

## Nithalle Ki Diary Harishankar Parsai

Known for his bold, satirical revelations, Harishankar Parsai leaves no stone unturned to expose the murky moss of the society we live in. Casteists or politicians, bureaucrats or manipulators, none escape the scathing commentary of Parsai. Written almost forty years ago, the 21 stories couldn't be more topical and still inspire a hearty laugh. A not-to-be-missed volume for all who enjoy plurality of language.

Sparkling stories of love, longing and heartbreak in the city by Ravish Kumar, journalist, TV anchor and bestselling author of The Free Voice A boy from Bihar living in Lajpat Nagar likes a momo-seller from the Northeast; she likes him too, but when he gifts her a token from his village, his dreams come crashing down. Samar travels with his beloved in a DTC bus in Delhi, the only space in the city where they can meet, but he's afraid to call out her name for fear it will be recognized. A couple shelters from rain underneath a flyover, hoping for a moment of seclusion, but staring eyes pour water on their dreams. And a girl lets herself into her lover's rented room, finds a bunch of letters from his past flames, and leaves him an unusual farewell note. In these crisp, powerful, micro stories, the celebrated journalist, TV anchor and writer Ravish Kumar brings alive the love, longing and heartbreak which flourish in the city's spaces. And even as lovers find the niches they need, the city itself shapes their relationships. Brilliantly translated from the bestselling Hindi original Ishq Mein Shahar Hona, A City Happens in Love is a tribute to the modern Indian city, its capaciousness, and to the power of love.

Fictional biography of the sixteenth century poet Tulsidas, who is revered as the greatest of the indian poets.

In 1992 when a Dalit woman left the convent and wrote her autobiography, the Tamil publishing industry found her language unacceptable. So Bama Faustina published her milestone work Karukku privately in 1992-a passionate and important mix of history, sociology, and the strength to remember.Karukku broke barriers of tradition in more ways than one. The first autobiography by a Dalit woman writer and a classic of subaltern writing, it is a bold and poignant tale of life outside mainstream Indian thought and function. Revolving around the main theme of caste oppression within theCatholic Church, it portrays the tension between the self and the community, and presents Bama's life as a process of self-reflection and recovery from social and institutional betrayal.The English translation, first published in 2000 and recognized as a new alphabet of experience, pushed Dalit writing into high relief. This second edition includes a Postscript in which Bama relives the dramatic movement of her leave-taking from her chosen vocation and a special note "Ten YearsLater".

Kashmiri Lal Chawla joins the Bank of Polampur as a clerk and is posted to different cities and offices, where he confronts bizarre situations and odd characters. Nothing escapes him, neither the idiosyncrasies of the people he meets inside or outside the bank, nor their doings or intents; he presents these to the reader in simple, everyday language, spicing it up with his dry wit. Through these amusing anecdotes that can be enjoyed by readers of all age groups and from all walks of life, Kashmiri Lal exposes the sorry state of affairs in the bank; he diagnoses the shortcomings, contradictions and loopholes in the system and also offers solutions, without becoming preachy. As a satire on the Indian banking industry, this is possibly a first, using tongue-in-cheek humour to expose the corrupt and ineffectual system prevailing in public-sector banks in specific, and government departments at large. The author has an intimate knowledge of Indian banking, so this novel also becomes a record of the changing scenario of the banking sector in the country, over the last forty years.

From schools of excellence to brilliant improvement in the board examinations and state-of-the-art facilities, government schools in Delhi rock. The implementation of innovative concepts like 'happiness curriculum' and 'entrepreneurship mindset programme' in Delhi government schools has brought about revolutionary change in the public school education system in the national capital of India. Manish Sisodia, Delhi's deputy chief minister and education minister, is the visionary instrumental in ushering in such a transformation. Recounting his experiences and experiments as an education minister, this book offers blow-by-blow account of this amazing success story. Shiksha, a book of hope and possibilities, will inspire everyone who is poised to make a difference in society through education.

