"INSTANT NEW YORK TIMES BESTSELLER" "INSTANT USA TODAY BESTSELLER" "INSTANT #1 INDIE BESTSELLER" From the New York Times bestselling author of Red, White & Royal Blue comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don ’t exist, and the only smart way to go through life is alone. She can ’t imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there ’s certainly no chance of her subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there ’s this gorgeous girl on the train, Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August ’s day when she needed it most. August ’s subway crush becomes the best part of her day, but pretty soon, she discovers there ’s one big problem: Jane doesn ’t just look like an old school punk rocker. She ’s literally displaced in time from the 1970s, and August is going to have to use everything she’s tried to leave in her own past to help her. Maybe it ’s time to start believing in some things, after all. Casey McQuiston ’s One Last Stop is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. “A dazzling romance, filled with plenty of humor and heart.” - Time Magazine, “The 21 Most Anticipated Books of 2021” “Dreamy, other worldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you’d expect from Casey McQuiston!” - Jasmine Guillory, New York Times bestselling author of The Proposal and Party for Two

THE SELF-PUBLISHED PHENOMENON –NOW FULLY REVISED AND EXPANDED I almost didn’t publish Love Yourself Like Your Life Depends on It. Here I was, a CEO who’d fallen apart after his company failed, writing a book about how loving himself saved him. I thought I’d be a laughingstock and my career would be finished. But I stepped through the fears and shared my truth with the world. The book went viral. Amazing people all over bought copies for friends and family. For some, this book saved their lives. For others, it was the first time they ever loved themselves. Many readers reached out and asked questions. This taught me that, to create lasting impact, I had to go deeper. So, seven years later, here it is. All the questions I received, resolved. My intention is that by the time you finish this new edition, not only will you be committed to loving yourself, you’ll know exactly how to do it. And, most importantly, how to make it last.

Anne Rice’s magnificent Songs of the Seraphim series continues with a lyrical and haunting new novel of angels and assassins set in dark and dangerous worlds – in our time and in centuries past. Toby O’Dare, former government assassin, is summoned by the angel Malchiah to fifteenth-century Rome – the city of Michelangelo and Raphael, of Leo X and the Holy Inquisition – to solve a terrible crime of poisoning and to uncover the secrets of an earthbound restless spirit, a diabolical dybbuk. Toby is plunged into this rich age as a lutist sent to charm and calm this troublesome spirit. In the fullness of the high Italian Renaissance, Toby soon discovers himself in the midst of dark plots and counterplots, surrounded by a still darker and more dangerous threat as the veil of ecclesiastical terror closes in around him. And as he once again embarks on a powerful journey of atonement, he is reconnected with his own past, with matters light and dark, fierce and tender, with the promise of salvation and with a deeper and richer vision of love.

“Stunning” short stories by the National Book Award–winning author of The Lone Ranger and Tonto Fistfight in Heaven (The Atlanta Journal-Constitution). In this bestselling volume of stories, National Book Award winner Sherman Alexie challenges readers to see Native American Indians as the complex, modern, real people they are. The tender and tenacious tales of The Toughest Indian in the World introduce us to the one-hundred-eighteen-year-old Etta Joseph, former co-star and lover of John Wayne, and to the unnamed narrator of the title story, a young Indian journalist searching for togetherness one hitchhiker at a time. Countless other brilliant creations leap from Alexie’s mind in these nine stories. Upwardly mobile Indians yearn for a more authentic life, married Indian couples push apart while still cleaving together, and ordinary, everyday Indians hunt for meaning in their lives. The Toughest Indian in the World combines anger, humor, and beauty into radiant fictions, fiercely imagined, from one of America’s greatest writers. This ebook features an illustrated biography including rare photos from the author’s personal collection.

The History of Love: A Novel

Out of My Mind

The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall’s own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon’s attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

A Recommended Read from: Good Morning America • Good Housekeeping • Esquire • Shondaland • Atlanta Journal-Constitution • The Week • Lit Hub • Publishers Weekly An illuminating, poignant, and savagely funny examination of modern marriage from Ask Polly advice columnist Heather Havrilesky If falling in love is the peak of human experience, then marriage is the slow descent down that mountain, on a trail built from conflict, compromise, and nagging doubts. Considering the limited economic advantages to marriage, the deluge of other mate options a swipe away, and the fact that almost half of all marriages in the United States end in divorce anyway, why do so many of us still chain ourselves to one human being for life? In Foreverland, Heather Havrilesky illustrates the delights, aggravations, and sublime calamities of her marriage over the span of fifteen years, charting an unpredictable course from meeting her one true love to slowly learning just how much energy is required to keep that love aflame. This refreshingly honest portrait of a marriage reveals that our relationships are not simply “happy” or “unhappy,” but something much murkier—at once unsavory, taxing, and deeply satisfying. With tales of fumbled proposals, harrowing suburban migrations, external temptations, and the bewildering insults of growing older, Foreverland is a work of rare candor and insight. Havrilesky traces a path from daydreaming about forever for the first time to understanding what a tedious, glorious drag forever can be.

