

Of Mice And Men Tpet

Of Mice and Men: Animals in Human Culture is a book-length collection of essays that examines human views of non-human animals. The essays are written by scholars from Australia, East Asia, Europe and the Americas, who represent a wide range of disciplines in the Humanities and Social Sciences. Addressing topics such as animal rights, ecology, anthropocentrism, feminism, animal domestication, dietary restrictions, and cultural imperialism, the book considers local and global issues as well as ancient and contemporary discourses, and it will appeal to readers with both general and specialized interests in the role played by animals in human cultures.

Two migrant field workers in California on their plantation during the Great Depression—George Milton, an intelligent but uneducated man, and Lennie Small, a bulky, strong man but mentally disabled—are in Soledad on their way to another part of California. They hope to one day attain the dream of settling down on their own piece of land. Lennie's part of the dream is merely to tend and pet rabbits on the farm, as he loves touching soft animals, although he always accidentally kills them. This dream is one of Lennie's favorite stories, which George constantly retells. They had fled from Weed after Lennie grabbed a young woman's skirt and would not let go, leading to an accusation of rape. It soon becomes clear that the two are close and George is Lennie's protector, despite his antics. After being hired at a farm, the pair are confronted by Curley—the Boss's small, aggressive son with a Napoleon complex who dislikes larger men. Curley starts to target Lennie. Curley's flirtatious and provocative underaged wife, to whom Lennie is instantly attracted, poses a problem as well. In contrast, the pair also meets Candy, an elderly ranch handyman with one hand and a loyal dog, and Slim, an intelligent and gentle jerkline-skinner whose dog has recently had a litter of puppies. Slim gives a puppy to Lennie and Candy, whose loyal, accomplished sheep dog was put down by fellow ranch-hand Carlson. In spite of problems, their dream leaps towards reality when Candy offers to pitch in \$350 with George and Lennie so that they can buy a farm at the end of the month, in return for permission to live with them. The trio are ecstatic, but their joy is overshadowed when Curley attacks Lennie, who defends himself by easily crushing Curley's fist while urged on by George. Nevertheless, George feels more relaxed, to the extent that he even leaves Lennie behind on the ranch while he goes into town with the other ranch hands. Lennie wanders into the stable, and chats with Crooks, the bitter, yet educated stable buck, who is isolated from the other workers due to being black. Candy finds them and they discuss their plans for the farm with Crooks, who cannot resist asking them if he can hoe a garden patch on the farm albeit scorning its possibility. Curley's wife makes another appearance and flirts with the men, especially Lennie. However, her spiteful side is shown when she belittles them and threatens to have Crooks lynched. The next day, Lennie accidentally kills his puppy while stroking it. Curley's wife enters the barn and tries to speak to Lennie, admitting that she is lonely and how her dreams of becoming a movie star are crushed, revealing her personality. After finding out about Lennie's habit, she offers to let him stroke her hair, but panics and begins to scream when she feels his strength. Lennie becomes frightened, and unintentionally breaks her neck thereafter and runs away. When the other ranch hands find the corpse, they form into a lynch mob intent on killing him, then send for the police before beginning the search. George then quickly realizes that their dream is at an end and hurries to find Lennie, hoping he will be at the meeting place they designated in case he got into trouble (the riverbank where they camped at the start of the book). George meets Lennie at their camping spot before they came to the ranch. The two sit together and George retells the beloved story of the dream, despite knowing it is something they will never share. Upon hearing the lynch mob near them, George shoots Lennie, knowing it to be a more merciful death than that at the hands of a mob. Curley, Slim, and Carlson arrive seconds after. Only Slim realizes what happened, and consolingly leads him away. Curley and Carlson look on, unable to comprehend the subdued mood of the two men.

