Excerpt from Novena in Honor of Our Lady of Perpetual Help Behold at Thy feet, O Mother of Perpetual Help, a wretched sinner who has recourse to Thee and confides in Thee. O Mother of mercy, have pity on me I hear Thee called by all the refuge and the hope of sinners, be then, my refuge and my hope. Assist me for the love of Jesus Christ; stretch forth Thy hand to a miserable, Fallen creature who recommends himself to Thee, *and who devotes himself to Thy service foreverw I bless and I thank Almighty God, Who in His mercy has given me this confidence in Thee, which I hold to be a pledge of my eternal salvation. It is true, dearest Mother, that in the past I have miser ably fallen into sin because had not recourse to Thee. I know, however, that with Thy help I shall conquer, I know, too, that Thou wilt assist me if only recommend myself to Thee. But I fear, dear Mother, that in time of danger I may neglect to call on Thee and thus lose my soul. This grace, then, I ask of Thee; f and this I beg with all the fervor of my'soul, that in all the attacksiof hell may ever have recourse to Thee. O Mary. It was on the 12th of May 1853, that the decree was pronounced at Rome, declaring his writings to be exempt from all error which could be a bar to his canonisation. In this very treatise on the veritable devotion to our Blessed Lady, he has recorded this prophecy: "I clearly foresee that raging brutes will come in fury to tear with their diabolical teeth this little writing, and him whom the Holy Ghost has made use of to write it; or at least to envelop it in the silence of a coffin, in order that it may not appear." Nevertheless, he prophesies both its appearance and its success. All this was fulfilled to the letter. The author died in 1716, and the treatise was found by accident by one of the priests of his congregation at St. Laurent-sur-Seine, in 1842. The existing superior was able to attest the handwriting as being that of the venerable founder, and the autograph was sent to Rome, to be examined in the process of canonisation.All those who are likely to read this book love God, and lament that they do not love Him more, all desire something for His glory-the spread of some good work, the success of some devotion, the coming of some good time. One man has been striving for years to overcome a particular fault, and has not succeeded. Another mourns, and almost wonders while he mourns, that so few of his relations and friends have been converted to the faith. One grieves that he has not devotion enough; another that he has a cross to carry, which is a peculiarly impossible cross to him; while a third has domestic troubles and family unhappineses, which feel almost incompatible with his salvation; and for all these things prayer appears to bring so little remedy. But what is the remedy that is wanted? What is the remedy indicated by God Himself? If we may rely on the disclosures of the Saints, it is an immense increase of devotion to our Blessed Lady; but, remember, nothing short of an immense one.

Named a Favorite Book for Southerners in 2020 by Garden & Gun "Donovan is such a vivid writer—smart, raunchy, vulnerable and funny—that if her vaunted caramel cakes and sugar pies are half as good as her prose, well, I'd be open to even giving that signature buttermilk whipped cream she tops her desserts with a try."—Maureen Corrigan, NPR Noted chef and James Beard Award-winning essayist Lisa Donovan helped establish some of the South's most important kitchens, and her pastry work is at the forefront of a resurgence in traditional desserts. Yet Donovan struggled to make a living in an industry where male chefs built successful careers on the stories, recipes, and culinary heritage passed down from generations of female cooks and cooks of color. At one of her career peaks, she made the perfect dessert at a celebration for food-world goddess Diana Kennedy. When Kennedy asked why she had not heard of her, Donovan said she did not know. "I do," Kennedy said, "Stop letting men tell your story." OUR LADY OF PERPETUAL HUNGER is Donovan's searing, beautiful, and searching chronicle of reclaiming her own story and the narrative of the women who came before her. Her family's matriarchs found strength and passion through food, and they inspired Donovan's accomplished career. Donovan's love language is hospitality, and she wants to welcome everyone to the table of good food and fairness. Donovan herself had been told at every juncture that she wasn't enough: she came from a struggling southern family that felt ashamed of its own mixed race heritage and whose elders diminished their women. She survived abuse and assault as a young mother. But Donovan's salvations were food, self-reliance, and the network of women in food who stood by her. In the school of the late John Egerton, OUR LADY OF PERPETUAL HUNGER is an unforgettable Southern journey of class, gender, and race as told at table.

This delightful rhyming book introduces Catholic children to the Blessed Virgin Mary in a fun and simple way--through her clothes! When Our Lady lived in Nazareth two thousand years ago, she was very poor and probably didn't have many nice things to wear. But now that she's in Heaven, she has an enormous mansion. And in that mansion she has an incredibly beautiful wardrobe filled with a great variety of dresses, veils, slippers, sashes, robes, rings and crowns. Over the centuries, Our Lady has visited the people of Earth many times. On each of these occasions she has dressed very differently. Our Lady's Wardrobe tells the story of some of her most famous apparitions, highlighting the clothes she wore and the things she did. By reading this book, children will not only learn about the Mother of God, but will also learn the main purpose of her life--to love and serve her son, Jesus Christ, and to lead others to do the same.

Nervous, inexperienced, confused. For most, losing your virginity is one of life's most significant moments, always to be remembered. Of course, experiences vary, but Laura Carpenter asks: Is there an ideal way to lose it? What would constitute a "positive" experience? What often compets the big step? And, further, what does "going all the way" really mean for young gays and lesbians? In this first comprehensive study of virginity loss, Carpenter teases out the complexities of all things virgin by drawing on interviews with both young men and women who are straight, gay or bisexual. Virginity Lost offers a rare window into one of life's most intimate and significant sexual moments. The stories here are frank, poignant and fascinating as Carpenter presents an array of experiences that run the gamut from triumphant to devastating. Importantly, Carpenter argues that one's experience of virginity loss can have a powerful impact on one's later sexual experiences. Especially at a time of increased debate about sexual abstinence versus safe sex education in public schools, this important volume will provide essential information about the sex lives of young people.

A flamboyant and controversial personality of enormous wit and intelligence, Voltaire remains one of the most influential figures of the eighteenth-century Enlightenment. Candide, his masterpiece, is a brilliant satire of the theory that our world is "the best of all possible worlds." The book traces the picaresque adventures of the guileless Candide, who is forced into the army, flogged, shipwrecked, betrayed, robbed, separated from his beloved Cunegonde, tortured by the Inquisition, et cetera, all without losing his resilience and will to live and pursue a happy life. This Modern Library edition, published to celebrate the seventy-fifth anniversary of Random House, is a facsimile of the first book ever released under the Random House colophon. It includes the timeless illustrations by Rockwell Kent, a twentieth-century artist whose wit and genius serve as a counterpart and compliment to Voltaire's.

"This is the first commentary on the Gospel of Mark to systematically apply a multidisciplinary approach, called 'socio-literary method.' Myers integrates literary criticism, socio-historical exegesis, and political hermeneutics in his investigation of Mark—the oldest story of Jesus—as 'manifesto of radical discipleship.'" –