Top family therapist Diane Levy gives clear parenting guidelines in this bestselling title. This book presents a modern approach to parenting. Diane Levy believes children must be taught to experience and handle their emotions and they must learn self-discipline. She also believes that it takes about twenty years to raise a child. Within that twenty years, you will have taught - or led your child towards the teaching of all the skills they will need to function in the world away from home. Levy’s approach to parenting has two main tenets: Emotional Support and Limit Setting. The first responsibility of parents is to give children emotional support so that they will have the courage to have the experiences and to the learning that they need to become emotionally independent adults. The second responsibility is to set suitable boundaries and expectations so that they can safely tread the path from undisciplined babies to self-disciplined adults. Diane Levy uses her approach to parenting in the context of modern society. In many families both parents work, and many parents work and raise children single-handedly; in order to establish a good family structure clear boundaries must exist between parent and child. She discusses specific issues, such as sibling rivalry, bullying and nasty habits. Readers may dip into the book to find immediate help for problems with sleeping, eating and toilet training. Sex education and strategies for coping with teenagers are also covered; with the last part of the book summing up simple parenting strategies.

Can love heal all wounds? At seventeen, Tyler Bruce is hot — a hot mess. His girlfriend is a knockout, his reputation’s untouchable, parties are nothing without him. Even his car is unreal. But inside Tyler is broken — and he’ll stop at nothing to keep that a secret. Then one summer Eden comes to stay. She’s upfront, sharp and far more enticing than a stepsister should be. She also sees straight through Tyler’s bad boy façade to the vulnerable kid within. The quiet kid who took all the punches. As Eden draws Tyler in, his defenses start to crumble around him. In his past, vulnerability only brought him danger. But now, it might just bring him everything he needs...if it doesn’t break him. Named a Most Anticipated Book of Fall 2021 by The New York Times, USA Today, Vulture, The Week, and more! !There’s some kind of genius sorcery in this novel. It’s startlingly original, hilarious and harrowing by turns, finally transcendent. Watkins writes like an avenging angel. It’s thrilling and terrifying to stand in her wake.!!Jenny Offill, author of Dept. of Speculation and Weather A darkly funny, soul-rending novel of love in an epoch of collapse:one woman’s furious revisiting of family, marriage, work, sex, and motherhood. Since my baby was born, I have been able to laugh and see the funny side of things. a) As much as I ever did. b) Not quite as much now. c) Not at all. Leaving behind her husband and their baby daughter, a writer gets on a flight for a speaking engagement in Reno, not carrying much besides a breast pump and a spiraling case of postpartum depression. Her temporary escape from domestic duties and an opportunity to reconnect with old friends mutates into an extended romp away from the confines of marriage and motherhood, and a seemingly bottomless descent into the past. Deep in the Mojave Desert where she grew up, she meets her ghosts at every turn: the first love whose self-destruction still haunts her; her father, a member of the most famous cult in American history; her mother, whose native spark gutters with every passing year. She can’t go back in time to make any of it right, but what exactly is her way forward? Alone in the wilderness, at last she begins to make herself at home in the world. Bold, tender, and often hilarious, I Love You but I’ve Chosen Darkness reaffirms Watkins as one of the signal writers of our time.

For decades, the world’s governments have struggled to move from talk to action on climate. Many now hope that growing public concern will lead to greater policy ambition, but the most widely promoted strategy to address the climate crisis - the use of market-based programs - hasn’t been working and isn’t ready to scale. Danny Cullenward and David Victor show how the politics of creating and maintaining market-based policies render them ineffective nearly everywhere they have been applied. Reforms can help around the margins, but markets’ problems are structural and won’t disappear with increasing demand for climate solutions. Facing that reality requires relying more heavily on smart regulation and industrial policy - government-led strategies - to catalyze the transformation that markets promise, but rarely deliver.

“An engrossing tale [that] provides plenty of food for thought” (People, Best New Books pick), this playful, wise, and profoundly moving second novel from the internationally bestselling author of How Proust Can Change Your Life tracks the beautifully complicated arc of a romantic partnership. We all know the headiness and excitement of the early days of love. But what comes after? In Edinburgh, a couple, Rabih and Kirsten, fall in love. They get married, they have children—but no long-term relationship is as simple as it “happily ever after.” The Course of Love explores what happens after the birth of love, what it takes to maintain, and what happens to our original ideals under the pressures of an average existence. We see, along with Rabih and Kirsten, the first flush of infatuation, the effortlessness of falling into romantic love, and the course of life thereafter. Interwoven with their story and its challenges is an overlay of philosophy—an annotation and a guide to what you’re reading. As the New York Times says, “The Course of Love is a return to the form that made Mr. de Botton’s name in the mid-1990s...Love is the subject best suited to his obsessive aphorizing, and in this novel he again shows off his ability to pin our hopes, methods, and insecurities to the page.” This is a Romantic novel in the true sense, one interested in exploring how love can survive and thrive in the long term. The result is a sensory experience—fictional, philosophical, psychological—that urges us to identify deeply with these characters and to reflect on his and her own experiences in love. Fresh, visceral, and utterly compelling, The Course of Love is a provocative and life-affirming novel for everyone who believes in love. “There’s no writer alive like de Botton, and his latest ambitious undertaking is as enlightening and humanizing as his previous works” (Chicago Tribune).
