

Of Mice And Men Review Sheet For Chapter One Answer Key

Steinbeck's tough yet charming portrait of people on the margins of society, dependant on one another for both physical and emotional survival Published in 1945, Cannery Row focuses on the acceptance of life as it is: both the exuberance of community and the loneliness of the individual. Drawing on his memories of the real inhabitants of Monterey, California, including longtime friend Ed Ricketts, Steinbeck interweaves the stories of Doc, Dora, Mack and his boys, Lee Chong, and the other characters in this world where only the fittest survive, to create a novel that is at once one of his most humorous and poignant works. In her introduction, Susan Shillinglaw shows how the novel expresses, both in style and theme, much that is essentially Steinbeck: "scientific detachment, empathy toward the lonely and depressed...and, at the darkest level...the terror of isolation and nothingness." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

Upcoming releases for 2020 will include the AQA anthology poems.

A controversial tale of friendship and tragedy during the Great Depression A Penguin Classic Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. Of Mice and Men represents an experiment in form, which Steinbeck described as "a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan Shillinglaw, one of today's leading Steinbeck scholars. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Stories

Have you ever questioned how Of Mice and Men by John Steinbeck would have went if there was a zombie apocalypse as opposed to the Great Depression? Well, I did. What started as a fun personal project quickly escalated into something bigger. This is a short novella, about half the length of an average book and does not fit into the Among the Dead series. "Originally published in 1937 by John Steinbeck, reimagined and corrupted by Ryan Colley in 2018 for this satirical novella. George Milton, an intelligent and quick witted survivor, and Lennie Small, a physically strong but intellectually challenged childlike individual, are two displaced ranch workers fleeing the apocalypse. Forced to move from place to place, partially due to Lennie's misdeeds and mainly due to the undead roaming the land. They both search for work in a collapsing world in an attempt to buy their own corner of heaven where they will be safe together from the "Sick Ones" and "Live off the fatta the lan." For fans of the original novel, apocalypse fiction, or for those looking for something different."

As it enters its sixtieth year of independence, India stands on the threshold of superpower status. Yet India is strikingly different from all other global colossi. While it is the world's most populous democracy and enjoys the benefits of its internationally competitive high-tech and software industries, India also contends with extremes of poverty, inequality, and political and religious violence. This accessible and vividly written book presents a new interpretation of India's history, focusing particular attention on the impact of British imperialism on Independent India. Maria Misra begins with the rebellion against the British in 1857 and tracks the country's advance to the present day. India's extremes persist, the author argues, because its politics rest upon a peculiar foundation in which traditional ideas of hierarchy, difference, and privilege coexist to a remarkable degree with modern notions of equality and democracy. The challenge of India's leaders today, as in the last sixty years, is to weave together the disparate threads of the nation's ancient culture, colonial legacy, and modern experience.

"A wonderfully readable account of Chicago's early history" and the inspiration behind PBS's American Experience (Michiko Kakutani, The New York Times). Depicting its turbulent beginnings to its current status as one of the world's most dynamic cities, City of the Century tells the story of Chicago—and the story of America, writ small. From its many natural disasters, including the Great Fire of 1871 and several cholera epidemics, to its winner-take-all politics, dynamic business empires, breathtaking architecture, its diverse cultures, and its multitude of writers, journalists, and artists, Chicago's story is violent, inspiring, passionate, and fascinating from the first page to the last. The winner of the prestigious Great Lakes Book Award, given to the year's most outstanding books highlighting the American heartland, City of the Century has received consistent rave reviews since its publication in 1996, and was made into a six-hour film airing on PBS's American Experience series. Written with energetic prose and exacting detail, it brings Chicago's history to vivid life. "With City of the Century, Miller has written what will be judged as the great Chicago history." —John Barron, Chicago Sun-Times "Brims with life, with people, surprise, and with stories." —David McCullough, Pulitzer Prize-winning author of John Adams and Truman "An invaluable companion in my journey through Old Chicago." —Erik Larson, New York Times—bestselling author of The Devil in the White City

This "Guided Edition for Students: Of Mice and Men" is ideal for studying Steinbeck's famous novella. Adapted and edited by Angela T. Wesker, it contains a frame of reference for the context, notes to explain difficult words and phrases, and an in-depth guided analysis with focused tasks on the plot, setting, characters, themes, style and language. The book offers a fresh and accessible approach to English Literature at a level C1 of the CEFR. The tragic story of George and Lennie, travelling to different farms and looking for work, tackles the universal themes of friendship and dreams and gives a voice to America's lonely and dispossessed. Angela T. Wesker is an experienced international teacher and teacher trainer who has worked with pupils studying English as their first or as an additional language for over thirty years.

