

Nostradamus Prophecy Quatrains Complete Works Ultimate Collection Aeur All Quatrains Writings Prophecies Oracles Secret Code Plus Biography And Analysis Of Predictions

Complete, definitive study: biography, historical background, and parallel texts in English and French of all the prophecies, most of the famous — and infamous — interpretations, and much more.

In the light of the recent tragedy that has changed our world, David Ovason, the foremost expert on the prophecies of Michel Nostradamus, has reexamined the writings of the 16th Century French seer. What Ovason discovered was startling: a quatrain that specifically predicts the horrific terrorist attack on New York City that killed more people in one day than died in America's three-year War of Independence. In this bold new interpretation of Nostradamus's prescient texts, Ovason reveals with reasoned, intelligent scholarship what the Master presaged for the United States—a nation that did not exist in Nostradamus's time—including the shocking foretelling of a devastating fire to approach a great new city ” ...and the coming of a new age of prosperity for us all. Renowned scholar David Ovason also reveals how Western history's most remarkable clairvoyant predicted the most momentous events in the development of the United States, including: The settlement of Jamestown The Declaration of Independence The founding of St. Louis The development of electricity The invention of manned flight The Apollo space program AND The terrorist attack on America and the destruction of the World Trade Center

This modern rendition of the quatrains of Nostradamus is offered after more than three decades of research. This clarification of the enigmatic verse of Nostradamus is the most comprehensive to date that brings forth the first true understanding - a connection and meaning for the verses not heretofore seen. Each of the verses of the quatrains of Nostradamus speaks about the rampant strategies of one of three Antichrists. Two of these Antichrists would dominate the human race culminating spiritual forces into the Third Antichrist - the One who would fully incarnate the supernatural forces of Satan ultimately torturing humanity in the great and final war against God bringing the End of Days and the cataclysmic changes ushering in a new age. The prophecies of Nostradamus have been in print for almost five hundred years - longer than any book except the Holy Bible. His prophecies are biblically sound. In each new generation people in nearly every nation have continued to pour over the verses of Nostradamus seeking higher truth and understanding. Nostradamus wrote poetic prophecy in the form of quatrains, four line stanzas filled with a medley of perplexing symbols and rhetoric. Each original chapter, called Centuries, contained one hundred quatrains. Even as John in Revelation, Nostradamus did not understand in high detail all the future modalities that he envisioned, and the use of symbolism allowed him to portray his visions without the limitation of mere words. In Century III, Verse 94, Nostradamus explained the fate of his work. He stated that for five centuries his verses would be shrouded in mystery. Then, in the twentieth century an interpreter would bring them to light and understanding. The quatrains of Nostradamus relay an important, divine message to humankind and contain highly moralistic, philosophical, and spiritual wisdom which cannot be ignored. Nostradamus was a prophetic messenger of the Divine Plan. The social, economic, political, and spiritual rewards make it evident that the Nostradamus verses are a divine gift in severe servitude to humanity. The primary purpose for

Access Free Nostradamus Prophecy Quatrains Complete Works Ultimate Collection Aeur All Quatrains Writings Prophecies Oracles Secret Code Plus Biography And Analysis Of Predictions

Nostradamus' quatrains has always been to shed light upon written prophecies that were offered to the world in an effort to educate mankind in reference to human iniquities and the effects thereof rendered upon the world in which we live. But, even more, the verses were intended to help people reconnect to the Divine seeing that the spiritual world is a reality that we cannot ignore. Nostradamus wrote exclusively and specifically about Three Temporal Kings who would rise to power resulting from political events beginning in about 1700 A.D. These Antichrists would change the course of history and life on earth for beyond three hundred years until the biblical end of the world when the entire cosmic order would change into a new age. This message of the old prophet coincides directly with the messages of the honored biblical prophecies. Not even taking into account the fact of strong evidence that the quatrains are divine and intended to educate humans in reference to a higher evolutionary path, they have remained in print since the sixteenth century, are a vital part of literature today, and more than likely will be around for a very long time.

