

For three decades, state-sponsored short filmmaking educated Danish citizens, promoted Denmark to the world, and shaped the careers of renowned directors like Carl Th. Dreyer. The first book-length study in English of a national corpus of state-sponsored informational film, this book traces how Danish shorts on topics including social welfare, industry, art and architecture were commissioned, funded, produced and reviewed from the inter-war period to the 1960s. Examining the life cycle of a representative selection of films, and discussing their preservation and mediation in the digital age, this book presents a detailed case study of how informational cinema is shaped by, and indeed shapes, its cultural, political and technological contexts.

#1 New York Times Bestseller - Winner of the Pulitzer Prize - Winner of the National Book Award - Winner of the Andrew Carnegie Medal for Excellence in Fiction - Longlisted for the Man Booker Prize One of the Best books of the Year: The New York Times, The Washington Post, NPR, The Boston Globe, The Seattle Times, HuffPost, Esquire, Minneapolis Star Tribune Look for Whitehead's acclaimed new novel, *The Nickel Boys*, available now *Cora* is a young slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood--where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. *The Underground Railroad* is both the gripping tale of one woman's will to escape the horrors of bondage--and a powerful meditation on the history we all share.

With the 11th edition, focus turns back to the student in nurse practitioner, physician's assistant, and medical programs. The text continues be a trusted reference for nursing and medical students as well as practitioners. The art program has been revised to bring greater consistency and currency to the illustrations. Many photographs, particularly those depicting skin conditions, are being replaced with newer photos of higher quality. The well-respected and highly useful layout and organization of the book are retained. Each chapter has been reviewed and revised to keep the text up-to-date. The following features, long admired among dedicated Bates' users are also retained: · Detailed, beautifully depicted Tables of Abnormalities · Extensive Pediatric chapter · Illustrated Anatomy and Physiology review begins each chapter · Important information on Interviewing Techniques and Patient Communication · Outstanding line art program · Two-column format as guide for physical assessment · Useful Clinical tips throughout The ancillary assets are also being updated to redirect the focus toward higher level nursing students and medical students.

This volume examines biblical wisdom literature both in its historical context and as it relates to a host of contemporary themes, including overcoming social divisions, reading from a place of inclusion, healing from trauma, and challenging religious attitudes toward climate change and animals. This volume delivers fresh insights on biblical wisdom texts, exploring ways in which wisdom literature speaks perennially to the human condition despite the differences in societies then and now. Employing both biblical studies and theological approaches, the diverse group of authors in this collection examine biblical wisdom literature from a variety of perspectives and methodologies to illuminate the relevance of wisdom for ancient audiences such as exiles, scribes, and leaders, as well as for contemporary audiences concerned with challenges such as climate change, social division, and healing from trauma. Its eleven chapters utilize an accessible style that brings erudite scholarship on biblical wisdom to a broader audience. *Biblical Wisdom, Then and Now* will be an invaluable resource for undergraduates, graduates, and specialists in biblical studies, as well as the more general reader with an interest in biblical literature and its reception.
