Will the truth harm them -- or save them? When Nigeria's corrupt military government kills their mother, twelve-year-old Sade and her brother Femi think their lives are over. Out of fear for their safety, their father, an outspoken journalist, decides to smuggle the children out of Nigeria and into London, where their uncle lives. But when they get to the cold and massive city, they find themselves lost and alone, with no one to trust and no idea when -- or if -- they will ever see their father again. *The Other Side of Truth* is a gripping adventure story about courage, family, and the power of truth.

In an era of skyrocketing tuition and concern over whether college is “worth it,” *Paying for the Party* is an indispensable contribution to the dialogue assessing the state of American higher education. A powerful exposé of unmet obligations and misplaced priorities, it explains in detail why so many leave college with so little to show for it.

The supplemental instructor's materials provide clear-cut solutions to assignment materials. Music in Theory and Practice is a well-rounded textbook that integrates the various components of musical structure and makes them accessible to students at the undergraduate level.

A Time Best YA Book of All Time (2021) Two teens must learn the "art of killing" in this Printz Honor-winning book, the first in a chilling new series from Neal Shusterman, author of the New York Times bestselling Unwind dystology. A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control. Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. These teens must master the "art" of taking life, knowing that the consequence of failure could mean losing their own. Scythe is the first novel of a

thrilling new series by National Book Award–winning author Neal Shusterman in which Citra and Rowan learn that a perfect world comes only with a heavy price.

Carefully edited for modern readers to allow for easier reading Obsessed with the secret of creation, Swiss scientist Dr. Victor Frankenstein cobbles together a body he's determined to bring to life. And one fateful night, he does. When the creature opens his eyes, the doctor is repulsed: his vision of perfection is, in fact, a hideous monster. Dr. Frankenstein abandons his creation, but the monster won't be ignored, setting in motion a chain of violence and terror that shadows Victor to his death. Mary Shelley's Frankenstein, a gripping story about the ethics of creation and the consequences of trauma, is one of the most influential Gothic novels in British literature. It is as relevant today as it is haunting.

“Intelligent and entertaining.” —Kirkus Reviews (starred review) “Even better than the first book.” —School Library Journal (starred review) Rowan and Citra take opposite stances on the morality of the Scythedom, putting them at odds, in the chilling sequel to the Printz Honor Book Scythe from

New York Times bestseller Neal Shusterman, author of the Unwind dystology. Humans learn from their mistakes. I cannot. I make no mistakes. The Thunderhead is the perfect ruler of a perfect world, but it has no control over the scythedom. A year has passed since Rowan had gone off grid. Since then, he has become an urban legend, a vigilante snuffing out corrupt scythes in a trial by fire. His story is told in whispers across the continent. As Scythe Anastasia, Citra gleans with compassion and openly challenges the ideals of the “new order.” But when her life is threatened and her methods questioned, it becomes clear that not everyone is open to the change. Old foes and new enemies converge, and as corruption within the Scythedom spreads, Rowan and Citra begin to lose hope. Will the Thunderhead intervene? Or will it simply watch as this perfect world begins to unravel?

The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the

hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? "Lord, Whatever It Takes, Make Me Like You!" You long to serve God with grace and strength, to reflect Christ in every word and action. Yet you find yourself continually struggling to bring that vision to life in your daily walk. At our very core, every one of us is a "twisted sister" within whom the flesh and spirit battle constantly for control. We are afflicted with spiritual schizophrenia, the disconnect between our "good girl" desire to put Jesus first and our "bad girl" realities that crowd our thoughts and push him out of the way. In this life-changing

book, Joanna Weaver, author of the perennial bestseller, *Having a Mary Heart in a Martha World*, directs your gaze past your own shortcomings to the God who stands ready, willing, and able to make a new woman out of you. She equips you with biblical insights and practical tools to partner with Christ, inviting him into the hidden places of your soul and giving him full permission to redeem and renovate. Drawing on the stories of biblical Marys and others whose experience with God transformed their lives, Joanna shows how you can find the hope, healing, wholeness, and joy your heart longs for. Having a Mary Spirit will launch you toward lasting personal transformation—soul-deep change that results in a complete makeover, from the inside out.

Elizabeth, as they drove along, watched for the first appearance of Pemberley Woods with some perturbation; and when at length they turned in at the lodge, her spirits were in a high flutter. The park was very large, and contained great variety of ground. They entered it in one of its lowest points, and drove for some time through a beautiful wood stretching over a wide extent. Elizabeth's mind was too full for conversation, but she saw and admired every remarkable spot and point of view. They gradually ascended for half a mile, and then found themselves at the top of a considerable eminence, where the wood ceased, and the eye was instantly caught by Pemberley House, situated on the opposite side of the valley, into which the road with some abruptness wound. It was a large, handsome stone building, standing well on rising ground, and backed by a ridge of high woody hills; and in front a stream of some natural importance was swelled into greater, but without any artificial appearance. Its banks were neither formal nor falsely adorned. Elizabeth was delighted. She had never seen a place for which VOL. moment she felt that to be mistress of Pemberley might be something! They descended the hill, crossed the bridge, and drove to the door; and while examining the nearer aspect of the house, all her apprehension of meeting its owner returned. She dreaded lest the chambermaid had been mistaken. On applying to see the place, they were admitted into the hall; and Elizabeth, as they waited for the housekeeper, had leisure to wonder at her being where she was. The...