Who was Nostradamus, and what faith should we place in his predictions? This book gives objective answers. It reveals that Michel de Nostredame, a 16th-century French doctor, was more Renaissance man than arcane magician - and that his prognostications can be compellingly astute. In this edition all of the cryptic short verses of Nostradamus's Centuries appear in the original French, with new translations. Uncanny prophecies such as those of the French Revolution and the rise of Hitler are examined in detail. Here too are interpretations of the many verses believed to augur future events. Editor Ned Halley works in fields of journalism as diverse as medicine, wine and business. He takes a Plain English approach to 'a subject far too often wreathed in language that seems calculated to obscure, rather than to demonstrate, the truth'.

A History of the Future

The Lost Book of Nostradamus

The Prophecies of Nostradamus

Nostradamus Predicts the End of the World

The Complete Prophecies

The seer Nostradamus died in 1566, but devotees are still ferreting out the meanings of his cryptic prophecies today. No one has been more committed to that goal than Mario Reading, the author of five books on the occult master. The latest probes perhaps the ultimate questions about Nostradamus' prognostications: Who are the three Antichrists mentioned in his quatrains and how soon will the final events unfold? In this Sterling Publishing paperback, Reading conclusively identifies the first two Antichrists and explicates crucial passages and timelines in the works of this legendary oracle. Inexpensively priced.

The authoritative volume of the life's work of this extraordinary visionary.

NOSTRADAMUS The code Revealed Quatrain 3-94 For five hundred years more they will take notice of him, Who was the ornament of his time: Then suddenly a great revelation will be made, Which will

make people of that century well pleased. One of the most important quatrain written by Nostradamus about his fame for five hundred years, then suddenly the discovery and revelation of his code enabling people to finally begin to understand the dating and meaning of the prophecies. From 1503 to 2003, five hundred years have passed, this amazing book reveals, for the first time in history, the code intended by Nostradamus, bringing to light what was so obscure. The end, the year 2242, will please the reader to know there is no eminent end of the world as predicted by so many charlatans.

The third and final book in their series contains 132 additional quatrains written and deciphered by Nostradamus himself, plus the exposure of bogus quatrains erroneously attributed to the great psychic Dolores Cannon has pierced the veil of the space/time continuum by her use of regressive hypnosis, to bring us warnings of events to come. This volume continues to work through various subjects and completes the interpretation of all the known prophecies.

Nostradamus: the Top 100 Prophecies

The Nostradamus Prophecies

A Novel

Featuring updated author commentaries, this is an internationally bestselling selection of the famous seer's most relevant prophecies Nostradamus is widely known as the greatest diviner and visionary who ever lived. In the whole of publishing history, only the Bible has sold more copies than his prophecies, which have been in print since his death in the 16th century. Using a revolutionary new analysis of the secret dating of Nostradamus's prophecies, The Complete Prophecies for The Future reveals startling new interpretations, offering answers to relevant questions: Is the demise of the British monarchy inevitable? Will there be a Global War—and, if so, what will this mean for the world's climate? Nostradamus predicted the Twin Towers disaster of 9/11, the 2003 Iraq War, Hurricane Katrina, the devastating tsunamis of 2004/2005—and he foretold the future for decades to come. Thanks to Mario Reading's groundbreaking translations and sharp, knowledgeable commentaries, readers can now scan the future history of the 21st century—before it happens.

Michel de Nostredame (14 December or 21 December 1503 - 2 July 1566), usually Latinised to Nostradamus, was a French apothecary and reputed seer who published collections of prophecies that have since become famous worldwide. He is best known for his book Les Propheties ("The Prophecies"), the first edition of which appeared in 1555. Since the publication of this book, which has rarely been out of print since his death, Nostradamus has attracted a following that, along with the popular press, credits him with predicting many major world events. The prophecies have in some cases been assimilated to the results of applying the alleged Bible code, as well as to other purported prophetic works. Most academic sources maintain that the associations made between world events and Nostradamus's quatrains are largely the result of misinterpretations or mistranslations (sometimes deliberate) or else are so tenuous as to render them useless as evidence of any genuine predictive power. Moreover,

none of the sources listed offers any evidence that anyone has ever interpreted any of Nostradamus's quatrains specifically enough to allow a clear identification of any event in advance.

From the bestselling author of "Nostradamus: The New Revelations" comes the most complete book ever published on the life and prophecies of the 16th-century French doctor/astrologer. This new examination of his works includes interpretations based on computer analyses of all 36,000 words of Nostradamus' original writings.

