“A powerful opener to a series [that] will produce a combination of feisty protagonists and challenging circumstances to thoroughly involve not just young adults, but adult fantasy fans who seek epic stories fueled by powerful friendships and adversaries.” --Midwest Book Review (Diane Donovan) (re A Throne for Sisters) “Morgan Rice's imagination is limitless!” --Books and Movie Reviews (re A Throne for Sisters) From USA Today and #1 bestselling fantasy author Morgan Rice comes a new fantasy series for teens and adults. THE MAGIC FACTORY: OLIVER BLUE AND THE SCHOOL FOR SEERS (BOOK ONE) tells the story of one very special boy, Oliver Blue, different than those around him and unloved by his hateful family. Obsessed with inventions, Oliver is determined to escape his horrible life and make his mark on the world. When Oliver's family moves again, to another awful house and school, he is bullied and excluded, and sees no way out. But when he stumbles across an abandoned invention factory, he wonders if this could be his way out. Who is the mysterious old inventor hiding in the factory? What is his secret

invention? And might this factory be a portal to somewhere else? An inspiring fantasy, *THE MAGIC FACTORY* is book #1 in a riveting new series filled with magic, love, humor, heartbreak, tragedy, destiny, and a series of shocking twists. It will make you fall in love with Oliver Blue, and keep you turning pages late into the night. Book #2 in the series (*THE ORB OF KANDRA*) and Book #3 (*THE OBSIDIANS*) are now also available! "The beginnings of something remarkable are there." --San Francisco Book Review (re *A Quest of Heroes*)

Why settle for a pony or a puppy for Christmas when you could have a dinosaur? A rollicking adventure from singer-songwriter and YouTuber Tom Fletcher! Once upon a time--long, long ago, when dinosaurs roamed the Earth--an egg rolled away from its mother and landed in the ocean, where it froze solid and stayed peacefully for thousands of years. Then one day Santa and his elves discover the frozen egg, and Santa sits on it to see if it will hatch. But he can't guess what's inside. . . . A dinosaur! Meanwhile, a young boy named William Trundle has only ever wished for one thing for Christmas: a dinosaur! So when Santa accidentally gives William the real Christmasaurus instead of a

stuffed replica, it's the BEST CHRISTMAS EVER! Until an evil man known as the Hunter decides a dinosaur will be the perfect addition to his collection. A wild and hilarious adventure ensues in this instant Christmas classic!

Bücherlesen und -kaufen gehören bei vielen Deutschen nach wie vor zum Leben dazu. Durch den wiederholten Kontakt mit Büchern in verschiedenen Kontexten werden Handlungsweisen gelernt, Erwartungen gebildet und Bücher in andere Tätigkeiten im Alltag integriert. Anbieter, die Bücher bereitstellen, können sich diese Buchbeziehung zunutze machen, indem sie das Design und die Weiterentwicklung ihrer Angebote auf Erwartungen und Aktivitäten von Buchlesern abstimmen. Das vorliegende Werk stellt als eine Umsetzungshilfe das Konzept der Bereitstellungsqualität von Büchern vor und empfiehlt die Analyse des Kundenverhaltens aus Sicht der Tätigkeitstheorie und der Customer-Dominant Logic. Zur empirischen Prüfung dient die Auswertung von Kundenkommentaren zweier Vermietungsangebote von E-Books.

In the year 1260, a great cathedral, the most ambitious ecclesiastical building in all of Christendom, is rising high above the bustling city of Cologne under the supervision of the

architect Gerhard Morart. Far below the soaring spires and flying buttresses, a bitter war rages between the archbishop and the city's ruling merchant families—a deadly conflict that claims Morart as the first of its many victims. But there is a witness to the murder of the unfortunate architect, pushed to his death from the cathedral's scaffolding. A cunning, street-smart, politically naive petty thief called "Jacob the Fox" has seen it all—and seeing has made him the target of a relentless and ruthlessly efficient assassin who's been stripped of his humanity by dark, hidden secrets. Ensnared in the strangling vines of a terrifying conspiracy, the Fox must now run for his life. But who—and what—is he running from?