Chilling and disturbing, meet the demons in Master of Horror James Herbert's Creed. Sometimes horror is in the mind. And sometimes it's real. Telling the difference isn't always easy. It wasn't for freelance photographer Joe Creed. He'd just photographed the unreal. Now he had to pay the price. Because he always thought that demons were just a joke. But the joke was on him. And it wasn't very funny. It was deadly . . .

A hilarious and nostalgic account of twentieth-century Muslim life on the Indian subcontinent Basharat and his family are Indian Muslims who have relocated to Pakistan, but who remain deeply steeped in the nostalgia of pre-Partition life in India. Through Mirages of the Mind’s absurd anecdotes and unforgettable biographical sketches—which hide the deeper unease and sorrow of the family’s journey from Kanpur to Karachi—Basharet emerges as a wise fool, and the host of this unique sketch comedy. From humorous scenes in colonial north India, to the heartbreak and homesickness of post-colonial life in Pakistan, Mirages of the Mind forms an authentic portrait of life among South Asia’s Urdu speakers, rendered beautifully into English by Matt Reeck and Aftab Ahmad.

*It was a cold morning, the Nineteenth day of December, in the year 1927, when a well-built young man, barely Thirty, walked to the gallows, with the chants of Vande Mataram on his lips in Gorakhpur prison. This death will be mourned by the patriots who would follow him in the struggle for Independence. This death will be forgotten by many in the years after independence. As the youth of today follows false heroes from the foreign lands, why do we know so little about our own revolutionaries and heroes like Ram Prasad Bismil? It is mostly because their truth, their story was pushed away from the public view to the dark corners. His memoirs and writings suffered the same fate as his memories. This book is an attempt to revive his memories because they hold answers to many questions of the future. “It is my sincere wish that this memoir of the great son of Mother India be read by as many people as possible, so that we are able to appreciate the value of freedom we enjoy today (and often take for granted) and do not repeat the mistakes of the past which had once placed us under the dark shadows of slavery and kept us under curse of a foreign rule for a long time.” - Umashri Bharti, Ex Minister, Government of India. "Ramprasad Bismil, in his being, represents the quintessential Indian. Grew up through adversity, still kept the flame of nationalism burning in his heart. Often let down, often betrayed, he never lost hope for the India that he believed was ripe not only for a revolution, rather also for a renaissance. I would urge every nationalist Indian to read this autobiography." - Shivraj Singh Chauhan, Ex- Chief Minister and Senior BJP leader.*

A Novel

Mirza Asadullah Khan Ghalib was born in Agra in the closing years of the eighteenth century. A precocious child, he began composing verses at an early age and gained recognition while he was still very young. He wrote in both Urdu and Persian and was also a great prose stylist. He was a careful, even strict, editor of his work who took to publishing long before his peers. His predilection for writing difficult, obscure poetry peppered with complex metaphors produced a unique commentarial tradition that did not extend beyond his work. Commentaries on his current Urdu divan have produced a field of critical writing that eventually lead to the crafting of a critical lens with which to view the classical ghazal. The nineteenth century was the height of European colonialism. British colonialism in India produced definitive changes in the ways literature was produced, circulated and consumed. Ghalib responded to the cultural challenge with a far-sightedness that was commendable. His imagination sought engagement with a wider community of readers. His deliberate switch to composing in Persian shows that he wanted his works to reach beyond political boundaries and linguistic barriers. Ghalib's poetic trajectory begins from Urdu, then moves to composing almost entirely in Persian and finally swings back to Urdu. It is nearly as complex as his poetry. However, his poetic output in Persian is far more than what he wrote in Urdu. More important is that he gave precedence to Persian over Urdu. Ghalib's voice presents us with a double bind, a linguistic paradox. Exploring his life, works and philosophy, this authoritative critical biography of Ghalib opens a window to many shades of India and the subcontinent's cultural and literary tradition.

In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.

