

## Once We Were Brothers A Novel Liam Taggart And Catherine Lockhart

*Suggested level: primary.*

*The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.*

*This book summary and analysis is created for individuals who want to extract the essential contents and are too busy to go through the full version. This book is not intended to replace the original book. Instead, we highly encourage you to buy the full version. What is the true nature of the fabrics of spacetime? Where does humankind belong in the grand scheme of the universe? How exactly is the universe alive within us? Let renowned astrophysicist and acclaimed author Neil deGrasse Tyson guide you through these baffling mysteries of the cosmos. In the modern day, so few people spend their time to contemplate the secrets of the universe. Tyson offers us a closer look at the heavens, with brevity and wit, in twelve comprehensible chapters you can read anytime, anywhere. As you brew your morning coffee or as you wait for your bus ride to work, this book provides just more than enough for you to be fluent in the complex subject of the cosmos. From the Big Bang to supermassive black holes, from general relativity to quantum theory, and from the quest for exoplanets to the quest for extraterrestrial life—Astrophysics for People in a Hurry guarantees to fill you in and bring you up to date. Wait no more, take action and get this book now!*

*"Mr. Vonnegut dreams up diabolically elegant business crimes, then sends smart-talking characters to follow the money. He draws upon his own Wall Street experience (with Morgan Stanley, among other employers) to provide the sound of insider acumen.... There's enough novelty to this plot to set "The Trust" apart from garden-variety business thrillers, the ones in which Bernard Madoff stand-ins run Ponzi schemes. Anyway, Mr. Vonnegut is just getting started." —The New York Times* Norb Vonnegut lends his unique insider's perspective and his darkly humorous writing to a fast-talking suspense thriller that takes readers inside the high-rolling world of global finance. One sultry morning in Charleston, South Carolina, real estate magnate Palmer Kincaid's body washes ashore, the apparent victim of accidental drowning. Palmer's daughter calls Grove O'Rourke, stockbroker and hero of Top Producer, for help getting her family's affairs in order. Palmer was Grove's mentor and client, the guy who opened doors to a world beyond Charleston. Grove steps in as the interim head of the Palmetto Foundation, an organization Palmer created to encourage philanthropy. Community foundations, like the Palmetto Foundation, are conduits. Philanthropists gift money to them and propose the ultimate beneficiaries. But in exchange for miscellaneous benefits— anonymity, investment services, and favorable tax treatment—donors lose absolute control. Once funds arrive, community foundations can do whatever they decide. For years Palmer showed great sensitivity to his donors, honoring their wishes to funnel funds into the charities of their choice—his unspoken pledge—and it was this largesse which made him a respected pillar of the Charleston community. But after Grove authorizes a \$25 million transfer requested by a priest from the Catholic Fund, he discovers something is terribly wrong. He gets a call from Biscuit Hughes, a lawyer representing the people of Fayetteville, North Carolina, against a new sex superstore in their town. Biscuit has traced the store's funding to a most unlikely source: the Catholic Fund. Together, Grove and Biscuit launch an investigation into the fund, but the deeper they dig, the more evidence they find that the fund's money isn't being used to support the impoverished—it's going somewhere much more sinister. When someone close to him disappears and the FBI starts breathing down his neck, Grove knows he has to figure out who's pulling all the strings before the shadowy figure who will stop at nothing to keep the fund a secret gets to him.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library 's new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany 's and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote 's masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers ' flight, Capote 's account is so detailed that the reader comes to feel almost like a participant in the events.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves,

from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The challenges to humanity posed by the digital future, the first detailed examination of the unprecedented form of power called "surveillance capitalism," and the quest by powerful corporations to predict and control our behavior. In this masterwork of original thinking and research, Shoshana Zuboff provides startling insights into the phenomenon that she has named surveillance capitalism. The stakes could not be higher: a global architecture of behavior modification threatens human nature in the twenty-first century just as industrial capitalism disfigured the natural world in the twentieth. Zuboff vividly brings to life the consequences as surveillance capitalism advances from Silicon Valley into every economic sector. Vast wealth and power are accumulated in ominous new "behavioral futures markets," where predictions about our behavior are bought and sold, and the production of goods and services is subordinated to a new "means of behavioral modification." The threat has shifted from a totalitarian Big Brother state to a ubiquitous digital architecture: a "Big Other" operating in the interests of surveillance capital. Here is the crucible of an unprecedented form of power marked by extreme concentrations of knowledge and free from democratic oversight. Zuboff's comprehensive and moving analysis lays bare the threats to twenty-first century society: a controlled "hive" of total connection that seduces with promises of total certainty for maximum profit -- at the expense of democracy, freedom, and our human future. With little resistance from law or society, surveillance capitalism is on the verge of dominating the social order and shaping the digital future -- if we let it.

