The Seventh Telling is a journey into the Kabbalah, a spiritual discipline hidden within the folds of Jewish history. Stephanie and Sidney have been studying with Moshe Katan, a kabbalist who shared his learning only when he perceived that a kabbalistic intervention might be necessary to save the life of Rivkah, his wife. What has happened to Moshe and Rivkah we do not know, only that their house is now being used for an extraordinary storytelling, a spiritual discipline to share with those willing to risk examining the very core of their beliefs.

The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimension—the visionary world of the seer. You will discover the prophetic power of dreams, visions, and life under the open heavens. How does visionary revelation "happen?" Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer, or is this a prophetic dimension reserved for the specially-gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God, because The Seer's goal is to reveal the man Christ Jesus!