In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to

the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. “I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world.”—Walt Whitman, “Song of Myself,” *Leaves of Grass*

The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of

the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a

small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

In today's world we need Christians and churches willing to break out of the normal patterns of religion and tradition to impact and reach the world. *Ordinary People, Extraordinary Power* gives a strong case for the apostolic culture as a criterion for change in the church today. A culture is a way of life of a group of people—the behaviors, beliefs, values, and symbols that they accept, generally without thinking about them, and that are passed along by communication and imitation from one generation to the next. An apostolic culture is simply the ways, beliefs, behavior, and values of God's people. It is a culture of power and the Holy Spirit. Apostolic leaders will impart power and authority to the members. Believers need to be activated to heal, deliver, prophesy, and preach. They must be activated to demonstrate the kingdom. The apostolic culture includes worship, deliverance,

apostolic teams, prophecy, ordaining, establishing, pioneering, evangelizing, prayer, teaching, helps, governments, missions, healing, the Gifts of the Spirit, holiness, impartation, and church government. All of these will be discussed in this book in order to help leaders and believers move in apostolic power and authority.

What does the gift giver say about the gift He gave? This book will help you overcome the arguments, fears, and anxieties related to this gift. FEATURES AND BENEFITS Shares the author's personal testimony and spiritual journey with speaking in tongues Examines the history of this gift in the church for the past two thousand years Interacts with those who have denied that this gift is valid for today's church Speaks to the relationship between Spirit baptism, Spirit filling, and the gift of tongues Few other issues have separated the church more than the issue of tongues. Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit. What does the gift giver say about the gift He gave? Storms seeks to bring balance to this subject in The Language of Heaven as he wrestles with this sensitive issue experientially as well as theologically. He ultimately provides a platform to allow God to speak for Himself as he addresses every text of Scripture on the subject and engages with every theological issue that speaking in tongues provokes. As a pastor, Storms knows the questions that the typical churchgoer is asking and provides clear and accessible answers to them all, including: Is the gift of tongues for every Christian or only some? How does the gift of tongues operate in the life of the believer

individually in private practice? How does the gift of tongues operate in the corporate assembly of God's church? How is the Christian edified and strengthened by praying in tongues? How do I pray for the gift and prepare my heart to receive it? You can overcome the arguments, fears, and anxieties related to this spiritual gift. Remember, God gives only good gifts, and it is His intention that His church utilize all that He has provided so that we might experience all that He is.

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most

mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

With the *Handbook of Action Research* hailed as a turning point in how action research is framed and understood by scholars, this student edition has been structured to provide an easy inroad into the field for researchers and students. It includes concise chapter summaries and an informative introduction that draws together the different strands of action research and reveals their diverse applications as well as their interrelations. Divided into four parts, there are important themes of thinking and practice running throughout.

With nearly a million copies sold, Joanna Weaver's popular book shows women how to blend intimacy with Jesus and service for Him. An invitation for every woman who feels she isn't godly enough... isn't loving enough... isn't doing enough. The life of a woman today isn't really all that different from that of Mary and Martha in the New Testament. Like Mary, you long to sit at the Lord's feet... but the daily demands of a busy world just won't leave you alone. Like Martha, you love Jesus and really want to serve him... yet you struggle with weariness, resentment, and feelings of inadequacy. Then comes Jesus, right into the midst of your busy Mary/Martha life-and he extends the same

invitation he issued long ago to the two sisters of Bethany. Tenderly he invites you to choose "the better part"-a joyful life of "living-room" intimacy with him that flows naturally into "kitchen service" for him. How can you make that choice? With her fresh approach to the familiar Bible story and its creative, practical strategies, Joanna shows how all of us -Marys and Marthas alike- can draw closer to our Lord, deepening our devotion, strengthening our service, and doing both with less stress and greater joy. This book includes a twelve-week Bible study. Also look for the ten-week DVD study pack companion product to this book, which includes three DVDs and a separate, revised and expanded study guide.

*right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times *Includes a double bonus: an excerpt from Small Steps, the follow-up to Holes, as well as an excerpt from the New York Times bestseller Fuzzy Mud.*

Set at a boys' boarding school in New England during the early years of World War II, A Separate Peace is a harrowing and luminous parable of the dark side of adolescence. Gene is a lonely, introverted intellectual. Phineas is a handsome, taunting, daredevil athlete. What happens between the two friends one summer, like the war itself, banishes the innocence of these boys and their world.

The Scarlet Letter A Romance I Know Why the Caged Bird Sings Random House

A daring post-apocalyptic novel from a powerful rising literary voice With winter looming, a small northern Anishinaabe community goes dark. Cut off, people become passive and confused. Panic builds

as the food supply dwindles. While the band council and a pocket of community members struggle to maintain order, an unexpected visitor arrives, escaping the crumbling society to the south. Soon after, others follow. The community leadership loses its grip on power as the visitors manipulate the tired and hungry to take control of the reserve. Tensions rise and, as the months pass, so does the death toll due to sickness and despair. Frustrated by the building chaos, a group of young friends and their families turn to the land and Anishinaabe tradition in hopes of helping their community thrive again. Guided through the chaos by an unlikely leader named Evan Whitesky, they endeavor to restore order while grappling with a grave decision. Blending action and allegory, Moon of the Crusted Snow upends our expectations. Out of catastrophe comes resilience. And as one society collapses, another is reborn.

Great Expectations is the thirteenth novel by Charles Dickens and his penultimate completed novel. It depicts the education of an orphan nicknamed Pip. It is Dickens's second novel, after David Copperfield, to be fully narrated in the first person.

A Prince and a Pauper Jemmy, once a poor boy living on the

streets, now lives in a castle. As the whipping boy, he bears the punishment when Prince Brat misbehaves, for it is forbidden to spank, thrash, or whack the heir to the throne. The two boys have nothing in common and even less reason to like one another. But when they find themselves taken hostage after running away, they are left with no choice but to trust each other.
