Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. “I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with

John Payne's translation of The Decameron was originally published in a private printing for The Villon Society,

London in 1386. Comprised of 100 novellas told by ten men and women over a ten day journey fleeing plague-infested Florence, the Decameron is an allegorical work famous for its bawdy portrayals of everyday life, its searing wit and mockery, and its careful adherence to a framed structure. The word "decameron" is derived from the Greek and means "ten days". Boccaccio drew on many influences in writing the Decameron, and many writers, including Martin Luther,

Chaucer, and Keats, later drew inspiration from the book. Giovanni Boccaccio (1313-1375) was an Italian writer and humanist, one of the founders of the Renaissance. He studied business but abandoned it eventually to pursue his literary interests. In 1350 Boccaccio met Francesco Petrarca (Petrarch) (1304-1374), one the most important figures in the beginnings of the Renaissance and Humanism. Revised edition of author's Personal

♥♥ *The Most Dangerous Game* by Richard Connell ♥♥ *The Most Dangerous Game*, also published as *The Hounds of Zaroff*, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game

hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally

falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting

animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan,

and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in

the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the

night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two

issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive.

An aunt imparts wisdom to her teenage niece, inspired by the works of Jane Austen, in this novel from the Man Booker Prize-nominated author. Alice is an aspiring novelist with green hair and zero interest in reading Jane Austen for her college English class. However,

her Aunt Fay, a novelist herself, isn't about to let Alice stick her nose up at Austen or other enduring authors. "You find her boring, petty and irrelevant, and, that as the world is in crisis, and the future catastrophic, you cannot imagine what purpose there can be in reading her," Fay writes her. "My dear pretty little Alice, now with black and green hair . . . How can I hope to explain Literature to you, with its capital 'L'?" Alternating between passages from Jane Austen's novels and accounts of her own career, Aunt Fay pays tribute to a great

author, explores the craft of fiction, and charts her niece's development as a writer in this unique book that reveals how Austen—and great literature—is truly, wonderfully timeless.

The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In

He was the first well-known American writer to try to earn a living through writing alone, resulting in a financially difficult life and career. Born in Boston, he was the second child of two actors. His father abandoned the family in 1810, and his mother died the following year. Thus orphaned, the child was taken in by John and Frances Allan, of Richmond, Virginia.