“Morgan Rice's imagination is limitless. In another series that promises to be as entertaining as the previous ones, A THRONE OF SISTERS presents us with the tale of two sisters (Sophia and Kate), orphans, fighting to survive in a cruel and demanding world of an orphanage. An instant success. I can hardly wait to put my hands on the second and third books!” --Books and Movie Reviews (Roberto Mattos) A bundle of books seven and eight in Morgan Rice's new fantasy series A THRONE FOR SISTERS (A CROWN FOR ASSASSINS and A CLASP FOR HEIRS). Here are two bestselling novels, all in one convenient file. Over 150,000 words of reading, all for an incredible price—it also makes the perfect gift! In A CROWN FOR ASSASSINS, Sophia, Kate and Lucas finally get the chance to journey in search of their long-lost parents. Will they find

them? Are they alive? And what message do they hold for them? Their journey demands a price, though. Ashton is left without a ruler, and the Master of Crows still lies in wait, ready to strike. As the fate of the realm lies in the balance, help may come from the most unlikely place of all: Stonehome. In A CLASP FOR HEIRS (A Throne for Sisters—Book Eight), Sophia, Kate and Lucas finally meet their parents. Who are they? Why were they in exile? And what secret message might they hold for them about their identities? Meanwhile, the Master of Crows ravages Ashton, Stonehome lies in danger, and Sebastian must find a way to whisk Violet to safety. Will Sophie, Kate and Lucas return in time to save them? Will they return at all? A THRONE FOR SISTER is a dazzling new fantasy series rife with love, heartbreak, tragedy, action, adventure, magic, sorcery, dragons, fate and heart-pounding suspense. A page turner, it is filled with characters that will make you fall in love, and a world you will never forget.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen

her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion,

Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Sie wollen sich einen Mac anschaffen und ihn optimal nutzen können? Oder Sie haben schon einen Mac, wollen aber auf das neue Betriebssystem umsteigen? Dann bildet dieses Buch eine passende Grundlage für den Umgang mit einem Mac. Bob LeVitus zeigt Ihnen alles was Sie im Umgang mit einem Mac wissen müssen. Im Besonderen wird auf das neue Betriebssystem Big Sur eingegangen. Sie lernen wie Sie mit dem Dock umgehen, Safari nutzen und mit den iLife-Programmen arbeiten. Auch für potenzielle Probleme zeigt Ihnen das Buch Möglichkeiten des Troubleshooting und gibt Ihnen hilfreiche Tipps.

"Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

What Lily Carter wants most in the world is to attend Princeton University just like her grandfather. When she finally visits the campus, Grandpa surprises her: She has been selected to take the top-secret Legacy Test. Passing means automatic acceptance to Princeton. Sweet! Lily's test is to find the Ivy Key. But what is she looking for? Where does she start? As she searches, Lily is joined by Tye, a cute college boy with orange and black hair who says he's her guard. That's weird. But things get seriously strange when a gargoyle talks to her. He tells her that there are two Princetons—the ordinary one and a magical one—and the Key opens the gate between them. But there are more secrets that surround Lily. Worse secrets. When Lily enters the magical Princeton, she uncovers old betrayals and new dangers, and a chance at her dream becomes a fight for her life. Soon Lily is caught in a power struggle between two worlds, with her family at its center. In a place where Knights slay monsters, boys are were-tigers, and dragons might be out for blood, Lily will need all of her

ingenuity and courage—and a little magic—to unite the worlds and unlock the secrets of her past and her future.

The Rake Has Found A Bride... When Juliet Smythe-Clyde is forced to spend several nights in the devastatingly handsome Duke of Brabourne's house—unchaperoned—her reputation is in tatters. And despite his cynical nature, Brabourne can't help but feel sorry for her. So when all his strategies to restore her in society fail, he offers for her hand in marriage. But when the exasperating, flame-haired young woman agrees to be his wife to save her honor, will the notorious rake be reformed as he finds himself falling for his bride?

