Ultimate Correctional Sergeants Exam Guide a comprehensive review for the exam entitled "New York State's First-Line Correctional Supervisors Test." You have bought the most advanced book ever published for this promotional exam. The purpose of this book is to provide the reader with an outline of the above entitled exam as well as a powerful and comprehensive system for learning the New York State Commission of Corrections Minimum Standards. Combining the information from the test guide provided by the New York State Department of Civil Service, this guide will prove invaluable for anyone studying for the above entitled exam. This book has been carefully designed to reinforce your understanding of the laws behind the New York State Commission of Corrections

Minimum Standards so that you are better equipped to take the promotional exam. This book will also help you to perform your job to the best of your ability. Let's face it - whether you like it or not, the New York State Commission of Corrections Minimum Standards are the laws of the State of New York. If you do not know these rules and guidelines, you may be in violation of the law- potentially causing yourself unnecessary liability. As a corrections professional, you owe it to yourself to know these rules inside and out. The reason that I sat down and compiled this information is because while I was studying the New York State Commission of Corrections Minimum Standards, I had a hard time reading through the boring page after page of legal terminology. So as a study guide for myself, I

Access Free Nys Civil Service Study Guides

decided to break down the information into smaller pieces so that I could better understand the information. The end result is this study guide! Besides being a terrific study guide for the above entitled promotional exam, this book is also an excellent guide for any person seeking a better understanding of the complex laws that govern most county correctional facilities in New York State. I hope that this book will give you the edge that you need in order to score those few extra points that could make a difference for you in your career. My motto is "Score Higher-Get Hired!"
