

comprehension. Case studies at the end of certain chapters illustrate principles and help you understand content as it relates to real-life situations. Multidisciplinary approach demonstrates the importance of collaboration between the OT and OTA by highlighting the OTA's role in caring for the elderly and how they work in conjunction with occupational therapists. Key terms, chapter objectives, and review questions are found in each chapter to help identify what information is most important. NEW! 20 Additional evidence briefs have been added to reinforce this book's evidence-based client-centered approach. NEW! Incorporation of EMR prevalence and telehealth as a diagnostic and monitoring tool have been added throughout this new edition. NEW! Expanded content on mild cognitive impairment, health literacy, and chronic conditions have been incorporated throughout the book to reflect topical issues commonly faced by OTs and OTAs today. NEW! Coverage of technological advancements has been incorporated in the chapter on sensory impairments. NEW! Other updated content spans public policy, HIPAA, power of attorney, advanced directives, alternative treatment settings, dignity therapy, and validation of the end of life. NEW! Merged chapters on vision and hearing impairments create one sensory chapter that offers a thorough background in both areas.

Exam Facts Certified Occupational Therapist (OTR) Exam Study Guide

The Official Study Guide from NBCOT for the Certified Occupational Therapy Assistant COTA Certification Examination is a valuable tool for candidates preparing to take the exam. Packed with study tips and strategies, NBCOT exam specifics, and 100 sample multiple-choice items with rationales and references, this guide will help you prepare for success!

Written specifically for occupational therapy assistants, The OTA's Guide to Writing SOAP Notes, Second Edition is updated to include new features and information. This valuable text contains the step-by-step instruction needed to learn the documentation required for reimbursement in occupational therapy. With the current changes in healthcare, proper documentation of client care is essential to meeting legal and ethical standards for reimbursement of services. Written in an easy-to-read format, this new edition by Sherry Borcharding and Marie J. Morreale will continue to aid occupational therapy assistants in learning to write SOAP notes that will be reimbursable under Medicare Part B and managed care for different areas of clinical practice. New Features in the Second Edition: • Incorporated throughout the text is the Occupational Therapy Practice Framework, along with updated AOTA documents • More examples of pediatrics, hand therapy, and mental health • Updated and additional worksheets • Review of grammar/documentation mistakes • Worksheets for deciphering physician orders, as well as expanded worksheets for medical abbreviations • Updated information on billing codes, HIPAA, management of health information, medical records, and electronic documentation • Expanded information on the OT process for the OTA to fully understand documentation and the OTA's role in all stages of treatment, including referral, evaluation, intervention plan, and discharge •

Documentation of physical agent modalities With reorganized and shorter chapters, The OTA's Guide to Writing SOAP Notes, Second Edition is the essential text to providing instruction in writing SOAP notes specifically aimed at the OTA practitioner and student. This exceptional edition offers both the necessary instruction and multiple opportunities to practice, as skills are built on each other in a logical manner. Templates are provided for beginning students to use in formatting SOAP notes, and the task of documentation is broken down into small units to make learning easier. A detachable summary sheet is included that can be pulled out and carried to clinical sites as a reminder of the necessary contents for a SOAP note. "Answers" are provided for all worksheets so that the text can be used for independent study if desired. Updated information, expanded discussions, and reorganized learning tools make The OTA's Guide to Writing SOAP Notes, Second Edition a must-have for all occupational therapy assistant students! This text is the essential resource needed to master professional documentation skills in today's healthcare environment.

Never HIGHLIGHT a Book Again Virtually all testable terms, concepts, persons, places, and events are included.