Love was never part of his plan...until it pounced. As heir to an old and proud heritage, Aubrey Reynolds works and lives for his family, his employees and his pack. Agreeing to watch after a visiting werewolf is no big deal--until he discovers the newcomer is his mate. His very male mate...which is a very big deal, indeed. Revealing his sexuality was never part of Aubrey's well-ordered life plan. Much as he loved caring for his eight younger brothers, Matt Mahihkan knows it's time to grab the opportunity to attend college in Atlanta. Realizing Aubrey is his mate should have been a delightful experience...except Aubrey treats him more like a dirty little secret than a lover. Yet Matt is a patient man. Aubrey can't stay in the closet forever. Can he? In time, they settle into a comfortable, if

complicated, routine. Until a rogue werewolf with an axe to grind forces Aubrey to add to the wedge of secrets driving him and Matt apart, leaving Matt exposed to danger...and Aubrey forced to choose between love and duty. Warning: Contains color abuse with a really bad sense of fashion, a southern accent from hell, sex on antique furniture, a pouncing playful werewolf, obnoxious siblings, liberal use of a color identifier and impatient sex. No lightning bugs were harmed in the making of this book.

Der ewige Bestseller

The Dorsai are the finest soldiers ever trained to fight and win against all odds. The Spirit of Dorsai is an illumination of the heart and soul of the planet Dorsai and its people, showing with epic clarity and unforgettable vision how why the Dorsai fight and live. It tells of the beginning when the first Dorsai was former by mercenaries willing to fight other's battles to buy freedom for their own homes. It tells how even children and old men fought for the dream of Dorsai.

From the mouth of Amanda Morgan, direct descendant of two illustrious women who bore her name, the full story is told in all its splendour.

Set in a madhouse, three male patients, all nuclear physicists, believe they are Newton, Einstein and the third has visions from King Solomon. Are they really mad, or playing some murderous game with the world at stake?

Young Irish physician Peter Blood is exiled as a slave to Barbados. With other slaves he captures a Spanish galleon and becomes the terror of the Caribbean. An evocative murder mystery set in the Norwegian countryside, this story, like all good murder mysteries, is a stew of passion, buried past crimes, revelations, and sharply defined characters who remain ambiguous to the very end. Norwegian author Stein Riverton's 1908 novel *The Iron Wagon* has never been translated into English. Now, using a striking two-color drawing style and re-casting the story with his iconic animal characters from his previous graphic novel *Sshhhh!*, the acclaimed cartoonist Jason has adapted *The Iron Wagon* into an original graphic novel that will appeal not only to fans of his work but also to mystery fans who will finally have a chance to experience Riverton's clever story.

Spirit of Dorsai

His Odyssey

Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating

consequences.

Vieles gibt es im Internet völlig kostenlos. Dies verändert grundlegend Kaufverhalten und Mentalität der Konsumenten: Warum zahlen, wenn man Produkte auch umsonst kriegen kann? Unternehmen können von dieser "Free"-Mentalität aber letztlich auch profitieren. Ein Beispiel ist IBM, die Software verschenken und die dafür nötige Hardware verkaufen. Der Reiz und letztlich das Profitable am "Konzept Kostenlos" ist also: Unternehmen machen sich bekannt und werben neue Kunden - kostenlose Produkte sind letztlich ein ideales Marketinginstrument. Anderson zeigt anhand von vier konkreten Geschäftsmodellen, wie es Unternehmen gelingen kann, sich "Free" zunutze zu machen und damit erfolgreich zu werden. Andersons These: Gerade wenn etwas digital ist, wird es früher oder später sowieso kostenlos sein. Man kann "Free" nicht aufhalten. Und: "Free" lohnt sich!

Die Mona Lisa von Leonardo da Vinci, "Let It Be" von den Beatles, Hamburger von McDonald's oder das iPhone von Apple. Werke und Produkte, die ihren Urhebern nicht nur

