Summary Spring Integration in Action is a hands-on guide to Spring-based messaging and integration.

After addressing the core messaging patterns, such

Acces PDF Oca Java Study Guide

as those used in transformation and routing, the book turns to the adapters that enable integration with external systems. Readers will explore real-world enterprise integration scenarios using

Acces PDF Oca Java Study Guide

JMS, Web Services, file systems, and email. They will also learn about Spring Integration's support for working with XML. The book concludes with a practical guide to advanced topics such as
