Documentation

Handbook Book

environment, and the  
client's

psychological status,

it includes full care

plans for over 50

illnesses and

conditions most

commonly

encountered in the

home. Each plan

lists nursing

diagnoses, short- and

File Type PDF

Nursing

Documentation  
Handbook Book

long-term expected outcomes, nursing interventions, and client caregiver interventions. Care plans are organized by body systems to allow for quick retrieval of information. Both short-term and long-term outcomes are

File Type PDF

Nursing

Documentation  
Handbook Book  
included in the care  
plans to aid

evaluation of the  
care provided.

Detailed assessment  
guidelines are  
provided for all body  
systems to facilitate  
complete and  
comprehensive  
client examinations.

Guidelines for

File Type PDF

Nursing

Documentation

Handbook Book

environmental and safety assessments aid in the appraisal and improvement of clients' living conditions. Client and caregiver interventions are outlined in the care plans to promote active client participation in self-

Handbook Book  
essential partner for  
creating a CDI

program, staffing  
your program,  
querying physicians,  
and understanding  
how documentation  
affects code  
selection and data  
quality As a CDI  
specialist you need  
answers now In light

File Type PDF

Nursing

Documentation

of Medicare Severity  
DRGs (MS-DRG),  
detailed

documentation and  
accurate capture of  
complications and  
comorbidities (CCs)  
has made the CDI  
specialist's role more  
important and more  
demanding than  
ever. This handbook

File Type PDF

Nursing

Documentation  
Handbook Book

will enhance your ability to gather the right information the first time--and every time Author Colleen Garry, RN, BS, has compiled case studies that document best practices and reference several different CDI