John Steinbeck's classic story of friendship, loneliness, loyalty, and sacrifice is now available for students at a B1 level of the CEFR. The book comes with an introduction, notes and, a wide range of activities. These are specially designed to further the reader's understanding of the story and its literary appreciation. The extended grammar practice of the book makes it perfect for consolidating key structures, including the language specifications of the PET exam.

Everyone who's ever loved an animal companion will find wisdom and solace in this book. The authors share stories drawn from decades of experience leading pet loss groups and practicing family therapy. Their recommendations for taking care of yourself and loved ones during the rough spots of grief will answer all of your important questions and help you feel well-supported. I highly recommend *The Pet Loss Companion* for companion animal lovers like me. — Ed Sayres, President & CEO of the ASPCA® *The Pet Loss Companion* is a wonderfully reassuring book for anyone who cares about pets. It is a loving book, full of personal and practical details about how to care for oneself after loss. The authors are sensitive pet-lovers, empathic and engaging in this moving and meaningful book. — Monica McGoldrick, MSW, Ph.D. (h.c.), Director, Multicultural Family Institute, and author of *You Can Go Home Again* If you have ever lost a beloved pet and have wondered if your feelings are normal, this book is a must read for you. Ken and Nancy, in this single book, have captured the emotional roller coaster that most people experience during the end stages of the life of their pet. In addition there are helpful insights into their world as bereavement counselors and how they have helped their patients deal with the experiences

of death. I have practiced Veterinary Medicine for over 30 years and have finally found a book that can be given to my grieving owners after such a trauma. — Anthony Miele, DVM, CEO, Veterinary Asset Management, Inc. What a gift Ken and Nancy's book is to those of us who have cherished and lost a pet companion. They get it, and as such, gently and skillfully help to ease the treacherous journey that loss is. This gem explores the terrain of loss and grief and the vast love that surrounds the experience. Readers will be warmed, saddened, and delighted by the examples and tools that are provided to ease the necessary grief process. The experience of reading this little book leaves me feeling much gratitude for my pet companions and these authors who so beautifully convey the huge role they play in our lives. — Lynn Parker, Ph.D., LCSW, Professor, Graduate School of Social Work, University of Denver St. Hubert's Animal Welfare Center is proud to offer free pet loss support as part of its programmatic efforts, with Nancy Saxton-Lopez at the helm for over 20 years. Together Ken and Nancy continue to provide this valuable service at our center twice monthly and they've expanded their reach by sharing their professional training and direct pet loss counseling expertise with the completion of The Pet Loss Companion. Their compassion for both pets and the people who love them is palpable in this concise, easy-to-read guide which offers understanding, solace, and hope to anyone struggling with the loss of a cherished animal companion, no matter the circumstances. The loss of a companion animal is a unique, yet not unique, grieving process not always well understood by others. This book connects and thereby supports people at a time of what can be isolating grief, providing a life raft or light to navigate the process. It's also a helpful tool—whether as a gift or for personal awareness—for those looking for some guidance in supporting family and friends coping with pet loss. — Heather Cammisa, President & CEO, St. Hubert's Animal Welfare Center, Madison, New Jersey

Presents the author's last published work, accompanied by his newspaper articles that inspired "The Grapes of Wrath," his writings on San Francisco, Monterey, and other locations, and his reflections on such friends as Henry Ford, Robert Capa, and Ed Ricketts.

A controversial tale of friendship and tragedy during the Great Depression A Penguin Classic Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. Of Mice and Men represents an experiment in form, which Steinbeck described as "a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan Shillinglaw, one of today's leading Steinbeck

scholars. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Puzzle Packs include a unit word list (characters names, symbols, etc.) and a vocabulary word list with definitions. There are 4 crosswords, 4 word searches, 4 matching, 4 fill in the blank, 4 magic squares, 32 bingo cards for the unit words. All of the above plus 4 vocabulary juggle letter worksheets and flash cards for the vocabulary words.

