Professional Development Guide December 2018, serves as the medium to provide Soldiers and enlisted centralized selection board members professional development guidance for noncommissioned officers (NCOs) within their respective career management field (CMF). Civilian supervisors also need to understand the professional development guidance for NCOs to assist them in their career advancement. This guide serves as a framework for NCOs, warrant officers, officers, and civilians alike to offer advice and counsel NCOs on their professional growth and development. This pamphlet should not be construed as a simplified checklist for promotion selection or a guide for NCOs on how to

perform their assigned duties. Instead, this guide serves to supplement the Army's various strategies on leader development, including the NCO 2020, talent management, and the human dimension strategy. It provides guidance intended to develop the next generation of competent and committed NCOs of character who are capable of meeting the challenges of operational adaptability in an era of persistent conflict within an All-Volunteer Army.

effective for NCOs. Professional mentoring can address that gap, but only if NCOs understand how mentoring works in practice. The Army NCO's Guide to Mentoring contains real mentoring stories from real NCOs, describing the nuances, strengths, and weaknesses of their actions. It is the only work of its kind to use real stories, collected by a West Point researcher, to lay out the power of NCO mentoring practice. The book starts with a quick summary of cutting-edge research in the field to acquaint the reader with the latest mentoring trends. It then deftly describes the benefits of NCO mentoring, along with mentoring practices and contexts. It concludes with a comparison of officer and NCO

of which was published by NDU Press in 2007, as well as the Services' NCO/PO manuals and handbooks. Written by a team of Active, Reserve, and retired senior enlisted leaders from all Service branches, this book defines and describes how NCOs/POs fit into an organization, centers them in the Profession of Arms, explains their dual roles of complementing the officer and enabling the force, and exposes their international engagement. As Chairman of the Joint Chiefs of Staff General Martin E. Dempsey writes in his foreword to the book, "We know noncommissioned officers and petty officers to have exceptional competence, professional character, and