Chez Chance

An itinerant farmhand's loving protection of a slow-witted comrade is the theme of Steinbeck's classic tale

"Meticulously crafted and deeply satisfying...a first-class psychological thriller." —Charlotte Philby, author of Part of the Family A twisty, whip-smart debut thriller, as electrifying as the #1 New York Times bestseller The Girl on the Train, about impending motherhood, unreliable friendship, and the high price of keeping secrets. Helen's idyllic life—handsome architect husband, gorgeous Victorian house, and cherished baby on the way (after years of trying)—begins to change the day she attends her first prenatal class and meets Rachel, an unpredictable single mother-to-be. Rachel doesn't seem very maternal: she smokes, drinks, and professes little interest in parenthood. Still, Helen is drawn to her. Maybe Rachel just needs a friend. And to be honest, Helen's a bit lonely herself. At least Rachel is fun to be with. She makes Helen laugh, invites her confidences, and distracts her from her fears. But her increasingly erratic behavior is unsettling. And Helen's not the only one who's noticed. Her friends and family begin to suspect that her strange new friend may be linked to their shared history in unexpected ways. When Rachel threatens to expose a past crime that could destroy all of their lives, it becomes clear that there are more than a few secrets laying beneath the broad-leaved trees and warm lamplight of Greenwich Park.

Although his career continued for almost three decades after the 1939 publication of The Grapes of Wrath, John Steinbeck is still most closely associated with his Depression-era works of social struggle. But from Pearl Harbor on, he often wrote passionate accounts of America's wars based on his own firsthand experience. Vietnam was no exception. Thomas E. Barden's Steinbeck in Vietnam offers for the first time a complete collection of the dispatches Steinbeck wrote as a war correspondent for Newsday. Rejected by the military because of his reputation as a subversive, and reticent to document the war officially for the Johnson administration, Steinbeck saw in Newsday a unique opportunity to put his skills to use. Between December 1966 and May 1967, the sixty-four-year-old Steinbeck toured the major combat areas of South Vietnam and traveled to the north of Thailand and into Laos, documenting his experiences in a series of columns titled Letters to Alicia, in reference to Newsday publisher Harry F. Guggenheim's deceased wife. His columns were controversial, coming at a time when opposition to the conflict was growing and even ardent supporters were beginning to question its course. As he dared to go into the field, rode in helicopter gunships, and even fired artillery pieces, many detractors called him a warmonger and worse. Readers today might be surprised that the celebrated author would risk his literary reputation to document such a divisive war, particularly at the end of his career. Drawing on four primary-source archives—the Steinbeck collection at Princeton, the Papers of Harry F. Guggenheim at the Library of Congress, the Pierpont Morgan Library's Steinbeck holdings, and the archives of Newsday—Barden's collection brings together the last published writings of this American author of enduring national and international stature. In addition to offering a definitive edition of these essays, Barden includes extensive notes as well as an introduction that provides background on the essays themselves, the military situation, the social context of the 1960s, and Steinbeck's personal and political attitudes at the time. Penguin Classics presents John Steinbeck's classic tale as an eBook enhanced with ten exclusive video clips featuring students responses, questions for classroom discussions, and an American Dream assignment Nobel Prize-winner John Steinbeck's Of Mice and Men remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. Laborers in California's dusty vegetable fields, they hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. Of Mice and Men: Teacher's Edition includes the following: □ An introduction and suggested further reading by Susan Shillinglaw, a professor of English at San Jose State University and Scholar-in-Residence at the National Steinbeck Center in Salinas □ The poem "To a Mouse, On Turning Her Up in Her Nest with the Plough, November 1785" by Robert Burns (the original source of Steinbeck's title Of Mice and Men) □ The 1962 Nobel Banquet Speech by John Steinbeck □ An exclusive audio interview with award-winning actor James Earl Jones on his stage performances in Of Mice and Men □ Ten exclusive videos of students on major themes from the novel tied to group discussion questions included in the eBook, and an American Dream assignment, for the ultimate educational experience

A guide that cuts through the haze of misinformation and delivers an insightful message to anyone living with or at risk from the following: cancer, diabetes, heart disease, obesity, Alzheimer's disease and /or osteoporosis. Dr Campbell illuminates the connection between nutritional diseases and reveals the natural human diet. He also examines the source of nutritional confusion produced by powerful lobbies, government entities and opportunist scientists. Part medical thriller, part governmental exposé.

