McConey and his buddies can't wait to hit the mountain for winter vacation. Skiing, relaxing, dance parties, and card games... Just what the doctor ordered to get away from it all. A Graphic Adaptation An HBO Original Movie starring Michael B. Jordan (Black Panther), Sofia Boutella (Star Trek: Beyond), and Michael Shannon (The Shape of Water). An Eisner Award Nominee "Monday burn Millay, Wednesday Whitman, Friday Faulkner, burn 'em to ashes, then burn the ashes." For Guy Montag, a career fireman for whom kerosene is perfume, this is not just an official slogan. It is a mantra, a duty, a way of life in a tightly monitored world where thinking is dangerous and books are forbidden. In 1953, Ray Bradbury envisioned one of the world's most unforgettable dystopian futures, and in Ray Bradbury's Fahrenheit 451, the artist Tim Hamilton translates this frightening modern masterpiece into a gorgeously imagined graphic novel. As could only occur with Bradbury's full cooperation in this authorized adaptation, Hamilton has created a striking work of art that uniquely captures Montag's awakening to the evil of government-controlled thought and the inestimable value of philosophy, theology, and literature. Including an original foreword by Ray Bradbury and fully depicting the brilliance and force of his canonic and beloved masterwork, Ray Bradbury's Fahrenheit 451 is an exceptional, haunting work of graphic literature.

Asterix mixes it up with everyone from Julius Caesar to Cleopatra in this outstanding Omnibus! After conquering Europe, where this feisty, little warrior is a true pop culture super-star, Asterix is invading America with another three classic adventures, newly translated into American English. Asterix conquered Europe ironically by keeping his tiny village in Gaul from being conquered by the Roman Empire. Turns out, Asterix and his fellow villagers have a secret weapon, a potion that imbues them all with super strength. But the Romans aren't about to give up no matter how many times Asterix and his friends fend them off. These classic comics are not only incredibly entertaining, filled with humor, adventure, and great characters, but the historic figures are brought to life in a way that's exciting and humanizing, providing educational elements to each story, similar to the Geronimo Stilton graphic novels.

We find "Asterix in Switzerland" as the indomitable Gaulish warrior yodels in the Alps, has plenty of holey cheese, and stumbles upon Helvetica. Then, the villagers are tempted with "The Mansion of the Gods" with all the modern luxuries of Rome when a new housing development threatens to urbanize (and Romanize) their humble tribe. Finally, it is a true Roman circus as Obelix and Asterix head to Rome to get a key ingredient to the Chieftain's soup, Caesar's Laurel Wreath. What will become of "Asterix and the Laurel Wreath" and will Rome ever be the same? These three classic graphic novels are newly translated especially for an American audience.

What do you get when you cross a wacky, jam-packed joke book with a kid who loves to LOL? A load of laughs and jokes for kids in this perfect book for young comedians! What winter sport do trees participate in? Al-pine skiing! What do construction workers use to block traffic in winter? Snow cones! What did one telephone give the other telephone on Valentine's Day? A ring! LOL: A Load of Laughs and Jokes for Kids is crammed full of the wildest, wackiest jokes ever! Covering a range of topics from Animals to Zippers and everything in between, it will have your jokesters howling with laughter.

Asterix and The Vikings

Martin Kowalski is an eighty-year-old man stuck in a twenty-year-old body. He works the graveyard shift. He has a poster of Bela Lugosi on his wall and a box of uneaten Count Chocula in his pantry. He drinks stem-cell-derived blood from cleverly packaged and marketed juice boxes. He is, in short, a vampire. But since his wildly successful scheme to turn as many mortals as possible into vampires -- "vamp" them rather than kill them -- resulted in a new immortal majority, Marty finds little of interest to fill his countless days. From the deeply imaginative mind of David Sosnowski -- who gave us the critically acclaimed junkie-angel classic Rapture -- bursts this neo-vampire novel studded with pint-size vampires known as "screamers" (children who were vamped and are none too happy about it); priest vampires who helped convert their flock into lifetime members of the Church; stripper vampires who lap-danced their way into customers' veins; and one very small, very outspoken human girl. When Marty decides to end his endless life of soul-crushing ennui -- call it vampire influenza -- a three-foot blond obstacle is thrown in his path: Isuzu Trooper Cassidy, a refugee from a human hunting preserve. At first he thinks "midnight snack," but before the sun comes up, Isuzu is the one snacking on his prized cereal collection as she charms him into staying undead long enough to raise her in a world rife with danger and almost entirely populated by vampires yearning for the taste of real human blood. The critics applauded David Sosnowski when Rapture was published, saying he "staked out a patch of turf somewhere between Franz Kafka and Douglas Adams." Now with Vamped, Sosnowski takes on a time-honored genre and breathes new life into it by turning Martin Kowalski's vampire world upside down and telling his story with rich, masterful, and frequently hilarious prose.

Strange things start to happen at Lissadell - odd noises, food going missing and rumours of a ghost - so Sherlock Holmes-fan Maeve is determined to lead an investigation. "Iskotew Iskwew/Fire Woman" is a poetry collection written during a period of trauma while the author was working as a Counsel to the National Inquiry into Missing and Murdered Indigenous Women and Girls in 2017. This book is about memories and experience growing up on the Pelican Narrows Reserve in northern Saskatchewan in the 1980s: summers spent on the land and the pain of residential school. With this collection, the author wants to teach and inform Canadians of her experiences growing up as an Indigenous woman in Saskatchewan. She believes it is important to share her stories for others to read.

In this special collectors' edition, books 22 to 24 are brought together in one fabulous volume. In ASTERIX AND THE GREAT CROSSING, a storm blows Asterix and Obelix off course. Luckily they land on the shores of a Roman colony - or is it? Teepees, totems, gobbling birds: it's not what they're used to. Julius Caesar sends Caius Preposterus, graduate of the Latin School of Economics, to corrupt the indomitable Gauls in OBELIX AND CO. Obelix's menhir trade is soon thriving - but does wealth bring happiness? In ASTERIX IN BELGIUM, the Gauls compete with the Belgian tribes to determine who is the bravest. But if the two groups unite, will Caesar meet his Waterloo? There is no better way to enjoy the antics of our indomitable hero and his friends.
