and the very different language of theology, this book explores how religious people and communities understand severe sadness, their coping mechanisms and their help-seeking behaviours. Drawing from her study of practicing Catholics, contemplative monks and nuns, priests and laypeople studying theology, the author describes how symptoms that might otherwise be described as pathological and meet diagnostic criteria for a depressive disorder are considered by some religious individuals to be normal and valued experiences. She explains how sadness fits into the 'Dark Night of the Soul' narrative - an active transformation of emotional distress into an essential ingredient for self-reflection and spiritual growth - and how sadness with a recognised cause is seen to 'make sense', whereas sadness without a cause may be seen to warrant psychiatric consultation. The author also discusses the role of the clergy in cases of sadness and depression and their collaboration with medical professionals. This is an insightful read for anyone with an interest in theology or mental health, including clergy, psychiatrists and psychologists.**

**It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.**

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, The Fountainhead and Atlas Shrugged. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the

death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work. On that night he was driven out to the street, Ritsuya met his eternal admiration, Mayato. It was just a short meeting, but these two boys in pain finally found the best comfort on each other, sealing their bond for the years after. But, how would they survive in the world of irresponsible adults? "Matching our Answers" is a modern BL with a taste of classic unfortunate children folk tales that resolves on the idea of love and pain... Ross Wilson worked his way up the corporate ladder at the National Telephone and Telegraph company. Ross experienced an event in 1981 that would change his life forever. After an intracompany transfer, he encountered more clandestine and dark activities than he could imagine. Follow the ups and downs, surprises, mysteries, crimes, and grievances that confronted him.

The elephant emerged from the water, a moving wall of gray cut against a startling blue sky. Wild high grasses brushed the columns of her huge legs as she dwarfed the hill that rose behind her. Massive footprints left pools of river water where she emerged from the pond that had slaked her thirst and provided her family an afternoon of muddy play. Gently flapping ears became still; the pads on her great feet sank deep into the earth. She lifted her trunk, stood as if transfixed. Dusk approached and banished a reluctant sun. From miles away, something was coming.

**SOON TO BE A MAJOR MOTION PICTURE** The stunning Booker Prize–winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral,

The eldest surviving daughter of Anna Guinn, Rachel rarely ventures far from her home in the Appalachians, aside from an occasional trip into town to trade a penny for a peppermint stick. Freed from an abusive marriage, Willa holds the family together through hardship, all the while fulfilling her role as keeper of her neighbors' carefully guarded secrets—the most painful of which may be her own. 44 SCOTLAND STREET - Book 5 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother. Featuring all the quirky characters we have come to know and love, *The Unbearable Lightness of Scones*, finds Bertie, the precocious six-year-old, still troubled by his rather overbearing mother, Irene, but seeking his escape in the Cub Scouts. Matthew is rising to the challenge of married life with newfound strength and resolve, while Domenica epitomizes the loneliness of the long-distance intellectual. Cyril, the gold-toothed star of the whole show, succumbs to the kind of romantic temptation that no dog can resist and creates a small problem, or rather six of them, for his friend and owner Angus Lordie. With his customary deftness, Alexander McCall Smith once again brings us an absorbing and entertaining tale of some of Scotland's most quirky and beloved characters--all set in the beautiful, stoic city of Edinburgh.

*Win the Battle for Sleep: God's Plan for Rest, Rejuvenation, and Revelation* In our fast-paced world, we see sleep as "wasted time," or else we lie awake as anxiety, fear, or distractions run through our minds. That was never God's intent for the night. Without realizing it, we've handed this sacred time over to the enemy. With warmth, compassion, and keen biblical insight, counselor and speaker Faith Blatchford reveals that it's during this precious time that God imparts everything necessary for us to be equipped for the day. Without peaceful sleep at night, we are robbed mentally, physically, emotionally, and spiritually of the resources we need. God created the night and the dark--and he called it good. He dwells in it. The dark does not belong to the devil, so don't let the enemy steal it from you. Here are the tools you need to take back your night, to encounter the God of rest, and to sleep peacefully the whole night through. Includes a chapter on how to help your children overcome nightmares and fear of the dark.
