What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self-discipline may win entry. The newly exalted professionalized wife is no longer reliant on her husband ' s status or money; instead she can wield her own power provided she can successfully manage the business of being a wife. Wife, Inc. tells a fiercely contemporary story revealing that today ' s wives do not labor in kitchens or even homes.

Being a wife is a business that takes a lot more than a vow to maintain—this book tells that story.