Nostradamus: The Lost Manuscript

Complete Works of Nostradamus

The Prophecies

The Complete Prophecies for the Future

Nostradamus made simple-a surefire prophecy of success! Michel Notredame, or Nostradamus (1503-1566), was a French physician, astrologer, and prophet whose books of visionary four-line verses have intrigued and beguiled readers for hundreds of years. Now, with this fun and easy guide, everyone can finally get a handle on Nostradamus and his "Centuries" of prophecies, which many people believe to have predicted the French Revolution, the rise of Hitler, the Kennedy assassination, and 9/11, among other events. The book covers Nostradamus's life and beliefs, his use of cryptic language and anagrams, interpretations of his work that link it to specific historical incidents, and critics who are skeptical of his prophecies. It also explores the implications of his work on the past, present, and future, and much more!

An ancient secret...A deadly conspiracy. For reader's of Raymond Khoury's The Last Templar, or the works of Dan Brown, this high-octane commercial thriller tells of a hunt for the lost prophecies of Nostradamus and the two men who will do anything to discover their secrets. Nostradamus wrote a thousand prophecies. Only 942 have survived. What happened to the missing quatrains? What secrets did they contain to make it necessary for them to remain hidden? And why did Nostradamus leave his daughter a sealed container in his will? These questions drive two men with very different desires. Adam Sabir is a writer desperate to revive his flagging career; Achor Bale is a member of an ancient secret society that has dedicated itself to the protection and support of the "Three

Antichrists" foretold in Nostradamus's verses—Napoleon, Adolf Hitler, and the "one still to come"...The pair embark on a terrifying chase through the ancient Romany encampments of France in a quest to locate the missing verses.

One of the most enigmatic figures in history, Nostradamus - apothecary, astrologer and soothsayer - is a continual source of fascination. Indeed, his predictions are so much the stock-in-trade of the wildest merchants of imminent Doom that one could be forgiven for forgetting that Michel de Nostredame, 1503-1566, was a figure firmly rooted in the society of the French Renaissance. In this bold new account of the life and work of Nostradamus, Denis Crouzet shows that any attempt to interpret his Prophecies at face value is misguided. Nostradamus was not trying to predict the future. He saw himself, rather, as 'prophesying', i.e. bringing the Word of God to humankind. Like Rabelais, for whom laughter was a therapy to help one cope with the misery of the times, Nostradamus thought of himself as a physician of the soul as much as of the body. His unveiling of the menacing and horrendous events which await us in the future was a way of frightening his readers into the realisation that inner hatred was truly the greatest peril of all, to which the sole remedy was to live in the love and peace of Christ. This inspired interpretation penetrates the imaginative world of Nostradamus, a man whose life is as mysterious as his writings. It shows him in a completely new dimension, securing for him a significant place among the major thinkers of the Renaissance.

A handsome, compact new edition of the singularly reliable translation of the writings of history's most famous seer—now published with a new afterword on Nostradamus and 2012. The prophecies of Nostradamus have ignited intense fascination throughout the West since they were first published in the sixteenth century. These enigmatic quatrains have gained special meaning for many during our current countdown to the year 2012. The relationship between Nostradamus's prophecies and the Mayan prophecy of 2012 is hotly debated over the Internet and is the focus of today's most popular television documentaries. Now The Essential Nostradamus—the definitive literal translation of his key verses—is redesigned, reset, and repackaged in an affordable and beautifully produced Tarcher Cornerstone Edition. This volume features a brand-new afterword from translator/commentator Richard

Smoley, critiquing the Nostradamus legacy in light of the Mayan prophecies about 2012. Smoley is one of today's most respected writers on esotericism, and his new afterword fully (and realistically) assesses the question of Nostradamus's prophecies in relation to 2012, engaging readers who are hungry to learn more and want help sorting fact from fiction. Perfect for any who are curious, and for scholars and students who want to understand the real content of these haunting verses, The Essential Nostradamus is the key sourcebook of its kind.

Prophecies on World Events

Napoleon, Hitler and the One Still to Come

Nostradamus 2003-2025

Three Temporal Kings

Centuries

Nostradamus. His name has echoed across four centuries forever linked to prophecy. It is believed this medieval French physician wrote more than six thousand prophetic verses in his lifetime, with the most compelling ones published in his 1555 book, *Les Propheties des Nostradamus*, or *The Prophecies of Nostradamus*. Its 942 verses, or quatrains, speak of world wars and famine, of fires and floods, of tyrants and calamities that he foresaw in his visions-vivid, violent images brought forth by divination; prophetic visions that would surface in the solitude of his study during the dead of night. Today, more than 450 years after his death, one lingering question continues to draw both skeptic and believer to his legendary work in the face of world events: Was he right? This Bayley Street Press edition is a translated republication of *Les Propheties*. It includes two fragmentary centuries commonly linked to the original work and 141 Presages written by Nostradamus and published as almanacs between 1555 and 1567.

