Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

'Oh my gosh I don't know where to start, this book broke me... it will stay with me for a very long time... heartbreaking, poignant, gripping and compelling, I felt every emotion... I read this book in one sitting.' Fiction Vixen Reads, ????? Inspired by an incredible true story.

Fans of The Tattooist of Auschwitz, We Were the Lucky Ones and The Choice will love this heartbreaking novel of love, betrayal and a secret passed down through a family. Nazi-occupied Poland, 1940. When soldiers drag Tomasz back to his family's farm, they put a gun to his head and tell him he must join the German army, or see his loved ones forced into the camps. Staring into the wide blue eyes of his childhood sweetheart Zofia, Tomasz does the only thing he can. Over the course of the war, he will risk his life, love and the respect of his own people, to secretly fight for good against evil. All the while, he longs to be reunited with Zofia...

but will his brave choices tear them apart forever? London, present day. Isla has grown up wearing her grandfather's rainbow scarf, a beloved memento from the Second World War, and hearing his stories about his time as a young soldier bravely fighting the Germans to protect his people. But as she is collecting photos for his 95th birthday celebration, she finds an old photograph of two men standing in Nazi uniforms, next to a folded piece of paper... a newspaper article, written in German. She knows that name. Her grandfather is too weak to answer questions, so Isla begins her hunt for the truth. There is so much she doesn't know. And what she learns about a love story and a secret from seventy years ago will change her own life forever... Readers absolutely love The Rainbow:
