with terror, our relationship to money and work defines our daily lives. Yet, most of us don't really know what we want from work or how the time we devote to making money relates to the "rest" of our lives. How Much Is Enough? urges us to step back and ask how money and success point us toward a sense

of accomplishment and a feeling of self-worth. In this path-breaking book, executive coach and consultant Dr. Pamela York Klainer shows us how to improve our often-troubled relationship to money. Supported by real-life anecdotes and time-tested insights, Klainer uses "money" as a window into the core

Based on her experience as a consultant to thousands of leaders in fast-growing companies, Klainer offers a practical framework for defining -and linking- money, the drive for success, and our longing for happiness. Millions

of us-from the boardroom to the home office-are shaken by turbulent markets and feel unable to shake the pressure to do more, better, faster.