Nostradamus It is difficult to think of many historical figures that have been able to build up such a cult following as Nostradamus. Indeed, he may have lived centuries ago, but his name is still thrown around in the world today whenever a disaster or global event occurs. From his work as a doctor fighting against the plague with mixed success to becoming the physician of the French royal family, this is a tale of an individual who was not afraid to reveal his true self at a time when this was certainly frowned upon. Inside you will read about... - Early Years as a Doctor - Altercation with the Inquisition - The Start of the Occult - The Prophet of Satan - Nostradamus' Predictions - Sharlatan or Visionary And much more! The story of Nostradamus is tougher to determine than one would have ever imagined. Considering the books that have been written about his predictions, his own story is often shrouded in mystery. That is a mystery which

we are going to attempt to undo as far as the historical sources will allow us. How exactly did this man go from a small village in the south of France to becoming one of the most famous people alive at the time? How has he managed to stay relevant in the world today? Was he as good at predicting the future as some believed him to be? These are all pertinent questions, and by the end of this book, you will have hopefully been able to piece together some of the answers to the questions that you have about the individual known simply as, Nostradamus.

Greetings and happiness to Cesar Nostradamus my son. Your late arrival, Cesar Nostredame, my son, has made me spend much time in constant nightly reflection so that I could communicate with you by letter and leave you this reminder, after my death, for the benefit of all men, of which the divine spirit has vouchsafed me to know by means of astronomy. And since it was the Almighty's will that you were not born here in this region and I do not want to talk of years to come but of the months during which you will struggle to grasp and understand the work I shall be compelled to leave you after my death: assuming that it will not be possible for me to leave you such writing as may be destroyed through the injustice of the age. The key to the hidden prediction which you will inherit will be locked inside my heart. Also bear in mind that the events here described have not yet come to pass, and that all is ruled and governed by the power of Almighty God, inspiring us not by bacchic frenzy nor by enchantments but by astronomical assurances: predictions have been made through the inspiration of divine will alone and the spirit of prophecy in particular. On numerous occasions and over a long period of time I have predicted specific events far in advance, attributing all to the workings of divine power and inspiration, together with other fortunate or unfortunate happenings, foreseen in their full unexpectedness, which have already come to pass in various regions of the earth. Yet I have wished to remain silent and abandon my work because of the injustice not only of the present time but also for most of the future. I will not commit to writing.

The Vaticinia Michaelis Nostradami de Futuri Christi Vicarii ad Cesarem Filium D. I. A. Interprete (The Prophecies of Michel Nostradamus on The Future Vicars of Christ to Cesar His Son, As Expounded by Lord Abbot Joachim), or Vaticinia Nostradami (The Prophecies of Nostradamus) for short, is a collection of eighty watercolor images compiled as an illustrated codex. A version of the well-known Vaticinia de Summis Pontificibus of the 13th-14th century, it was discovered in 1994 by the Italian journalists Enza Massa and Roberto Pinotti in the Biblioteca Nazionale Centrale di Roma (Central National Library) in Rome, Italy. The document can be found in the library under the title Fondo Vittorio Emanuele 307.

The Complete Prophecies of Nostradamus

The Complete Works of Nostradamus

Has Nostradamus predicted the coming Apocalypse along with a thousand other great events? Published here are the hard to find original English translations from 1672 to help answer that question.

The complete quatrains brought down to Earth in a modern prophetic way. Meanings and interpretations that will last for all eternity. Large print and easy to understand why some things work, even when we cannot see it.

