"Alderman's writing is beautiful, and her intelligence seems almost limitless. She also has a pitch-dark sense of humor that she wields perfectly." --Michael Schaub, NPR
In THE POWER, the world is a recognizable place: there's a rich Nigerian boy who loaves around the family pool, a foster kid whose religious parents hide their true nature, an ambitious American politician, a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power--they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, THE POWER is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.

Northstar, now in its third edition, motivates students to succeed in their academic as well as personal language goals. For each of the five levels, the two strands -- Reading and Writing and Listening and Speaking -- provide a fully integrated approach for students and teachers. What is Special about the Third Edition? New Themes and Updated Content -- presented in a variety of genres and in authentic materials -- challenge and engage students intellectually. Enhanced Focus on Academic Skills, more purposeful integration of critical thinking, and an enhanced focus on academic skills such as inferencing, synthesizing, notetaking, and test taking help students develop strategies for success in the classroom and on standardized tests. A structured approach gives students opportunities for more extended and creative oral practice, for example, presentations, simulations, debates, speeches, public service announcements and more. A New Design with full color pages, more photos, illustrations, and graphic organizers fosters student engagement and makes the content come alive. MyNorthStarLab NorthStar is now available with MyNorthStarLab -- an easy-to-use, powerful online program for students and teachers that saves time and improves test scores. A New York Times Notable Book One of NPR's Best Books of 2021 "Knausgaard is among the finest writers alive." —Dwight Garner, *New York Times*
The international bestseller from the author of the renowned My Struggle series, *The Morning Star* is an astonishing, ambitious, and rich novel about what we don't understand, and our attempts to make sense of our world nonetheless.
One long night in August, Arne and Tove are staying with their children in their summer house in southern Norway. Their friend Egil has his own place nearby. Kathrine, a priest, is flying home from a Bible seminar, questioning her marriage. Journalist Jostein is out drinking for the night, while his wife, Turid, a nurse at a psychiatric care unit, is on a night shift when one of her patients escapes. Above them all, a huge star suddenly appears blazing in the sky. It brings with it a mysterious sense of foreboding. Strange things start to happen as nine lives come together under the star. Hundreds of crabs amass on the road as Arne drives at night; Jostein receives a call about a death metal band found brutally murdered in a Satanic ritual; Kathrine conducts a funeral service for a man she met at the airport - but is he actually dead? *The Morning Star* is about life in all its mundanity and drama, the strangeness that permeates our world, and the darkness in us all. Karl Ove Knausgaard's astonishing new novel, his first after the *My Struggle* cycle, goes to the utmost limits of freedom and chaos, to what happens when forces beyond our comprehension are unleashed and the realms of the living and the dead collide.

The NorthStar video program includes ten engaging video segments, including segments from ABC News, featuring topics correlated to the themes in the NorthStar 3 listening and speaking, and reading and writing, student books. Each video segment is from 2 to 5 minutes long and incorporates key vocabulary from the student books. The DVD guide contains unit-by-unit video scripts, as well as vocabulary for comprehension and background notes to enhance the accessibility and enjoyment of the video material. Each of the ten video segments has an optional corresponding video activity that is designed for students to use in class before, during, and after viewing the video. The activities can be downloaded from the NorthStar companion website.

Saves Time With automatically graded exercises for every unit of each book, instructors no longer have to create or grade homework. This gives them more time to prepare classroom lessons. Instructors can choose exercises and set due dates with just a few clicks. Homework for an entire semester can be set up in less than an hour. Improves Results Students have more opportunities to practice English in more ways -- from video exercises and audio discussion boards to vocabulary games and academic practice. These new exercises help students learn more English, more quickly. Immediate feedback on their performance allows students to come to class better prepared. If students do not pass a

section of a unit test, they automatically receive new exercises targeting areas that need improvement. The MyNorthStarLab Access Code card is also available on its own, without the Student Book.

Kenshiro takes on the Golan, a gang whose claims of genetic superiority he will put to the test. Later, as he continues his journey through the wasteland, he runs into a wily nomad warlord named Jackal. Until now, Ken's opponents have rarely used their heads--though many have lost them! Finding Your Own North Star

Fist of the North Star, Vol. 2

NorthStar, Fourth Edition, a five-level series, engages students through authentic and compelling content and empowers them to achieve their academic and personal goals. The approach to critical thinking in both the Reading/Writing and Listening/Speaking strands challenges students to move beyond basic comprehension to higher-level analysis. Conceptualized to promote critical thinking, NorthStar infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking section like in other series. Components: Print or eText Student Book with MyEnglishLab — Building on the success of previous editions, NorthStar continues to engage and motivate students through new and updated contemporary, authentic topics in a seamless integration of print and online content. eText with MyEnglishLab — Offering maximum flexibility for different learning styles and needs, a digital version of the Student Book can be used on iPad and Android devices. MyEnglishLab NorthStar — Students use MyEnglishLab to access additional practice video, video views, listen to audio selections, and receive instant feedback on their work. Teachers assign MyEnglishLab activities to reinforce the skills students learn in class and monitor progress through an online gradebook. Teacher Resource eText — Each strand of NorthStar has an accompanying Teacher Resource eText with the following: digital Student Book, downloadable achievement tests, classroom audio, lesson planners, online activities, videoscripts, teacher's manuals, answer keys, and a downloadable placement test. Accessible through MyEnglishLab: NorthStar, Classroom Audio CD — Listening and Speaking audio contains the recordings and activities as well as audio for the achievement tests. The Reading and Writing strand contains the readings on audio.

NorthStar, Fifth Edition is an integrated-skills English course that empowers adult and young adult English language learners to achieve their academic and personal goals. Current and thought-provoking topics promote language development and critical thinking skills. Building on the success of previous editions, this new fifth edition engages and motivates students with new and updated content. What is new in the fifth edition? * New and updated content with a new theme keeps students motivated. * The new design and imagery bring the activities to life. * Learning outcomes are created using the Global Scale of English (GSE) so students can see their progress more easily. * Every unit offers note-taking practice and writing skill development. * Scaffolded critical thinking activities are clearly marked to help students develop their academic skills. * Academic Word List words are highlighted to help students identify essential vocabulary. * New and updated activities in MyEnglishLab provide additional practice online. * ExamView Test Generator allows teachers to customize assessments. * Students can complete activities, listen to audio, and watch video on the go with the Pearson Practice English App.