After rescuing her twin brother from the Tontton, Saba experiences disturbing telepathic visions while being hunted by a cunning enemy.

Winner of the 2021 Los Angeles Times Book Prize for Biography A Publishers Weekly Best Book of 2020 in Nonfiction A resonant biography of America's most celebrated novelist of the Great Depression. The first full-length biography of the Nobel laureate to appear in a quarter World illuminates what has made the work of John Steinbeck an enduring part of the literary canon: his capacity for empathy. Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression, and his masterpieces such as The Red Pony, Of Mice and Men, and The Grapes of Wrath. Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty, fascinated by the guileless decency of the downtrodden denizens of the country's refusal to recognize the humanity common to all of its citizens, Steinbeck took a stand against social injustice—paradoxically given his inherent misanthropy—setting him apart from the writers of the so-called "lost generation." A man by turns quick-tempered and ultimately brilliant, Steinbeck could be a difficult person to like. Obsessed with privacy, he was mistrustful of people. Next to writing, his favorite things were drinking and womanizing and getting married, which he did three times. And while he claimed indifference about such books and movie deals made him a lot of money—which passed through his hands as quickly as it came in. And yet Steinbeck also took aim at the corrosiveness of power, the perils of income inequality, and the urgency of ecological collapse, all of which drive public debate to the remains our great social realist novelist, the writer who gave the dispossessed and the disenfranchised a voice in American life and letters. Eloquent, nuanced, and deeply researched, Mad at the World captures the full measure of the man and his work.

Chasing the Stars

The Most Comprehensive Study of Nutrition Ever Conducted and the Startling Implications for Diet, Weight Loss and Long-term Health

"Perfect to be read late into the night."—Stefan Bachmann, internationally bestselling author of The Peculiar "A spooky sisterhood mystery that is sure to be a hit with readers."—School Library Journal (starred review) "Grab a flashlight and stay up late with this one."—Kirkus Reviews Once there were two sisters who did everything together. But only one of them disappeared. New York Times–bestselling author Jacqueline West's Long Lost is an atmospheric, eerie mystery brimming with suspense. Fans of Katherine Arden's Small Spaces and Victoria Schwab's City of Ghosts series will lose themselves in this mesmerizing and century-spanning tale. Eleven-year-old Fiona has just read a book that doesn't exist. When Fiona's family moves to a new town to be closer to her older sister's figure skating club—and far from Fiona's close-knit group of friends—nobody seems to notice Fiona's unhappiness. Alone and out of place, Fiona ventures to the town's library, a rambling mansion donated by a long-dead heiress. And there she finds a gripping mystery novel about a small town, family secrets, and a tragic disappearance. Soon Fiona begins to notice strange similarities that blur the lines between the novel and her new town. With a little help from a few odd Lost Lake locals, Fiona uncovers the book's strange history. Lost Lake is a town of restless spirits, and Fiona will learn that both help and danger come from unexpected places—maybe even from the sister she thinks doesn't care about her anymore. New York Times–bestselling and acclaimed author Jacqueline West weaves a heart-pounding, intense, and imaginative mystery that builds anticipation on every page, while centering on the strong and often tumultuous bond between sisters. Laced with suspense, Long Lost will fascinate readers of Trenton Lee Stewart's The Secret Keepers and fans of ghost stories.

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

Olivia (Vee), is now captain of her own spaceship, an Explorer Vessel which set out seven years earlier on a deep space mission. She and her twin brother Aidan are heading alone back to Earth following the virus that wiped out the rest of the ship in its entirety three years earlier â€" including their parents. Nathan is part of a community heading in the opposite direction. A violent war is spreading through space so theyâ€(tm)re heading for a peaceful patch from where they will plan an uprising. But on their journey, Nathanâ€(tm)s ship is attacked and most of the community killed. Only a few survive, thanks to Vee and Aidan, who rescue them, bringing them on board their ship. Nathan and Vee are instantly attracted to each other, and in the midst of all the dramas and hostilities of this newly occupied ship, they fall head-over-heels in love. But not everyone is happy with their relationship. Someone is sowing rumours of Nathanâ€(tm)s infidelity, Veeâ€(tm)s flaws, and putting the lives of everybody on board at risk . . .