We all know the name Nostradamus, but who was he really? Why did his predictions become so influential in Renaissance Europe and then keep resurfacing for nearly five centuries? And what does Nostradamus's endurance in the West say about us and our own world? In *Nostradamus: How an Obscure Renaissance Astrologer Became the Modern Prophet of Doom*, historian Stéphane Gerson takes readers on a journey back in time to explore the life and afterlife of Michel de Nostredame, the astrologer whose Prophecies have been interpreted, adopted by successive media, and eventually transformed into the Gospel of Doom for the modern age. Whenever we seem to enter a new era, whenever the premises of our worldview are questioned or imperiled, Nostradamus offers certainty and solace. In 1666, guests at posh English dinner parties discussed his quatrain about the Great Fire of London. In 1942, the Jewish writer Irène Némirovsky latched her hopes for survival to Nostradamus' prediction that the war would soon end. And on September 12, 2001, teenagers proclaimed on the streets of Brooklyn that "this guy, Nostradamus" had seen the 9/11 attacks coming. Through prodigious research in European and American archives, Gerson shows that Nostradamus — a creature of the modern West rather than a vestige from some antediluvian era — tells us more about our past and our present than about our future. In chronicling the life of this mystifying figure and the lasting fascination with his predictions, Gerson's book becomes a historical biography of a belief: the faith that we can know tomorrow and master our anxieties through the powers of an extraordinary but ever more elusive seer.

The ability to see into the future and to accurately predict events has fascinated and yet frightened man for thousands of years. As far back as 4,000 BC the Sumerians consulted sages who would pronounce on important matters and advise on courses of action. In this riveting new account, the predictions of the most famous sages and seers from the...

The Essential Nostradamus

A Life from Beginning to End

Complete Prophecies of Nostradamus

Conversations with Nostradamus: Volume 2

The Code That Unlocks the Secrets of the Master Prophet

The prophecies of Nostradamus concerning political upheavals, nuclear warfare, and the near-destruction of mankind before the end of the twentieth century are interpreted in light of contemporary technology and world history

From his predictions about life and death in the Middle French court of Catherine de' Medici to his uncannily suggestive preconceptions of World War II, Michel de Nostradamus has aroused continual fascination-and commercialization-in the West. Today, many search his elliptical "centuries"-or collected verses-for new truths about 9/11 and End Times, while supermarket tabloids routinely falsify and exploit his pronouncements. What is the difference between prophecy and prediction, and how has it led to a misuse of the ideas of Nostradamus, as well as those of other post-biblical prognosticators? What is the nature of the oracular tradition in the West-stretching back to the oracle at Delphi-and how can Nostradamus be understood from this perspective? In *The Essential Nostradamus*, the highly regarded spiritual thinker and writer Richard Smoley provides a true sourcebook in the life and messages of one of history's most peculiar figures. This volume offers a host of advantages beyond other collections of Nostradamus's work. Many commentators on Nostradamus take liberties in their translations, further confusing the matter of what the prophetic quatrains actually said. In *The Essential Nostradamus*, Smoley presents a fresh, scholarly, and literal translation of Nostradamus's Middle French, allowing readers to make their own determination as to the passages' historical references and accuracy. Smoley also supplies detailed commentary on Nostradamus's key quatrains, with a sharp eye toward the political and social events of the writer's era-elements that many commentators overlook or fail to grasp. An authoritative biographical essay-highlighting Nostradamus's separate roles as physician, astrologer, and prognosticator-rounds out the volume to create a truly essential exposition of the work of one of Western culture's most mysterious men.

Features the unknown and unpublished manuscript by the prophet Nostradamus, as found by the members of the Italian National Library in 1994 buried in their archives.

Who wouldn't want to know the answer to the question: "WHAT WILL HAPPEN NEXT?" For hundreds of years, philosophers, scientists, and mystics have studied the enigmatic writings of the great prognosticator Nostradamus for clues as to what our future holds. Drawing upon recent investigations undertaken by government agencies, major corporations, and noted works by world-renowned researchers, this book contains never-before revealed

