

Organisational Behaviour Stephen Robbins

There is a strong movement today in management to encourage management practices based on research evidence. In the first volume of this handbook, I asked experts in 39 areas of management to identify a central principle that summarized and integrated the core findings from their specialty area and then to explain this principle and give real business examples of the principle in action. I asked them to write in non-technical terms, e.g., without a lot of statistics, and almost all did so. The previous handbook proved to be quite popular, so I was asked to edit a second edition. This new edition has been expanded to 33 topics, and there are some new authors for the previously included topics. The new edition also includes: updated case examples, updated references and practical exercises at the end of each chapter. It also includes a preface on evidence-based management. The principles for the first edition were intended to be relatively timeless, so it is no surprise that most of the principles are the same (though some chapter titles include more than one principle). This book could serve as a textbook in advanced undergraduate and in MBA courses. It could also be of use to practicing managers and not just those in Human Resource departments. Every practicing manager may not want to read the whole book, but I am willing to guarantee that every one will find at least one or more chapters that will be practically useful. In this time of economic crisis, the need for effective management practices is more acute than ever.

For courses in organizational behavior. A streamlined presentation of key organizational behavior concepts Essentials of Organizational Behavior teaches readers how to communicate and interact within organizations, through real-world scenarios. The text offers comprehensive coverage of key organizational behavior (OB) concepts, making each lesson engaging and easy to absorb. Readers can use the book's concepts to apply what they've learned to their own education, future career plans, and other organizational endeavors. Currently used at more than 500 colleges and universities worldwide, Essentials of Organizational Behavior serves as a popular resource so readers can learn and understand the most important concepts in OB. With updated research and the integration of contemporary global issues, the 14th Edition focuses on the most relevant OB concepts that resonate with readers. Also available with MyLab Management MyLab(tm) Management is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Robbins identifies the major roadblocks that stand in the way of making high-quality decisions--and shows readers exactly how to overcome them. This best-selling book takes a traditional approach to Organizational Behavior beginning with "The Individual", "The Group" and then moving into "The Organization". It covers the cutting-edge topics such as learning and motivation, emotions, trust and group-dynamics.

Fundamentals of Organizational Behaviour, Fifth Canadian Edition, Essentials of Organizational Behavior

Decide & Conquer Individuals, Groups and Organisation/Management

CD-ROM based, the unique resource includes 45 exercises divided into three parts: What About Me/Working With Others. Life in Organizations. Each exercise is automatically graded. Exercises are self scoring and generate individual analysis that can be saved for future reference, or printed as a homework assignment. This book is the first Southern African edition of Stephen P. Robbins's Organizational Behaviour, the best-selling organisational behaviour textbook worldwide. This brief paperback text gives students more depth and breadth of practical tools to practice their management skills than any other textbook. This edition continues its fresh approach to management coverage through current and relevant examples, updated theory, and a new pedagogically sound design. Human Resource Management & Organisational Behaviour 1

Compiled From: Organizational Behavior. - 17th Edition, Global Edition

Global and Southern African Perspectives

'Organizational Behavior' contains material on responding to global and cultural diversity with discussions of globalization, workforce diversity and ethics. There is an additional chapter on leadership and expanded coverage of interpersonal and behavioral skills. Robbins: Leading the way in OB Written as an alternative to Robbins' larger Organizational Behaviour text, OB: The Essentials is an applied and focused text that will help your students to quickly grasp the essential elements of OB. In an engaging 13 chapter format, this book retains the fluid writing style, academic rigour and extensive use of examples that are trademark features of the Robbins texts. While there are less chapters, the book continues to provide cutting-edge content that is often missing in other OB books - this is not merely a subset of material from Robbin's Organizational Behaviour text; it was written from the ground up to present all the essential content in a shorter format. This new text will have broad appeal; particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts. New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment and business operations to the new text. Reviewers and users of the Robbins texts regularly report that they are 'conversational', 'interesting', 'student-friendly' and 'very clear and understandable'. Packed full of pedagogical features that will engage and stimulate your students, OB: The Essentials will ensure that they are getting a sound understanding of OB. Features such as the 'Applying Knowledge' and 'Student Challenge' boxes prompt students to apply and think strategically about what they have just learnt.