The final novel of one of America's most beloved writers—a tale of degeneration, corruption, and spiritual crisis A Penguin Classic In awarding John Steinbeck the 1962 Nobel Prize in Literature, the Nobel committee stated that with The Winter of Our Discontent, he had "resumed his position as an independent expounder of the truth, with an unbiased instinct for what is genuinely American." Ethan Allen Hawley, the protagonist of Steinbeck's last novel, works as a clerk in a grocery store that his family once owned. With Ethan no longer a member of Long Island's aristocratic class, his wife is restless, and his teenage children are hungry for the tantalizing material comforts he cannot provide. Then one day, in a moment of moral crisis, Ethan decides to take a holiday from his own scrupulous standards. Set in Steinbeck's contemporary 1960 America, the novel explores the tenuous line between private and public honesty, and today ranks alongside his most acclaimed works of penetrating insight into the American condition. This Penguin Classics edition features an introduction and notes by leading Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

 The Tree Climber’s Guide

"A hugely inventive adventure." —Eoin Colfer, New York Times bestselling author of the Artemis Fowl series In a world where animals are slowly fading into extinction, twelve-year-old Kester Jaynes feels as if he hardly exists either. He’s been locked away in a home for troubled children and is unable to speak a word. Then one night, a flock of talking pigeons and a bossy cockroach come to help him escape, and he discovers that he can speak—to them. And the animals need him. Only Kester, with the aid of a stubborn, curious girl named Polly, can help them survive. The animals saved Kester. But can he save them? "When ninety-nine pigeons smash through the windows of Kester’s prison and carry him North to the last of the animals.... it’s a moment as thrilling as when James flies off in the Giant Peach. Highly recommended" —The Times (UK) "Combines a great fondness for animals with an appreciation of the freakish.... The reserved narrative tone and tender yet peculiar view of animals give this piece its own offbeat flavor." —Kirkus Reviews "Alternately somber, thrilling, and silly." —Publishers Weekly

David Piper has always been an outsider. His parents think he’s gay. The school bully thinks he’s a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long , and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage to decide for themselves what normal really means.

Perfect study notes for all high school and college students.

John Steinbeck's Of Mice and Men is widely considered one of the greatest of American novels. This new guide gives you an in-depth analysis of this important work, unlocking its confusing aspects, making the book accessible and enjoyable, and helping you uncover all the details that make up the story. Included in this guide: a biography of author John Steinbeck, a look at the book's context, its literary elements, detailed chapter summaries, analysis, and an examination of critical questions. This is the definitive guide to Of Mice and Men, concise, and easy to read.

This harrowing mystery, winner of the Philippine National Book Award, follows two Catholic priests on the hunt through Manila for a brutal serial killer Payatas, a 50-acre dump northeast of Manila's Quezon City, is home to thousands of people who live off of what they can scavenge there. It is one of the poorest neighborhoods in a city whose law enforcement is already stretched thin, devoid of forensic resources and rife with corruption. So when the eviscerated bodies of preteen boys begin to appear in the dump heaps, there is no one to seek justice on their behalf. In the rainy summer of 1997, two Jesuit priests take the matter of protecting their flock into their own hands. Father Gus Saenz is a respected forensic anthropologist, one of the few in the Philippines, and has been tapped by the Director of the National Bureau of Investigations as a backup for police efforts. Together with his protégé, Father Jerome Lucero, a psychologist, Saenz dedicates himself to tracking down the monster preying on these impoverished boys. Smaller and Smaller Circles, widely regarded as the first Filipino crime novel, is a poetic masterpiece of literary noir, a sensitive depiction of a time and place, and a fascinating story about the Catholic Church and its place in its devotees' lives. Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Literature Micro Summary: Of Mice and Men by John Steinbeck

Of Mice and Men

Pet Sematary

Of Mice and Men and Zombies

Includes a brief biography of John Steinbeck, thematic and structural analysis of the work, critical views, and an index of themes and ideas.