"Omar and his younger brother Hassan live in a refugee camp, and when an opportunity for Omar to get an education comes along, he must decide between going to school every day or caring for his nonverbal brother in this ... portrayal of family and daily life in a refugee camp"--

*"A thrilling, action-filled suspense novel.... Those who loved Balson's other books like Once We Were Brothers and Karolina's Twins will love this latest entry." —The Huffington Post* *The Trust, from Ronald H. Balson, the international bestselling author of Once We Were Brothers, finds private investigator Liam Taggart returning to his childhood home for an uncle's funeral, only to discover his death might not have been natural. When his uncle dies, Liam Taggart reluctantly returns to his childhood home in Northern Ireland for the funeral—a home he left years ago after a bitter confrontation with his family, never to look back. But when he arrives, Liam learns that not only was his uncle shot to death, but that he'd anticipated his own murder: In an astonishing last will and testament, Uncle Fergus has left his entire estate to a secret trust, directing that no distributions be made to any person until the killer is found. Did Fergus know, but refuse to name, his killer? Was this a crime of revenge, a vendetta leftover from Northern Ireland's bloody sectarian war? After all, the Taggarts were deeply involved in the IRA. Or is it possible that the killer is a family member seeking Fergus's estate? Otherwise, why postpone distributions to the heirs? Most menacingly, does the killer now have his sights on other family members? As his investigation draws Liam farther and farther into the past he has abandoned, he realizes he is forced to reopen doors long ago shut and locked. Now, accepting the appointment as sole trustee of the Fergus Taggart Trust, Liam realizes he has stepped into the center of a firestorm.*

*The heart-stopping third installment in the New York Times bestselling Shatter Me series, which Ransom Riggs, author of Miss Peregrine's Home for Peculiar Children and Hollow City, called "a thrilling, high-stakes saga of self-discovery and forbidden love." With Omega Point destroyed, Juliette doesn't know if the rebels, her friends, or even Adam are alive. But that won't keep her from trying to take down The Reestablishment once and for all. Now she must rely on Warner, the handsome commander of Sector 45. The one person she never thought she could trust. The same person who saved her life. He promises to help Juliette master her powers and save their dying world . . . but that's not all he wants with her. The Shatter Me series is perfect for fans who crave action-packed young adult novels with tantalizing romance like Divergent by Veronica Roth, The Hunger Games by Suzanne Collins, and Legend by Marie Lu. Tahereh Mafi has created a captivating and original story that combines the best of dystopian and paranormal and was praised by Publishers Weekly as "a gripping read from an author who's not afraid to take risks." Don't miss Defy Me, the shocking fifth book in the Shatter Me series!*

*New York Times Bestseller • On the 40th anniversary of The Band's legendary The Last Waltz concert, Robbie Robertson finally tells his own spellbinding story of the band that changed music history, his extraordinary personal journey, and his creative friendships with some of the greatest artists of the last half-century. Robbie Robertson's singular contributions to popular music have made him one of the most beloved songwriters and guitarists of his time. With songs like "The Weight," "The Night They Drove Old Dixie Down," and "Up on Cripple Creek," he and his partners in The Band fashioned a music that*

*has endured for decades, influencing countless musicians. In this captivating memoir, written over five years of reflection, Robbie Robertson employs his unique storyteller's voice to weave together the journey that led him to some of the most pivotal events in music history. He recounts the adventures of his half-Jewish, half-Mohawk upbringing on the Six Nations Indian Reserve and on the gritty streets of Toronto; his odyssey at sixteen to the Mississippi Delta, the fountainhead of American music; the wild early years on the road with rockabilly legend Ronnie Hawkins and The Hawks; his unexpected ties to the Cosa Nostra underworld; the gripping trial-by-fire "going electric" with Bob Dylan on his 1966 world tour, and their ensuing celebrated collaborations; the formation of the Band and the forging of their unique sound, culminating with history's most famous farewell concert, brought to life for all time in Martin Scorsese's great movie *The Last Waltz*. This is the story of a time and place--the moment when rock 'n' roll became life, when legends like Buddy Holly and Bo Diddley criss-crossed the circuit of clubs and roadhouses from Texas to Toronto, when The Beatles, Hendrix, The Stones, and Warhol moved through the same streets and hotel rooms. It's the story of exciting change as the world tumbled through the '60s and early 70's, and a generation came of age, built on music, love and freedom. Above all, it's the moving story of the profound friendship between five young men who together created a new kind of popular music. Testimony is Robbie Robertson's story, lyrical and true, as only he could tell it.*