unendlichen Ruhm und eine Menge Geld einbrachten, sondern bis heute überall auf der Welt bekannt sind. Doch wie schafft man in Zeiten, in denen das just gehypte Start-up schon nach wenigen Jahren pleitegeht oder Kinofilme nach gerade einmal einem Wochenende schon abgeschrieben werden, überhaupt etwas Bleibendes? New York Times-Bestsellerautor Ryan Holiday hat akribisch die besten Tools, Taktiken und Routinen von erfolgreichen Musikern, Entrepreneuren und Filmemachern gesammelt und analysiert. Die gute Nachricht: Ein neues Kultprodukt zu kreieren muss nicht nur Glück sein. Wie jeder das richtige Mindset erlangt, um sein Produkt - sei es ein Film, ein Buch oder eine Geschäftsidee - zum absoluten Verkaufshit machen kann, enthüllt Holiday in seinem neuen Bestseller. Damn her. His body was still on fire. Damn her, why had she responded that way? So honestly. With no coyness. No affectation. Her mouth had been so receptive. Her kisses so generous. Her breasts so soft... Only two survive the small plane crash in the Canadian wilderness miles from civilization: Rusty Carlson, a real estate agent from Beverly Hills, who has

never faced anything more perilous than L.A.'s rush hour traffic; and Cooper Landry, an embittered Vietnam veteran, who has endured the horrors of warfare and a POW camp. Rusty wouldn't have believed herself capable of dragging her unconscious fellow passenger from the wreckage, but that was only the first challenge confronting her. The man himself is as hostile and unforgiving as the mountainous terrain in which they're stranded. If they had a choice, they would go their separate ways. But they don't. If they want to live, they must stay together. Teamed against the harsh elements, injury, and a pair of conniving cutthroats, Rusty and Cooper must rely on each other in order to survive. In a one room cabin they find shelter. . .but, as winter closes in, they have no protection against the sexual attraction that becomes the real test of their fortitude. Within those four rough walls, Rusty discovers that Cooper's brusqueness arises from immeasurable heartache, and, to Cooper's dismay, his credo of No romance, no love, no thanks becomes his desperate chant to ward against Rusty's allure.

Learn how to use R to turn raw data into insight, knowledge, and understanding. This book introduces you to R, RStudio, and the tidyverse, a collection of R packages designed to work together to make data science fast, fluent, and fun. Suitable for

readers with no previous programming experience, R for Data Science is designed to get you doing data science as quickly as possible. Authors Hadley Wickham and Garrett Grolemund guide you through the steps of importing, wrangling, exploring, and modeling your data and communicating the results. You'll get a complete, big-picture understanding of the data science cycle, along with basic tools you need to manage the details. Each section of the book is paired with exercises to help you practice what you've learned along the way. You'll learn how to: Wrangle—transform your datasets into a form convenient for analysis Program—learn powerful R tools for solving data problems with greater clarity and ease Explore—examine your data, generate hypotheses, and quickly test them Model—provide a low-dimensional summary that captures true "signals" in your dataset Communicate—learn R Markdown for integrating prose, code, and results

Written in 1912, *Death in Venice* is Thomas Mann's best-known novella -- a haunting, elegiac masterpiece in which the main character, Gustav Aschenbach, is a successful and much-revered author. While vacationing in Venice, this highly disciplined writer, who always has maintained extraordinary control of his literary creations, finds himself suddenly overwhelmed by an all-consuming love for a beautiful young boy. A deadly epidemic sweeps through the city, but Aschenbach's attraction to the youth compels him to remain, thus sealing his fate. The second work in this volume, "A Man and His Dog," concerns Bauschan, a friendly mongrel pointer acquired by the Mann family in

1916. A constant companion during the author's morning walks, the loyal creature also deposited himself regularly under Mann's desk while the author worked -- a gesture not always appreciated by the writer. More of a genial essay or memoir than a "story," this charming piece, including "one of the most beautiful descriptions of landscape in German literature," is reprinted here with its original preface, which is translated (most likely for the first time) into English. For both works, Stanley Appelbaum has provided an introduction and informative notes, along with excellent new English translations on the pages facing the original German.

Eine ganze Bibliothek in der Tasche, ohne schwer tragen zu müssen und dazu noch kostenlos - wie klingt das? Alles, was Sie dazu brauchen, ist einen eReader, einen Internet-Zugang und diesen handlichen Ratgeber. Maximilian Buckstern bietet Ihnen Hilfe bei der Kaufentscheidung für eines der zahlreichen Lesegeräte und zeigt Ihnen, wie Sie eBooks, elektronische Zeitungen und Zeitschriften auf iPad, Kindle, Smartphone oder auch PC laden. Im Buch finden Sie jede Menge Adressen von virtuellen eBook-Läden und Online-Kiosks auf, die er alle selbst besucht hat und nun kommentiert. Neben deutschsprachigen nennt er auch Quellen für fremdsprachige Literatur, eine wahre Fundgrube!