Burnout in Women Physicians

All the King's Men

The British Drama: pt. 1-2. Tragedies

A Common Core Approach to Teaching of Mice and Men Student Workbook

In depression-era California, two migrant workers dream of better days on a spread of their own until an act of unintentional violence leads to tragic consequences.

Presents a dramatization of the tragic story of the friendship between two migrant workers, George and Lenny, and their dream of owning a farm.

This book is the first to dissect the factors contributing to burnout that impact women physicians and seeks to appropriately address these issues. The book begins by establishing the differences in epidemiology between female physicians and their male counterparts, including rates of burnout, depression and suicide, chosen fields, caregiving responsibilities at home, career tradeoffs in dual physician marriages, patient satisfaction and outcomes, academic rank, leadership positions, salary, and turnover. The second part of the book explores the drivers of physician burnout that disproportionately affect women, each chapter beginning with a case vignette. This section covers many issues that often go unrecognized including unconscious bias, sexual harassment, gender role conflicts, domestic responsibilities, depression, addiction, financial stress, and the impact related to reproductive health such as pregnancy and breastfeeding. The book concludes by focusing on strategies to prevent and/or mitigate burnout among individual women physicians across the career lifespan. This section also includes recommendations to change the culture of medicine and the systems that contribute to burnout. Burnout in Women Physicians is an excellent resource for physicians across all specialties who are concerned with physician wellness and burnout, including students, residents, fellows, and attending physicians.

Literature Micro Summary: Of Mice and Men by John Steinbeck

Notes

A Musical Drama in Three Acts, Five Scenes

St. Nicholas, Conducted by M.M. Dodge

“ A teen thriller in the vein of the ‘90s horror movie *The Craft* . . . A beautiful meditation on meditation . . . Frequently hilarious, and thoughtful throughout. ” —The New York Times Book Review "The Lightness could be the love child of Donna Tartt and Tana French, but its savage, glittering magic is all Emily Temple ' s own." —Chloe Benjamin, New York Times bestselling author of *The Immortalists* A Belletrist Book Club Pick! A Most Anticipated Novel by Entertainment Weekly • USA Today • Marie Claire • Elle • WSJ. Magazine • Glamour • Vulture • Bustle • Buzzfeed • The Millions • The Philadelphia Inquirer • Minneapolis Star Tribune • The Daily Beast • Refinery 29 • Publishers Weekly • Literary Hub • Electric Literature • and more! A stylish, stunningly precise, and suspenseful meditation on adolescent desire, female friendship, and the female body that shimmers with rage, wit, and fierce longing—an audacious, darkly observant, and mordantly funny literary debut for fans of Emma Cline, Ottessa Moshfegh, and Jenny Offill. One year ago, the person Olivia adores most in the world, her father, left home for a meditation retreat in the mountains and never returned. Yearning to make sense of his shocking departure and to escape her overbearing mother—a woman as grounded as her father is mercurial—Olivia runs away from home and retraces his path to a place known as the Levitation Center. Once there, she enrolls in their summer program for troubled teens, which Olivia refers to as “ Buddhist Boot Camp for Bad Girls ” . Soon, she finds herself drawn into the company of a close-knit trio of girls determined to transcend their circumstances, by any means necessary. Led by the elusive and beautiful Serena, and her aloof, secretive acolytes, Janet and Laurel, the girls decide this is the summer they will finally achieve enlightenment—and learn to levitate, to defy the weight of their bodies, to experience ultimate lightness. But as desire and danger intertwine, and Olivia comes ever closer to discovering what a body—and a girl—is capable of, it becomes increasingly clear that this is an advanced and perilous practice, and there ' s a chance not all of them will survive. Set over the course of one fateful summer that unfolds like a fever dream, *The Lightness* juxtaposes fairy tales with quantum physics, cognitive science with religious fervor, and the passions and obsessions of youth with all of these, to explore concepts as complex as faith and as simple as loving people—even though you don ' t, and can ' t, know them at all.

“ A suspenseful debut. ” — People Pick