*The Gallagher Brothers series from NYT Bestselling Author Carrie Ann Ryan continues with the one brother who thinks he can handle it all and the one woman who could change that. Owen Gallagher likes everything in its place and is organized to a fault. While his brothers have each dealt with their own personal tragedies and stresses, Owen figures he's had it pretty easy. That is until his perfectly ordered world is rocked at its foundation and he's forced to rely on others. Now, he must heal his body and his soul while trying to ignore his delectable and utterly off-limits neighbor. Liz McKinley is stressed out, exhausted, and not in the mood for a bearded and growly man in her ER. When she patches him up to the best of his ability, she's prepared to push him firmly from her thoughts. Of course, that would be easier if she and her best friend hadn't bought the house next to his. Now their paths seem to cross daily, and she is finding it harder and harder to say no to the injured and angry man next door. But she's been scarred one too many times in her life, and even though this Gallagher looks good enough to eat, she knows that sometimes, sating that craving is the worst thing she can do.*

Bridging the gap between Episode II: Attack of the Clones and Episode III: Revenge of the Sith, this storyline is exclusive to graphic novels. This is a must read for all serious Star Wars fans! While Anakin Skywalker enjoys a brief respite from the Clone Wars (and a reunion with his secret wife Padme Amidala), Obi-Wan Kenobi embarks on a "personal" mission to verify a rumour that the dark Jedi, Asajj Ventress, is still alive. Obi-Wan is becoming obsessed, and he knows it. But the danger of flirting with the dark side is a risk he's willing take to save the person about whom he cares most in the galaxy.

The ESV Study Bible was created to help people understand the Bible in a deeper way. Combining the best and most recent evangelical Christian scholarship with the highly regarded ESV text, it is the most comprehensive study Bible ever published. The ESV Study Bible features more than 2,750 pages of extensive, accessible Bible resources, including completely new notes, full-color maps, illustrations, charts, timelines, and articles created by an outstanding team of 93 evangelical Christian scholars and teachers. In addition to the 757,000 words of the ESV Bible itself, the notes and resources of the ESV Study Bible comprise an additional 1.1 million words of insightful explanation and teaching-equivalent to a 20-volume Bible resource library all contained in one volume. (Please note this edition does not come with free access to the Online ESV Study Bible resources.)

Set in France, Israel and Jordan, this intelligent, deeply researched story of courage, brinkmanship and compassion weaves historical fact into a compelling thriller, with not a shot fired.

Introducing the Wilder Brothers. Six sexy, built, slightly overprotective brothers. Six women who won't back down in order to protect those they love. When the Wilder brothers return home after leaving the military and the lives they fought to build, they'll have to start from scratch and create roots when they had none before. They're moving to a new state, a new town, and with a new set of problems they never expected. Falling in love along the way isn't in the cards, but the Wilder brothers should know by now-you don't choose your fate, fate chooses you.

***In the tradition of *The Nightingale*, *Sarah's Key*, and *Lilac Girls*, comes a saga inspired by true events of a Holocaust survivor's quest to return to Poland and fulfill a promise, from Ronald H. Balson, author of the international bestseller *Once We Were Brothers*. ~ ~ "Readers who crave more books like Balson's *Once We****

**Were Brothers and Kristin Hannah's bestselling *The Nightingale* will be enthralled by *Karolina's Twins*.** —Booklist (starred review) "A heart-wrenching but ultimately triumphant story." —Chicago Tribune ~~ She made a promise in desperation Now it's time to keep it Lena Woodward, elegant and poised, has lived a comfortable life among Chicago Society since she immigrated to the US and began a new life at the end of World War II. But now something has resurfaced that Lena cannot ignore: an unfulfilled promise she made long ago that can no longer stay buried. Driven to renew the quest that still keeps her awake at night, Lena enlists the help of lawyer Catherine Lockhart and private investigator Liam Taggart. Behind Lena's stoic facade are memories that will no longer be contained. She begins to recount a tale, harkening back to her harrowing past in Nazi-occupied Poland, of the bond she shared with her childhood friend Karolina. Karolina was vivacious and beautiful, athletic and charismatic, and Lena has cherished the memory of their friendship her whole life. But there is something about the story that is unfinished, questions that must be answered about what is true and what is not, and what Lena is willing to risk to uncover the past. Has the real story been hidden these many years? And if so, why? Two girls, coming of age in a dangerous time, bearers of secrets that only they could share. Just when you think there could not be anything new to ferret out from World War II comes *Karolina's Twins*, a spellbinding new novel by the bestselling author of *Once We Were Brothers* and *Saving Sophie*. In this richly woven tale of love, survival and resilience during some of the darkest hours, the unbreakable bond between girlhood friends will have consequences into the future and beyond.

