

Oblivion Song Vol 1

Nathan Cole faces Ghozan Dakuul with the fate of the Earth hanging in the balance! Where do things go from here? You will never guess!

It was another glorious victory for the Mighty Avengers. Good triumphed over evil and Ultron was shot into space, never to be seen again. Or so they thought. Now, years later, the homicidal artificial intelligence - so long devoted to ending life on Earth - has a new world to conquer...one with its own horrific legacy. When Titan, birthplace of Thanos, falls, Planet Ultron rises in its place! Thanos' brother Starfox must seek the aid of his former allies - but the Avengers he finds are radically different from the ones he once knew. Among them is Ultron's creator Giant-Man - and when Hank Pym confronts his now planet-sized "son," the responsibilities of fatherhood have never loomed so large. Rick Remender (Uncanny Avengers) and Jerome Opeña (Avengers) unleash the full robotic rage of Ultron on Earth's Mightiest Heroes!

The battle between Earth and the Kuthaal rages on across the globe! In Los Angeles, Nathan Cole stands alone, hoping to reverse the effects of this transference to save those people stranded in Oblivion, but are his efforts too little, too late?

The New York Times bestselling account of one of history's most brutal -- and forgotten -- massacres, when the Japanese army destroyed China's capital city on the eve of World War II In December 1937, one of the most horrific atrocities in the long annals of wartime barbarity occurred. The Japanese army swept into the ancient city of Nanking (what was then the capital of China), and within weeks, more than 300,000 Chinese civilians and soldiers were systematically raped, tortured, and murdered. In this seminal work, Iris Chang, whose own grandparents barely escaped the massacre, tells this history from three perspectives: that of the Japanese soldiers, that of the Chinese, and that of a group of Westerners who refused to abandon the city and created a safety zone, which saved almost 300,000 Chinese. Drawing on extensive interviews with survivors and documents brought to light for the first time, Iris Chang's classic book is the definitive history of this horrifying episode. "Chang vividly, methodically, records what happened, piecing together the abundant eyewitness reports into an undeniable tapestry of horror." - Adam Hochschild, Salon !-[if !supportAnnotations]-- !-[if !supportAnnotations]-- !-[endif]--