Greetings and happiness to Ce sar Nostradamus my sonYour late arrival, Ce sar Nostredame, my son, has made me spend much time in constant nightly reflection so that I could communicate with you by letter and leave you this reminder, after my death, for the benefit of all men, of which the divine spirit has vouchsafed me to know by means of astronomy.And since it was the Almighty's will that you were not born here in this region [Provence] and I do not want to talk of years to come but of the months during which you will struggle to grasp and understand the work I shall be compelled to leave you after my death: assuming that it will not be possible for me to leave you such [clearer] writing as may be destroyed through the injustice of the age [1555]. The key to the hidden prediction which you will inherit will be locked inside my heart.Also bear in mind that the events here described have not yet come to pass, and that all is ruled and governed by the power of Almighty God, inspiring us not by bacchic frenzy nor by enchantments but by astronomical assurances: predictions have been made through the inspiration of divine will alone and the spirit of prophecy in particular.On numerous occasions and over a long period of time I have predicted specific events far in advance, attributing all to the workings of divine power and inspiration, together with other fortunate or unfortunate happenings, foreseen in their full unexpectedness, which have already come to pass in various regions of the earth. Yet I have wished to remain silent and abandon my work because of the injustice not only of the present time [the Inquisition] but also for most of the future. I will not commit to writing.Since governments, sects and countries will undergo such sweeping changes, diametrically opposed to what now obtains, that were I to relate events to come, those in power now - monarchs, leaders of sects and religions - would find these so different

Nostradamus began to write his prophetic verses in the city of Salon, in 1554. They are divided into ten sections called Centuries (which refers to the number of verses in each section, not to a unit of 100 years). The Centuries were

published in 1555 and 1558, and have been in print continuously ever since. Nostradamus had the visions which he later recorded in verse while staring into water or flame late at night, sometimes aided by herbal stimulants, while sitting on a brass tripod. The resulting quatrains (four line verses) are oblique and elliptical, and use puns, anagrams and allegorical imagery. Most of the quatrains are open to multiple interpretations, and some make no sense whatsoever. Some of them are chilling, literal descriptions of events, giving specific or near-specific names, geographic locations, astrological configurations, and sometimes actual dates. It is this quality of both vagueness and specificity which allows each new generation to reinterpret Nostradamus.

A Thirty year old man who lost his memory Tries to find his identity.He finds a letter that tells him, his name is George Jackson. But the person who can help him Mr. Fukner is murdered. Mean while he gets to know a beautiful girl, Elena, who is trying to find The 58 missing prophecies of Nostradamus. Instead of finding Something about his past, he joins the girl to travel to space black hole in order to find the prophecies But fate has some Thing else for him. It's a story of love, passion, and mystery, it's about a man who falls in love with a girl he doesn't know and follows her to the space black hole to find Nostradamus'prophecies.

The first major literary presentation of Nostradamus's Prophecies, newly translated and edited by prizewinning scholars The mysterious quatrains of the sixteenth-century French astrologer Nostradamus have long proved captivating for their predictions. Nostradamus has been credited with anticipating the Great Fire of London, the rise of Adolf Hitler, and the September 11 terrorist attacks. Today, as the world grapples with financial meltdowns, global terrorism, and environmental disasters—as well as the Mayan prediction of the apocalypse on December 21, 2012—his prophecies of doom have assumed heightened relevance. How has The Prophecies outlasted most books from the Renaissance? This edition considers its legacy in terms of the poetics of the quatrains, published here in a brilliant new translation and with introductory material and notes mapping the cultural, political, and historical forces that resonate throughout Nostradamus's epic, giving it its visionary power. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Nostradamus and His Prophecies

Illustrated

His Prophecies Explained

The Top 100 Prophecies

Michel de Nostredame (depending on the source, 14 or 21 December 1503- 2 July 1566), usually Latinised as Nostradamus, was a French physician and reputed seer who published collections of prophecies that have since become widely famous. He is best known for his book Les Propheties, the first edition of which appeared in 1555. Since the publication of this book, which has rarely been out of print since his death, Nostradamus has attracted a following that, along with much of the popular press, credits him with predicting many major world events. Most academic sources maintain that the associations made between world events and Nostradamus's quatrains are largely the result of misinterpretations or mistranslations (sometimes deliberate) or else are so tenuous as to render them useless as evidence of any genuine predictive power. In The Prophecies Nostradamus compiled his collection of major, long-term predictions. The first installment was published in 1555 and contained 353 quatrains. The third edition, with three hundred new quatrains, was reportedly printed in 1558, but now only survives as part of the omnibus edition that was published after his death in 1568. This version contains one unrhymed and 941 rhymed quatrains, grouped into nine sets of 100 and one of 42, called "Centuries". Given printing practices at the time (which included type-setting from dictation), no two editions turned out to be identical, and it is relatively rare to find even two copies that are exactly the same. Certainly there is no warrant for assuming--as would-be "code-breakers" are prone to do--that either the spellings or the punctuation of any edition are Nostradamus' originals. The Almanacs, by far the most popular of his works, were published annually from 1550 until his death. He often published two or three in a year, entitled either Almanachs (detailed predictions), Prognostications or Presages (more generalised predictions). Nostradamus was not only a diviner, but a professional healer. It is known that he wrote at least two books on medical science. One was an extremely free translation (or rather a paraphrase) of The Protreptic of Galen (Paraphrase de C. GALIEN, sus l'Exhortation de Menodote aux estudes des bonnes Artz, mesmement Medicine), and in his so-called Traité des fardemens (basically a medical cookbook containing, once again, materials borrowed mainly from others) he included a description of the methods he used to treat the plague, including bloodletting, none of which apparently worked. The same book also describes the preparation of cosmetics. A manuscript normally known as the Orus Apollo also exists in the Lyon municipal library, where upwards of 2,000 original documents relating to Nostradamus are stored under the aegis of Michel Chomarat. It is a purported translation of an ancient Greek work on

