music is raw and unscripted and filled with passion.

Choral music is now undoubtedly the foremost genre of participatory music making, with more people singing in choirs than ever before. Written by a team of leading international practitioners and scholars, this Companion addresses the history of choral music, its emergence and growth worldwide and its professional practice. The volume sets out a

Online Library Old Mutual National Choir Festival Prescribed Music Format

historical survey of the genre and follows with a kaleidoscopic bird's eye view of choral music from all over the world. Chapters vividly portray the emergence and growth of choral music from its Quranic antecedents in West and Central Asia to the baroque churches of Latin America, representing its global diversity. Uniquely, the book includes a pedagogical section where several leading choral musicians write about the voice and the inner

Recording the History, Moments and
Memories of South African Music

Twenty-twenty hindsight means perfect understanding of events only after they have happened. In his book, Mosiuoa Sekese looks back on his life in the old and new South Africa and gives his own perceptive interpretation of the past events. Sekese suffered discrimination and prejudice under the old apartheid government as well as the new, democratic regime. His story is highly personal, but provides the reader with unique insights into the social and educational challenges that South Africa continues to grapple with. I had a quick read and I find the content

Online Library Old Mutual National Choir Festival Prescribed Music Format

heartbreaking but fascinating. Especially as a white South African you are drawing me into a world that I always knew existed, but which few people have the guts and conviction to paint into words. Louise Heystek-Emerton:
CEO Wordwise/Khuluma Awethu

An inspiring story of one man's rise from poverty and oppression to success and fame in the international world of opera ... It is a difficult undertaking for any human to escape the cycle of poverty, but to do so from one of the world's most complex political systems, with a brutal history of segregation and deprivation, is nothing short of a miracle. Yet Musa Ngqungwana's story doesn't end there. Not only did he manage to extricate himself from his

Online Library Old Mutual National Choir Festival Prescribed Music Format

impoverished past, but he found his way to the great opera houses of the world, attaining immense success in an affluent art form that bears no resemblance to his upbringing or culture. Musa's life and career are proof that any human can overcome the devastating effects of discrimination and poverty. *Odyssey of an African Opera Singer* chronicles Musa's journey from the townships of South Africa to the world stage. It is a story of hope, showing how humans, no matter their situation, have the opportunity to claim their gifts, develop them and use them to help others in need. A captivating story that will inspire anyone who has ever had a dream ...
Vuka SA.

This publication contains details of a new up-and-coming generation of composers. It provides information on 318 composers and as such is a standard reference word on local composers.

Melding memorable music and inspiring history, Freedom Song presents a fresh perspective on the civil rights movement by showing how songs of hope, faith, and freedom strengthened the movement and served as its voice. In this eye-opening account, you'll discover

Online Library Old Mutual National Choir Festival Prescribed Music Format

how churches and other groups--from the SNCC Freedom Singers to the Chicago Children's Choir--transformed music both religious and secular into electrifying anthems that furthered the struggle for civil rights. From rallies to marches to mass meetings, music was ever-present in the movement. People sang songs to give themselves courage and determination, to spread their message to others, to console each other as they sat in jail. The music they shared took many different forms, including traditional spirituals once sung by slaves, jazz and blues music, and gospel, folk, and pop songs. Freedom Song explores in detail the galvanizing roles of numerous songs, including & “ Lift Every Voice and Sing,& ” & “ The Battle of Jericho,& ” & “ Wade in the Water,& ” and & “ We Shall Overcome.& ” As Rosa Parks, Martin Luther King Jr., and many others took a stand against prejudice and segregation, a Chicago minister named Chris

Moore started a children's choir that embraced the spirit of the civil rights movement and brought young people of different races together, young people who lent their voices to support African Americans struggling for racial equality. More than 50 years later, the Chicago Children's Choir continues its commitment to freedom and justice. An accompanying CD, *Songs on the Road to Freedom*, features the CCC performing the songs discussed throughout the book.

"South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. If one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions

Online Library Old Mutual National Choir Festival Prescribed Music Format

that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the music of the black communities. Beyond memory: recording the history, moments and memories of South African music is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of Max Thamagana Mojapelo, who was

Online Library Old Mutual National Choir Festival Prescribed Music Format

situated in the very thick of things, thanks to his job as a DJ at the South African Broadcasting Corporation. This book -astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries"--Publisher's description. In recent decades, world music styles have been

Online Library Old Mutual National Choir Festival Prescribed Music Format

making increasing inroads into Western popular music, music theater, choral concerts, and even concert hall performances. *So You Want to Sing World Music* is an essential compendium of these genres and provides technical approaches to singing non-Western styles. Matthew Hoch gathers a cohort of expert performers and teachers to address singing styles from across the globe, including Tuvan throat singing, Celtic pop and traditional Irish singing, South African choral singing, Brazilian popular music genres, Hindustani classical singing, Native American vocal music, Mexican mariachi, Lithuanian