Enchanted Ivy

A Throne for Sisters (Books 7 and 8)

We All Fall Down

Lay Down Your Arms

Immensee

The Trial is one of the central works of modern literature. This meticulous new translation includes the chapters Kafka left incomplete and is accompanied by a biographical preface, detailed introduction, chronology, bibliography and notes.

Franz Kafka (3 July 1883 - 3 June 1924) was one of the greatest writers of the 20th century, but almost nobody was aware of his writing until after his death. Kafka did not intend for his unpublished work to come out after his death, but his wishes were ignored, to the world's benefit. Kafka's work is so profound and unique that the term "Kafkaesque" is now a part of the English language, a reference to surreal distortions and amazing complexities.

First published in 1997, Glenn Meade's first internationally bestselling thriller is back and better than ever, as it takes you on a riveting ride into the heart of a Cold War plot to assassinate Joseph Stalin. It's 1953—the middle of the Cold War. Joseph Stalin is a major threat—with his deteriorating mental stability, reports that

he's about to resume his horrifying purges, and the Soviet Union on the cusp of developing nuclear weapons, it's a risk the US government is unwilling to take. Operation Snow Wolf is created to eliminate Stalin before it's too late. CIA agent Jake Massey is chosen to run the operation and he recruits Alex Slanski—AKA Wolf—to do the deed, along with Anna, who recently escaped from a Soviet gulag, to be his guide. But someone knows their plan, and the KGB have dispatched their own deadly Major Yuri Lukin to hunt down the hunters. As circumstances quickly unravel, Jake must somehow put an end to the mission he had set into motion—before the entire situation explodes into World War III. Filled with breathtaking action and nail-biting thrills, this classic bestseller proves that despite being over, the Cold War can “still freeze readers' attention and chill their blood” (Publishers Weekly). A novel from one of the country's most prolific and popular YA authors, this book, set in New York City on September 11th, shows us how the experiences of that day profoundly changed one teen's life and relationships. Today is September 10, 2001, and Will, a grade nine student, is spending the day at his father's workplace tomorrow. As part of a school assignment, all the students in his

class will be going to their parents tomorrow, but Will isn't excited about it-he'd rather sleep in and do nothing with his friends. His father doesn't even have an exciting job like his best friend James's father who is a fireman. Will's dad works for an international trading company and has to wake up early every morning to commute to his office on the eighty-fifth floor in the south building of the World Trade Center in Manhattan. Will doesn't see his father very often because of the hours he puts in at the office. He doubts that his dad will bother making time for him tomorrow even when they are supposed to be spending the day together. In this fast-paced and dramatic new novel by bestselling author Eric Walters, Will discovers a new side of his father during an event that continues to affect the world. As Will's new teacher says, tomorrow "might be an experience that changes your entire life."

A Thriller

Nineteen Eighty-Four

Hermann Hesse, the author, has narrated a lot about Siddhartha and his spiritual journey. A lot has been discussed about Siddhartha. He is loved by everyone. He is a source of joy for everybody, but he, Siddhartha, is not a source of joy for himself, he finds no delight in himself. Siddhartha has started to nurse discontent in himself, he has started to feel that the love of his father and his mother, and love of his friend, will not bring him joy forever and ever, will not nurse him, freed him, satisfy him. Siddhartha has many queries in his mind like as, "Do the sacrifices give a happy fortune?", "What about the Gods?", "Was it really Prajapati who had created the world?" "Was it not the "Atman", the singular one?" Siddhartha meets his father and says, "With your permission, my father, I have come to tell you that it is my longing to leave your house tomorrow and go to ascetics. My desire is to become a Samara." His father says—"You will go into the go forest and be a Samara , when you will find blissfulness in the forest, come back and teach me to be blissful." This is just an excerpt, the whole book consists of spiritualistic way of narration, thus becomes interesting one. Once you start reading can't resist to leave the book in the mid.