A personal guide for becoming an authentic leader Whether you are just starting your leadership journey or leading a large organization, The Discover Your True North Fieldbook will help you find your leadership purpose, that internal Compass that provides direction and keeps you oriented—your True North. Through a series of reflective exercises, this Fieldbook helps you become a better leader by learning to be a more authentic one. This Fieldbook both personalizes and unlocks the central lessons of its companion book, Discover Your True North by Bill George. It shares the most powerful insights that coauthors Nick Craig, Bill George, and Scott Snook have learned from helping more than 10,000 leaders discover and live up to their fullest potential. Each chapter contains potent exercises that help you mine your life story for deep insights and important patterns. As you work your way through these reflections, you will gain a clearer sense of who you are and why you lead—the essence of an authentic leader. We offer an identity-based approach to leader development. Rather than telling you how to lead, the Fieldbook guides you through an intimate process of personal discovery. By understanding your life story and sharpening your personal narrative, you will discover the unique leader you were meant to be. On the way, you will work through the same lessons taught to MBA students at Harvard Business School, as well as senior executives in many Fortune 100 companies. The Discover Your True North Fieldbook will help you: Become more self-aware and self-accepting Locate that sweet spot at the intersection of your passions and strengths Identify and lead from your core values when it matters most Build a robust support team to guide you through difficult times Discover your leadership purpose, the essence of who you are, your True North Stay grounded by integrating all aspects of your life Grow as a global leader Help others become authentic leaders To help you actually live your True North, this Fieldbook concludes by offering a rigorous, step-by-step process that generates a customized, behaviorally anchored Personal Leadership Development Plan. This plan not only summarizes and integrates everything you've learned completing this Fieldbook, but does so in a way that supports immediate action and impact. Welcome to your journey toward authentic leadership. Welcome to your True North. Visit www.DiscoverYourTrueNorth.org to learn more.

This best-selling book takes a traditional approach to Organizational Behavior beginning with The Individual, The Group and then moving into The Organization. It covers the cutting-edge topics such as learning and motivation, emotions, trust and group-dynamics.

Classics of Organization Theory

Compiled by three of the most influential authors in the field, CLASSICS OF ORGANIZATION THEORY, Eighth Edition is a collection of the most enduring works in organization theory. To help students grasp important themes, perspectives, and theories, the authors describe what organization theory is, how it has developed, and how its development has coincided with events and changes in other fields. This highly acclaimed reader is not simply a retelling of the history of organization theory; its evolution is told through the words of the distinguished theorists themselves. The readings in this edition have been thoroughly reviewed and updated. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This brief alternative for the organisational behaviour course covers all the key concepts needed to understand, predict and respond to the behaviour of people in real world organisations, including cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. OB is for Everyone Langton/Robbins/Judge, Fundamentals of Organizational Behavior. See is the most student-engaging book in the market. It makes Organizational Behaviour relevant to students, no matter what their background or work experience (or lack of) or their career goals. As a pared-down version of the highly successful Langton franchise, this text is targeted at the college and university-transfer market for those who need a lighter, more accessible text. Note: MyManagementLab is not included with the purchase of this product.

Robbins: Leading the way in OB Organizational Behaviour shows managers how to apply the concepts and practices of modern organisational behaviour in a competitive, dynamic business world. Written and researched by industry-respected authors, this continues to be Australia's most popular text for introductory courses in organisational behaviour. A new suite of learning and teaching resources that will excite future managers and inspire critical thinking, accompanies the text. Essentials of Organizational Behaviour, First Canadian Edition

Self-Assessment Library

Concepts, Controversies, and Applications

Organization Theory: Structure, Design, And Applications, 3/E

Taken from: Organizational Behavior, Seventeenth Edition by Stephen P. Robbins and Timothy A. Judge.

This Value Pack consists of Organizational Behaviour: Individuals, Groups and Organisation, 3/e by Brooks plus Organizational Behaviour: Individuals, Groups and Organisation/Management, 1/e; 1/e (ISBN: 9781405883443)

This second European edition of this classic textbook brings the exceptional introduction to organizational behaviour written by the masters of the subject, and adapts it to meet the needs of students studying in Europe today. Fully updated and revised, this adaptation continues the tradition of making current, relevant research come alive for students, while maintaining its hallmark features - clear writing style, cutting-edge content and compelling pedagogy. This new edition offers real-life examples drawn from a global range of organizations including Google, Cadbury, Apple, Capital One, Microsoft, Lego, Ferrari and more, plus up-to-date insights into the latest research and hot topics from across the world. Key features include: 'Myth or science?' boxes, which provide repeated evidence that common sense can often lead us astray in the attempt to understand human behaviour, and that behavioural research offers a means for testing the validity of common-sense notions. 'OB in the news' which prepares students to recognise and evaluate OB issues which often appear in the news when presented with them in newspapers, magazines, TV, etc. 'Face the facts': these boxes highlight interesting facts from recent surveys that emphasise key aspects of the text. For example, diversity across Europe, the extent of employee engagement, and the popularity of working in teams. 'As a whole, the content of the book is strong, and is well-structured with a European focus.'
