Consumers Union, the publisher of Consumer Reports, has been an influential and defining force in American society since 1936. The organization's mission has remained essentially unchanged: to work for a fair, just, and safe marketplace for all consumers. The Consumers Union National Testing and Research Center in Yonkers, New York, is the largest nonprofit educational and consumer product testing center in the world. In addition to its testing facility in Connecticut, the organization maintains advocacy offices in San Francisco, Austin, and Washington, D.C., where staff members work on national campaigns to inform and protect consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including www.ConsumerReports.org and www.ConsumersUnion.org, and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.

Explore the world of the hit game through the eyes of the lovable robot. Pathfinder, as he chronicles his journey throughout the various environs of the Outlands to interview his fellow Legends -- all in the hope of finally locating his mysterious creator. The rich history of Apex Legends is explained by the characters that helped to shape it, as are their unique bonds of competition and camaraderie.

Rem memegang peranan yang sangat penting dalam kendaraan, terutama untuk mengurangi laju kendaraan dan menghentikan kendaraan. Rem pada mobil terdiri dari beberapa jenis yaitu rem cakram, rem tromol, rem hidrolis (silinder master, tandem silinder), rem pneumatik/angin, rem parkir/tangan, dan rem ABS. Merawat dan mereparasi rem mobil menjadi upaya yang penting agar rem tetap berfungsi dengan baik. Buku ini hadir untuk Anda yang ingin mengetahui cara merawat dan mereparasi rem mobil. Beberapa teori mengenai rem juga disajikan dalam buku ini.

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.