The latest novel from the #1 internationally best-selling author of *The Alchemist*. There is nothing wrong with anxiety. Although we cannot control God's time, it is part of the human condition to want to receive the thing we are waiting for as quickly as possible. Or to drive away whatever is causing our fear. . . . Anxiety was born in the very same moment as mankind. And since we will never be able to master it, we will have to learn to live with it—just as we have learned to live with storms. * * * July 14, 1099. Jerusalem awaits the invasion of the crusaders who have surrounded the city's gates. There, inside the ancient

city's walls, men and women of every age and every faith have gathered to hear the wise words of a mysterious man known only as the Copt. He has summoned the townspeople to address their fears with truth: "Tomorrow, harmony will become discord. Joy will be replaced by grief. Peace will give way to war. . . . None of us can know what tomorrow will hold, because each day has its good and its bad moments. So, when you ask your questions, forget about the troops outside and the fear inside. Our task is not to leave a record of what happened on this date for those who will inherit the Earth; history will take care of that. Therefore, we will speak about our daily lives, about the difficulties we have had to face." The people begin with questions about defeat, struggle, and the nature of their enemies; they contemplate the will to change and the virtues of loyalty and solitude; and they ultimately turn to questions of beauty, love, wisdom, sex, elegance, and what the future holds. "What is success?" poses the Copt. "It is being able to go to bed each night with your soul at peace." * * * Now, these many centuries later, the wise man's answers are a record of the human values that have endured throughout time. And, in Paulo Coelho's hands, *The Manuscript Found in Accra* reveals that who we are, what we fear, and what we hope for the future come from the knowledge and belief that can be found within us, and not from the adversity that surrounds us. This eBook edition includes a Reading Group Guide.

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance,

and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

This new edition of the acclaimed translation of Niccol- Machiavelli's The Prince - revised for the first time after thirty years - includes a rewritten and extended introduction by Quentin Skinner. Niccol- Machiavelli is arguably the most famous and controversial figure in the history of political thought. The Prince remains his best-known work, and throws down a challenge that subsequent writers on statecraft and political morality have found impossible to ignore. Quentin Skinner's introduction offers a lucid analysis of Machiavelli's text both as a response to the world of Florentine politics and as a critical engagement with the classical and Renaissance genre of advice-books for princes. This new edition also features an improved timeline of key events in Machiavelli's life, helping the reader place the work in the context of its time, in addition to an enlarged and fully updated bibliography.

Sequel to Change of Heart
Change of Heart: Book Two Jin Rayne is having trouble adjusting to the new life he's supposed to love. Instead of adapting to being the mate of

tribe leader Logan Church, Jin can't get past the fact that his lover was straight before they met. He's discovered the joy in belonging to Logan but fears his new life could disappear at a moment's notice, despite Logan's insistence that they are forever, end of story. Jin wants to trust Logan, but that desire will be put to the test both by a rival tribe leader and by a startling revelation about Jin's existence. At stake is Jin's life and his place in the tribe. If he's going to survive to see Logan again, he'll have to release his fear and freely accept the bond, for only then can he truly trust.

After meeting Susanne Lasko, a desperate, unemployed divorcee, by chance, Nadia Trenkler, a stylish Berlin investment counselor, hires Susanne, whom she closely resembles, to spend the weekend with her husband, with whom she barely interacts, so

she can conduct an out-of-town affair. Of course, a lot more is going on than Susanne realizes. For one thing, Marcus Zurkeulen, a shady investor Nadia has been tricking, wants the money she stole from him. When the devious Nadia disappears, Susanne continues the deception with scary results.

Jonathan Harker, a newly qualified English solicitor, travels to Count Dracula's crumbling, remote castle in Eastern Europe to provide legal support for a real estate transaction. At first seduced by The Count's gracious manner, Harker soon discovers that he has become a prisoner in the castle and begins to see disquieting facets of Dracula's nocturnal life. Frightened but determined, Harker investigates the nature of his confinement and becomes uneasy as he realizes that the count possesses supernatural powers and diabolical ambitions. After a dangerous escape from the castle and a long convalescence, Harker returns to England to find that the Count has been very busy.
