CSET

History and Principles of Philosophical Enquiry

The CSET consists of three computer-based multiple-choice subtests. Subtest I tests in reading, language, literature, history, and social science. Subtest II is in science and mathematics; and Subtest III covers visual and performing arts, physical education, and human development. This book offers in-depth reviews in all test areas, with more than 300 practice and review items, as well as detailed advice in study and test-taking strategies. It also provides two complete practice CSETs with explained answers. INCLUDES ONLINE PRACTICE TEST: Students who purchase this book will also get FREE access to one additional full-length online CSET exam with three subtests, complete with all questions answered and explained.

The Bible, Homer, and the Search for Meaning in Ancient Myths explores and compares the most influential sets of divine myths in Western culture: the Homeric pantheon and Yahweh, the God of the Old Testament. Heath argues that not only does the God of the Old Testament bear a striking resemblance to the Olympians, but also that the Homeric system rejected by the Judeo-Christian

tradition offers a better model for the human condition. The universe depicted by Homer and populated by his gods is one that creates a unique and powerful responsibility – almost directly counter to that evoked by the Bible—for humans to discover ethical norms, accept death as a necessary human limit, develop compassion to mitigate a tragic existence, appreciate frankly both the glory and dangers of sex, and embrace and respond courageously to an indifferent universe that was clearly not designed for human dominion. Heath builds on recent work in biblical and classical studies to examine the contemporary value of mythical deities. Judeo-Christian theologians over the millennia have tried to explain away Yahweh's Olympian nature while dismissing the Homeric deities for the same reason Greek philosophers abandoned them: they don't live up to preconceptions of what a deity should be. In particular, the Homeric gods are disappointingly plural, anthropomorphic, and amoral (at best). But Heath argues that Homer's polytheistic apparatus challenges us to live meaningfully without any help from the divine. In other words, to live well in Homer's tragic world – an insight gleaned by Achilles, the hero of the Iliad – one must live as if there were no gods at all. The Bible, Homer, and the Search for Meaning in Ancient Myths should change the conversation academics in classics, biblical studies, theology and philosophy have – especially between disciplines – about the gods of early Greek epic, while reframing on a more popular level the discussion of the role of ancient myth in shaping a thoughtful life.

What force do the Big Bang, the expansion of the Universe, dark matter and dark energy, black holes, and gravitational waves all have in common? This book uncovers gravity as a key to understanding these fascinating phenomena that have so captivated public interest in recent years. Discover the latest findings on how this familiar force in our everyday lives powers the most colossal changes in the Universe. Written by a recognized French public scientist and leading astrophysicist Pierre Binétruy, the book also explains the recent experimental confirmation of the existence of gravitational waves.

*REA has pioneered the development of Test Preps for a great many different tests and subjects. REA's Test Prep titles are widely acclaimed and are among Test Prep bestsellers. - Many schools have adopted REA's Test Preps for their AP, college, and graduate school preparation courses. - REA's Test Preps are exceptionally comprehensive -- far more so than any other test preparation series. - They include practice tests, followed by detailed explanations, to ensure that students understand the subject matter and will be well prepared for their exams. - They include extensive reviews of the subject matter covered by the particular test. This allows students to brush up on the subject and to anticipate the type and depth of information they will face on the actual exam. - Each REA Test Prep is continually updated and based on the most recent tests in the field. - Practice test questions are accurate representations of what students can expect to encounter on the actual exam. - Most Test Preps measure 6 11/16 x 10 (17 cm x 25.5 cm).*

*Arete and the Odyssey's Poetics of Interrogation explores how the enigmatic Phaeacian queen, Arete, is at the heart of an epic-scale "poetics of interrogation" used throughout the Odyssey to negotiate Odysseus' kleos, or epic renown. Arete's interrogation of*

*Odysseus has been especially problematic in scholarship, but diachronic and synchronic analysis of similar interrogations across Indo-European, Orphic, and Greek epigrammatic corpora show that the "stranger's interrogation" is a formula that demands performance and negotiation of status. Within the Odyssey, this interrogation is part of an intraformular network used to generate kleos, and the queen's question initiates the longest and most complex negotiation of Odysseus' status in epic and memory. Arete's role as interrogator not only explains her strange authority and resonance with both Penelope and comparative afterlife figures, but it also establishes a gendered, agonistic tension between she and her husband, Alkinoos, that influences the structure, genre, and narratology of performances across the Phaeacian episode. This book reinterprets the Odyssey's central episode and challenges several assumptions about Nausikaa and Alkinoos' famed hospitality, even demonstrating how the Apologue is organized as a response to competing inquiries into Odysseus' fundamental status in tradition. The Odyssey ultimately navigates away from Odysseus' public reputation and roots his status in private memories, and Arete's carefully arranged interventions signal the larger process by which the Odyssey immortalizes Odysseus in poetry as a nostos hero. The queen and her question invite new applications of oral poetics that shed light on the structure, composition, and reperformance of the Odyssey.*
