

No Dogs Allowed

"I have no time for lies and fantasy, and neither should you. Enjoy or die..." --John Lydon Punk has been romanticized and embalmed in various media. An English class revolt that became a worldwide fashion statement, punk's idols were the Sex Pistols, and its sneering hero was Johnny Rotten. Seventeen years later, John Lydon looks back at himself, the Sex Pistols, and the "no future" disaffection of the time. Much more than just a music book, Rotten is an oral history of punk: angry, witty, honest, poignant, crackling with energy. Malcolm McLaren, Sid Vicious, Chrissie Hynde, Billy Idol, London and England in the late 1970s, the Pistols' creation and collapse...all are here, in perhaps the best book ever written about music and youth culture, by one of its most notorious figures.

Absolutely No Dogs Allowed! tells the story of a boy, his dog, and his A to Z menagerie of animals attempting to enjoy a walk in the park. This delightfully illustrated alphabet book with alliteration highlights our senses and sensory issues, as well as our emotions.

Guidelines to help parents and teachers explore the senses and emotions with their young children are included. Asher Kranowitz is currently in middle school. He dictated this book to his grandmother when he was in second grade. The book was inspired by a sign he

noticed when visiting the beach. He lives in Barrington, Rhode Island, and loves to play football and basketball. He has a younger brother and a beloved Goldendoodle named Frisco.

A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage

When Bruce and Andi enter their dog, Red Rover, in a dog-themed filmmaking contest, one of their competitors is a dog who has been trained to talk.

Our pets are part of the family. For many they’re as close as children; for some they may be our only children. And while most of us can expect that our children will outlive us, sadly, our pets almost never do. Losing a pet can be as difficult as losing any other family member; we grieve, we miss them, and, mostly, we want closure, to know that our furry, feathered, or scaled friends are okay, wherever they are. For years, animal communicator Sonya Fitzpatrick has helped pet owners cope with the loss of their beloved companions. Many of them ask the same questions: Is my pet happy? Why did this happen? Is it okay to get another pet? Using her personal experiences as well as the stories of the families she’s worked with, Sonya sheds some light on the questions that every grieving pet owner has, and assures the reader that there are, in fact, no sad dogs (or cats or birds or turtles or horses or cows) in heaven.

Best-selling author Gordon Korman's middle-grade favorite, now with a fresh look! Wallace Wallace won’t lie, even if it means detention. And after he handed in a scorching book report of the classic novel, Old Shep, My Pal, detention is just what he’s been handed. He is sure he’s done nothing wrong: he hated every minute of that book, especially when the dog dies in the end! Why do dogs always die at the end? Wallace refuses to do a rewrite of his report, so his English teacher, who happens to be

directing the school play of Old Shep, My Pal, forces him go to the rehearsals to teach him a lesson on why the story is the way it is. Surrounded by theater kids who are apprehensive of him, Wallace sets out to prove himself. But not by changing his mind.

Instead, he changes the play into a rock-and-roll rendition, complete with Rollerblades and a moped!

“A refreshing and pathbreaking [study] of the roots of Mexican American social movement organizing in Texas with new insights on the struggles of women” (Devon Peña, Professor of American Ethnic Studies, University of Washington). Historian Cynthia E. Orozco presents a comprehensive study of the League of United Lantin-American Citizens, with an in-depth analysis of its origins. Founded by Mexican American men in 1929, LULAC is often judged harshly according to Chicano nationalist standards of the late 1960s and

1970s. Drawing on extensive archival research, No Mexicans, Women, or Dogs Allowed presents LULAC in light of its early twentieth-century context. Orozco argues that perceptions of LULAC as an assimilationist, anti-Mexican, anti-working class organization belie the group's early activism. Supplemented by oral history, this sweeping study probes LULAC's predecessors, such as the Order Sons of America, blending historiography and cultural studies. Against a backdrop of the Mexican Revolution, World War I, gender

discrimination, and racial segregation, No Mexicans, Women, or Dogs Allowed recasts LULAC at the forefront of civil rights movements in America.

THE STORY: Halifax, North Carolina is where the Cheeks family, Rawl and his wife, Mattie, and their two daughters, makes its home. The year is 1949, and the title refers to signs commonly posted in the region in that era. The Cheeks are visited by Yaveni, a Jewish scholar from Cleveland, who is researching the effects of prejudice on both blacks and Jews, and by Aunt Cora, a mysterious local black woman who wanders around wrapped in a black garment with a dark secret. The trouble begins in earnest when Rawl takes off

for Alabama to work as a gravedigger. While he is gone, Mattie is raped by a white man. If she tells Rawl she's pregnant, she knows that he will seek revenge and be killed in the process. So, in order to save his life, she tells him that she willingly participated in an affair. Outraged and devastated, Rawl heads north, and Mattie is left to pick up the pieces of her fractured life and to struggle to find a way to put her family back together. With a woman of her strength and determination, it may just even be possible.
