Consumers Union, the publisher of Consumer Reports, has been an influential and defining force in American society since 1936. The organization's mission has remained essentially unchanged: to work for a fair, just, and safe marketplace for all consumers. The Consumers Union National Testing and Research Center in Yonkers, New York, is the largest nonprofit educational and consumer product testing center in the world. In addition to its testing facility in Yonkers and a state-of-the-art auto test center in Connecticut, the organization maintains advocacy offices in San Francisco, Austin, and Washington, D.C., where staff members work on national campaigns to inform and protect consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including [www.ConsumerReports.org](http://www.ConsumerReports.org) and [www.ConsumersUnion.org](http://www.ConsumersUnion.org), and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.

**Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and**