Egyptian hieroglyphs based on later Latin versions, all of them unfortunately ignorant of the true meanings of the ancient Egyptian script, which was not correctly deciphered until Champollion in the 19th century. Since his death, only the Prophecies have continued to be popular, but in this case they have been quite extraordinarily so. Over two hundred editions of them have appeared in that time, together with over 2,000 commentaries. Their persistence in popular culture seems to be partly because their vagueness and lack of dating make it easy to quote them selectively after every major dramatic event and retrospectively claim them as "hits".

Translated from Prophéties (The Prophecies) is a collection of prophecies by French physician Nostradamus, the first edition of which appeared in 1555 by the publishing house Macé Bonhomme. His most famous work is a collection of poems, quatrains, united in ten sets of verses ("Centuries") of 100 quatrains each.

Mario Reading has established a reputation as an original and ground-breaking expert on Nostradamus. He is author of the bestselling Nostradamus: The Complete Prophecies for the Future and Nostradamus: The Good News and has translated and written the ultimate collection of Nostradamus's prophecies in The Complete Nostradamus. His Nostradamus Trilogy thrillers based on the theme of Nostradamus's 58 missing prophecies is an international bestseller, with rights sold in 38 countries. He has appeared in several television programmes on Nostradamus for The Discovery Channel, the National Geographic Channel and the History Channel, and has been voted into the Top 100 Spiritually Influential Living People by Mind, Body, Spirit magazine

Originally printed in 1989 each edition has added updates of events predicted by Nostradamus that have occurred since the last edition. For this newest edition regressionist and psychic researcher Dolores Cannon has written an extensive addendum that covers evidence of the fulfilment of the prophecies predicted by Nostradamus. Secret weapons computers the World Wide Web and the New Science of Nano-technology are included among the new topics covered. Nostradamus broke through to our time period by a one-in-a-million chance contact through hypnosis. In this series the master himself explains the puzzles he carefully concealed in code within his famous quatrains or prophecies. Contains 136 quatrains.

How an Obscure Renaissance Astrologer Became the Modern Prophet of Doom

Nostradamus For Dummies

The Illustrated Edition

Nostradamus 2242 Judgment Day

A Dual-Language Edition with Parallel Text

Among those legendary for possessing the gift of foresight, Nostradamus stands above all. A prolific writer of occult almanacs, his most famous work is Centuries: 942 gnomic verses, known as quatrains, that have intrigued people for nearly half a millennium. Nostradamus: The Top 100 Prophecies is a carefully selected and beautifully illustrated selection of these quatrains, arranged in thematic order. Ranging from "Disaster and Destruction" to "Tyrants, Statesmen and Heroes," each quatrain is presented in French along with an insightful English translation accompanied by an incisive commentary. The evocative illustrations include superb, specially commissioned artwork in a highly original and appealing style. This compelling collection is an amazing list of some of history's greatest moments. From the Great Plague of London in 1665-1666 to the Fall of the Third Reich in 1945, the Gulf War in 1990 to the World Financial Crisis of 2007, each event discussed here—as well as those that have not yet happened—was foretold by the greatest oracle of all time.

Here are the complete prophecies of Nostradamus. Nostradamus is the best known and most accurate mystic and seer of all times. There are those who say that he predicted Napoleon and even the attack on the World Trade Center. Read the prophecies and judge for yourself.
