His Dark Materials: The Golden Compass (Book 1)

*Lyra and Pan journey to the far North once more, seeking advice from the Consul of Witches. A short story that takes place after the events of "The amber spyglass."*

*"A companion to His dark materials"---Cover.*

*The amazing true science behind the fiction of His Dark Materials, ideal for fans of the original trilogy and The Book of Dust, with an introduction by Philip Pullman. Award-winning science writers Mary and John Gribbin reveal how the world of Pullman's His Dark Materials trilogy (Northern Lights, The Subtle Knife and The Amber Spyglass) is rooted in astonishing scientific truth. Drawing on string theory and spacetime, quantum physics and chaos theory, they answer fascinating questions such as: could parallel worlds like Will's and Lyra's really exist? How does the subtle knife cut through anything? Could there be a bomb like the one made with Lyra's hair? And, of course, what are the Dark Materials?*

*The #1 New York Times Bestseller! Return to the world of His Dark Materials--now an HBO original series starring Dafne Keen, Ruth Wilson, Andrew Scott, and Lin-Manuel Miranda--in the second volume of Philip Pullman's new bestselling masterwork The Book of Dust. The windows between the many worlds have been sealed and the momentous adventures of Lyra Silvertongue's youth are long behind her--or so she thought. Lyra is now a twenty-year-old undergraduate at St. Sophia's College and intrigue is swirling around her once more. Her daemon Pantalaimon is witness to a brutal murder, and the dying man entrusts them with secrets that carry echoes from their past. The more Lyra is drawn into these mysteries, the less she is sure of. Even the events of her own past come into question when she learns of Malcolm Polstead's role in bringing her to Jordan College. Now Lyra and Malcolm will travel far beyond the confines of Oxford, across Europe and into the Levant, searching for a city haunted by daemons, and a desert said to hold the truth of Dust. The dangers they face will challenge everything they thought they knew about the world, and about themselves. Praise for The Book of Dust "It's a stunning achievement, this universe Pullman has created and continues to build on." --The New York Times "Pullman's writing is simple, unpretentious, beautiful, true. The conclusion to The Book of Dust can't come soon enough."--The Washington Post*

Northern Lights introduces Lyra, an orphan, who lives in a parallel universe in which science, theology and magic are entwined. Lyra's search for a kidnapped friend uncovers a sinister plot involving stolen children and turns into a quest to understand a mysterious phenomenon called Dust. In The Subtle Knife she is joined on her journey by Will, a boy who possesses a knife that can cut windows between worlds. As Lyra learns the truth about her parents and her prophesied destiny, the two young people are caught up in a war against celestial powers that ranges across many worlds and leads to a thrilling conclusion in The Amber Spyglass. The epic story Pullman tells is not only a spellbinding adventure featuring armoured polar bears, magical devices, witches and daemons, it is also an audacious and profound re-imagining of Milton's Paradise Lost. An utterly entrancing blend of metaphysical speculation and bravura storytelling, HIS DARK MATERIALS is a monumental and enduring achievement.