**#1 NEW YORK TIMES BESTSELLER • A modern, sophisticated suspense novel from National Book Award finalist, and Printz Award honoree E. Lockhart. Don't miss the eagerly anticipated prequel, *Family of Liars*, available May 2022! A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. Read it. And if anyone asks you how it ends, just LIE. "Thrilling, beautiful, and blisteringly smart, *We Were Liars* is utterly unforgettable." —John Green, #1 New York Times bestselling author of *The Fault in Our Stars***

**New York Times Bestseller: A "powerful and epic story . . . the best account of infantry combat I have ever read" (Col. David Hackworth, author of *About Face*). In November 1965, some 450 men of the First Battalion, Seventh Cavalry, under the command of Lt. Col. Harold Moore, were dropped into a small clearing in the Ia Drang Valley. They were immediately surrounded by 2,000 North Vietnamese soldiers. Three days later, only two and a half miles away, a sister battalion was brutally slaughtered. Together, these actions at the landing zones X-Ray and Albany constituted one of the most savage and significant battles of the Vietnam War. They were the first major engagements between the US Army and the People's Army of Vietnam. How these Americans persevered—sacrificing themselves for their comrades and never giving up—creates a vivid portrait of war at its most devastating and inspiring. Lt. Gen. Moore and Joseph L. Galloway—the only journalist on the ground throughout the fighting—interviewed hundreds of men who fought in the battle, including the North Vietnamese commanders. Their poignant account rises above the ordeal it chronicles to depict men facing the ultimate challenge, dealing with it in ways they would have once found unimaginable. It reveals to us, as rarely before, man's most heroic and horrendous endeavor.**

**An award-winning novel in stories surrounding a young, half-white, half-Puerto Rican boy grappling with life, love, and identity as he comes of age. In this groundbreaking debut, Justin Torres plunges us into the chaotic heart of one family, the intense bonds of three brothers, and the mythic effects of this fierce love on the people we must become. NOW A MAJOR MOTION PICTURE "A tremendously gifted writer whose highly personal voice should excite us in much the same way that Raymond Carver's or Jeffrey Eugenides's voice did when we first heard it." —Washington Post "We the Animals is a dark jewel of a book. It's heartbreaking. It's beautiful. It resembles no other book I've read."—Michael Cunningham "A miracle in concentrated pages, you are going to read it again and again."—Dorothy Allison "Rumbles with lyric dynamite...Torres is a savage new talent."—Benjamin Percy, Esquire "A fiery ode to boyhood...A welterweight champ of a book."—NPR, Weekend Edition "A novel so honest, poetic, and tough that it makes you reexamine what it means to love and to hurt."—O, The Oprah Magazine "The communal howl of three young brothers sustains this sprint of a novel...A kind of incantation."—The New Yorker**

**After a tour in combat duty, followed by an emotional homecoming that forced him back into the South Pacific, a Marine staff sergeant found himself caught for five days and five nights in Vietnam just before the fall of Saigon. The United States was finally healing from the tragedy of the previous 10 years and had to stay on that course at all costs. Propaganda was prevalent in the days before the embedded journalists of today's wars. Cover-ups came easier for the most powerful government on Earth. Would this Marine become a statistic or a survivor? Share in his adventure and feel his emotions as he relives his tours as a combatant through his homecoming and getting caught up in a backfired plot to help two officers enhance their careers.**

**The dawn of the twenty-first century marked a turning period for American Yiddish culture. The 'Old World' of Yiddish-speaking Eastern Europe was fading from living memory - yet at the same time, Yiddish song enjoyed a renaissance of creative interest, both among a younger generation seeking reengagement with the Yiddish language, and, most prominently via the transnational revival of klezmer music. The last quarter of the twentieth century and the early years of the twenty-first saw a steady stream of new songbook publications and recordings in Yiddish - newly composed songs, well-known singers performing nostalgic favourites, American popular songs translated into Yiddish, theatre songs, and even a couple of forays into Yiddish hip hop; musicians meanwhile engaged with discourses of musical revival, post-Holocaust cultural politics, the transformation of language use, radical alterity and a new generation of American Jewish identities. This book explores how Yiddish song became such a potent medium for musical and ideological creativity at the twilight of the twentieth century, presenting an episode in the flowing timeline of a musical repertory - New York at the dawn of the twenty-first century - and outlining some of the trajectories that Yiddish song and its singers have taken to, and beyond,**

