

Notebook For New Job 6 X 9 108 Lined Pages Diary Notebook Journal

Looking for the perfect new hire gift? You don't need to look any further! This notebook is a fun and practical gift. New employees can use it at work and for personal use as well. There are 36 pages for login information for different websites. Each page allows the user to update the password with new ones as they are changed for security reasons. We have also included a Table of Contents for these password pages. These can be used for email, credit card, salesforce and other login sites. The employee can even use extra for personal passwords if they like! The second section allows the new employee to write down contact info for 44 people they meet at the company. Finally, there is a notetaking section that can be written in during training or for other notes. This journal will definitely get that new hire off to great start!