This carefully crafted ebook: "The Bell Jar" is formatted for your eReader with a functional and detailed table of contents. Esther Greenwood, a young woman from the suburbs of Boston, gains a summer internship at a prominent magazine in New York City, under editor Jay Cee; however, Esther is neither stimulated nor excited by either the big city or the glamorous culture and lifestyle that girls her age are expected to idolize and emulate. She instead finds her experience to be frightening and disorienting. From hereafter her mental state keeps deteriorating until she starts feeling helpless as if being kept inside a glass bell jar! The Bell Jar is the only novel written by the American writer and poet Sylvia Plath. Originally published under the pseudonym "Victoria Lucas" in 1963, the novel is semi-autobiographical, with the names of places and people changed. The book is often regarded as a roman à clef because the protagonist's descent into mental illness parallels Plath's own experiences with what may have been clinical depression or bipolar II disorder. Plath died by suicide a month after its first UK publication. The novel was published under Plath's name for the first time in 1967 and was not published in the United States until 1971, in accordance with the wishes of both Plath's husband, Ted Hughes, and her mother.

A family moves into a beautiful old home in rural Maine, not realizing the horror that awaits them from the pet cemetery and Indian burial ground behind the house.

First published in 1937, Of Mice and Men has been a staple of American literature ever since. Divided by decade, The Essential Criticism of John Steinbeck’s Of Mice and Men provides an overview of criticism over the 70 years the book has been in print. Michael J. Meyer has assembled significant articles and book excerpts from critics and reviewers, citing the early book reviews and highlighting some of the most significant essays. While not all critical studies are included, those assessments not present in the text are evaluated by summaries and their bibliographic citations are given. The essays express various critical approaches, including those that criticize the book and examine what some consider the book’s flaws. Ideal for research work at all levels, this volume collects in one place the most significant contributions to the study of the novel, making it a welcome addition to the canon of Steinbeck criticism.

India Since the Great Rebellion

The Winter of Our Discontent

The Last Wild

Smaller and Smaller Circles

A thrilling new voice in fiction injects the absurd into the everyday to present a startling vision of modern life, "[as] if Kafka and Camus and Bradbury were penning episodes of Black Mirror" (Chang-Rae Lee, author of My Year Abroad). "Stories so sharp and ingenious you may cut yourself on them while reading."—Kelly Link, author of Get In Trouble ONE OF THE MOST ANTICIPATED BOOKS OF 2022—The Millions With a focus on the weird and eerie forces that lurk beneath the surface of ordinary experience, Kate Folk's debut collection is perfectly pitched to the madness of our current moment. A medical ward for a mysterious bone-melting disorder is the setting of a perilous love triangle. A curtain of void obliterates the globe at a steady pace, forcing Earth's remaining inhabitants to decide with whom they want to spend eternity. A man fleeing personal scandal enters a codependent relationship with a house that requires a particularly demanding level of care. And in the title story, originally published in The New Yorker, a woman in San Francisco uses dating apps to find a partner despite the threat posed by "blots," preternaturally handsome artificial men dispatched by Russian hackers to steal data. Meanwhile, in a poignant companion piece, a woman and a blot forge a genuine, albeit doomed, connection. Present and wildly imaginative, Out There depicts an uncanny landscape that holds a mirror to our subconscious fears and desires. Each story beats with its own fierce heart, and together they herald an exciting new arrival in the tradition of speculative literary fiction.

Two devastating short novels adapted for the stage by Steinbeck himself A Penguin Classic This Penguin Classics edition celebrates Steinbeck's dramatic adaptations of his most powerful short novels, Of Mice and Men and The Moon Is Down, featuring a foreword by award-winning actor James Earl Jones. Of Mice and Men represents an experiment in form - as Steinbeck put it, "a kind of playable novel, written in novel form but so scened and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. Of Mice and Men received the New York Drama Critics' Circle Award for Best Play in 1937-1938. A number of acclaimed actors have interpreted the iconic roles of George and Lennie for stage and screen, including James Earl Jones, John Malkovich and Gary Sinise. The Moon Is Down uncovers profound, often unsettling truths about war and human nature. It tells the story of a peaceable town taken by enemy troops, and had an extraordinary impact as Allied propaganda in Nazi-occupied Europe. This Penguin Classics edition of the theatrical adaptations of Steinbeck's two classic short novels is essential to actors, playwrights, filmmakers and directors studying the dramatic work of the Nobel Prize winning author of The Grapes of Wrath and East of Eden. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