*This blistering novel—from the bestselling, Pulitzer Prize–winning author of The Road—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. No Country for Old Men is a triumph.*

*When I'm Gone, Look for Me in the East*

"We Were Brothers, Barry Moser's beautiful--and beautifully illustrated--new book, tells the wrenching and redeeming story of brothers who take different paths and yet ultimately find their ways back to each other . . . Their careful reconciliation after decades of strife and avoidance is sad, moving, and joyful all at the same time." —Andrew Hudgins, author of The Joker  
Preeminent illustrator Barry Moser and his brother, Tommy, were born of the same parents, were raised in the same small Tennessee community, and were poisoned by their family's deep racism and anti-Semitism. But as they grew older, their perspectives and their paths grew further and further apart. From attitudes about race, to food, politics, and money, the brothers began to think so differently that they could no longer find common ground, no longer knew how to talk to each other, and for years there was more strife between them than affection. When Barry was in his late fifties and Tommy in his early sixties, their fragile brotherhood reached a tipping point and blew apart. From that day forward they did not speak. But fortunately, their story does not end there. With the raw emotions that so often surface when we talk of our siblings, Barry recalls why and how they were finally able to traverse that great divide and reconcile their kinship before it was too late. Including fifteen of Moser's stunning drawings, this powerful true story captures the essence of sibling relationships--their complexities, contradictions, and mixed blessings. The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

The classic story of one family torn apart by the Revolutionary War All his life, Tim Meeker has looked up to his brother. Sam is smart and brave, and is now a part of the American Revolution. Not everyone in town wants to be a part of the rebellion. Most are supporters of the British, including Tim and Sam's father. With the war soon raging, Tim knows he will have to make a choice between the Revolutionaries and the Redcoats, and between his brother and his father.

Being a big brother is a BIG job. There's lots to show your little brother . . . Trains . . . Planes . . . How to be a dinosaur.

There are games to play and adventures to be had. And if trouble comes, it's big brother to the rescue because there's no better friend than a brother.

We Were Brothers

An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes

A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

When Ben Solomon accuses Elliot Rosenzweig, a respected civic leader and wealthy philanthropist, of being a former Nazi SS officer named Otto Piatek, two lives, two worlds, and sixty years converge in a race to redemption.

Every summer, two brothers swim to the rock, and one jumps off. But this summer, it's time for both of them to take the leap. In this moving coming-of-age story, a younger brother discovers newfound strength, courage, and joy, thanks to the support of his older brother—and the persuasiveness of his own imagination. Warm pastel illustrations lend a timeless quality to youthful trepidation and triumphant achievement in this celebration of summertime.

From the acclaimed author of We Ride Upon Sticks comes a luminous novel that moves across a windswept Mongolia, as estranged twin brothers make a journey of duty, conflict, and renewed understanding. Tasked with finding the reincarnation of a great lama—a spiritual teacher who may have been born anywhere in the vast Mongolian landscape—the young monk Chuluun sets out with his identical twin, Mun, who has rejected the monastic life they once shared. Their relationship will be tested on this journey through their homeland as each possesses the ability to hear the other's thoughts. Proving once again that she is a writer of immense range and imagination, Quan Barry carries us across a terrain as unforgiving as it is beautiful and culturally varied, from the western Altai mountains to the eerie starkness of the Gobi Desert to the ancient capital of Chinggis Khaan. As their country stretches before them, questions of faith—along with more earthly matters of love and brotherhood—haunt the twins. Are our lives our own, or do we belong to something larger? When I'm Gone, Look for Me in the East is a stunningly far-flung examination of our individual struggle to retain our convictions and discover meaning in a fast-changing world, as well as a meditation on accepting what simply is.

The First Book of Moses, Called Genesis

"From the author of Once We Were Brothers comes a saga inspired by true events of a Holocaust survivor's quest to fulfill a promise, return to Poland and find two sisters lost during World War II. "--

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, The Brothers Karamazov is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of

whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. The Brothers Karamazov remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Brothers Karamazov is both modern and readable.

The follow-up to "Diana's Boys" explores the last twenty years in the lives of Princes William and Harry and the evolution of their relationship as adults, with one brother the designated heir, and the other doomed to life as the spare. Print run 100,000.