A no-holds-barred expose of the Hindi film industry's sordid underbelly. Ali Amjad comes from Benares to make it as a scriptwriter in Bombay, only to experience the absurd and tragic reality behind the film world's glamour as he navigates through it with his fellow strugglers. A short, fascinating novel set in the Bombay of the 1970s, Rahi Masoom Raza's Scene: 75 is a crazy kaleidoscope of stories within stories populated by a cast of extraordinary and memorable - but also cynical and manipulative - characters, from struggling directors and wealthy lesbians to film-obsessed social climbers and sleazy producers. In this irreverent, surreal, deeply satirical and darkly humorous work, the author's biting prose takes an unflinching look at both Hindu-Muslim and class relations, as well as at how human ties corrode and wither because of ambition and self-interest. Superbly translated by Poonam Saxena, this lost classic from Rahi Masoom Raza rips off the tinsel curtain that hides the film industry's hypocrisy, insecurity and desperation for success. It is a novel that will delight and disturb in equal measure.

A sensitive, humorous novel on Hindu-Muslim relations, set in post-Independence India, by an eminent Hindi writer.

Personal. Intimate. Deeply moving. An absolutely unputdownable memoir. Do memories ever fade away? They never 'dry up', says Gulzar Saab, 'They keep floating somewhere between the conscious and the subconscious mind. It's a great feeling to swim there sometime. Pick up a few bubbly moments and cherish them again.' From Bimal Roy to Satyajit Ray, R.D. Burman, Kishore Kumar, Ritwik Ghatak, Hrishikesh Mukherjee, Pandit Ravi Shankar, Pandit Bhimsen Joshi, Mahasweta Devi and Samaresh Basu, among others, in this fascinating book, Gulzar Saab goes down memory lane to bring to light his relationship with the doyens of cinema, music and literature, who he had known and worked with over a long period of time. In his words, 'It seems like a dream when I revisit my memories of such great gurus and colleagues, and I feel overwhelmed that I have really interacted with them. I have to pinch myself on realizing that actually . . . I met them.' Chatty, anecdotal and deeply personal, this book of memories will chronicle Gulzar Saab's life and career through different eras of Indian cinema as he successfully transcended commercial and critical arts. Studded with rare photographs, Actually ... I Met Them will be a treat for his huge and devoted fan base.

Partly autobiographical and Yashpal's first novel, Dada Comrade is an extraordinary book, fast-paced and philosophical by turn. It tells the story of a young revolutionary, Harish, who, towards the end of the 1930s, is expelled from his revolutionary party, which also plans to kill him as he knows too much. Meanwhile, he and Shailbala, a member of the party and the daughter of a wealthy Lahore industrialist, develop a romantic relationship. An unusual heroine, Shailbala is outspoken about sexual freedom and constantly challenges others about their patriarchal mindsets. As Harish escapes the party's clutches and organizes the railway workers of Lahore into striking en masse, he is framed by the British government that leads to his trial. Shailbala, on the other hand, confronts her father and decides to keep the child conceived with Harish. She finds a new ally in this decision-Dada, the ageing leader of Harish's revolutionary party who had earlier condemned him. Raising questions about the means to achieve freedom and equality, as well as about desire, marriage and birth control, Dada Comrade was far ahead of its time and heralded the arrival of a literary genius. Translated seamlessly and including a scholarly introduction by Simona Sawhney, it will resonate with and compel today's readers to examine their ideals and values.

Covers the Cambridge IGCSE syllabus (0455) and the Cambridge O Level syllabus (2281), first examination from 2020. This series helps students understand economic theory, terminology and principles. It matches the Cambridge IGCSE and O Level Economics syllabuses. The coursebook helps students apply tools of economic analysis, make judgements on economic issues, use basic economic numeracy and literacy, and take greater part in decision-making processes in everyday life. Sample questions provide opportunities for students to develop their evaluative skills. It provides a foundation for advanced study in Economics such as A Level.
