If you have already come to the realization that Wicca is the religion for you, this book will help fill those many blanks that have been left by other books. Author A.J. A Wiccan Bible takes you through the journey of life in three stages:

- Maiden and Master: Creation, Wiccaning, and Self-dedication.

A Wiccan Bible not only shows a religious path filled with joy, but one that offers the ability to accept and manage sorrow. It is filled with ritual and with the reasons why ritual is fulfilling, rewarding, and a necessary part of everyday life. As A.J. addresses each issue, he demonstrates not only how he found the solutions in Wicca, and the many ways in which science and magick have helped him to do so. A Wiccan Bible also
