**Biblical interpretation is a
rational and spiritual**

Read Online Oromo Bible Old Testament Slibforme

process that attempts to understand an ancient inspired writer in such a way that the message from God may be understood and applied in our day. The spiritual process is crucial but difficult to define. It

Read Online Oromo Bible Old Testament Slibforme

does involve a yieldedness and openness to God. There must be a hunger (1) for Him, (2) to know Him, and (3) to serve Him. This process involves prayer, confession, and the willingness for lifestyle

Read Online Oromo Bible Old Testament Slibforme

change. The Spirit is crucial in the interpretive process, but why sincere, godly Christians understand the Bible differently is a mystery. The rational process is easier to describe. We must be

Read Online Oromo Bible Old Testament Slibforme

consistent and fair to the text and not be influenced by our personal, cultural, or denominational biases. We are all historically conditioned. None of us are objective, neutral interpreters. This

Read Online Oromo Bible Old Testament Slibforme

commentary offers a careful rational process containing four interpretive principles structured to help us attempt to overcome our biases. First Principle The first principle is to note the historical setting in

Read Online Oromo Bible Old Testament Slibforme

which a biblical book was written and the particular historical occasion for its authorship (or when it was edited). The original author had a purpose and a message to communicate. The text cannot mean something to us

Read Online Oromo Bible Old Testament Slibforme

that it never meant to the original, ancient, inspired author. His intent—not our historical, emotional, cultural, personal, or denominational need—is the key. Application is an integral partner to

Read Online Oromo Bible Old Testament Slibforme

interpretation, but proper interpretation must always precede application. It must be reiterated that every biblical text has one and only one meaning. This meaning is what the original biblical author intended

Read Online Oromo Bible Old Testament Slibforme

through the Spirit's leadership to communicate to his day. This one meaning may have many possible applications to different cultures and situations. These applications must be linked to the central truth

Read Online Oromo Bible Old Testament Slibforme

of the original author. For this reason, this study guide commentary is designed to provide a brief introduction to each book of the Bible. Second Principle The second principle is to identify the literary units.

Read Online Oromo Bible Old Testament Slibforme

Every biblical book is a unified document.

Interpreters have no right to isolate one aspect of truth by excluding others. Therefore, we must strive to understand the purpose of the whole biblical book

Read Online Oromo Bible Old Testament Slibforme

before we interpret the individual literary units. The individual parts— chapters, paragraphs, or verses—cannot mean what the whole unit does not mean. Interpretation must move from a deductive approach of

Read Online Oromo Bible Old Testament Slibforme

the whole to an inductive approach to the parts. Therefore, this study guide commentary is designed to help the student analyze the structure of each literary unit by paragraphs. Paragraph and chapter

Read Online Oromo Bible Old Testament Slibforme

divisions are not inspired, but they do aid us in identifying thought units. Third Principle The third principle is to read the Bible in different translations in order to grasp the widest possible

Read Online Oromo Bible Old Testament Slibforme

range of meaning (semantic field) that biblical words or phrases may have. Often a phrase or word can be understood in several ways. These different translations bring out these options and help to identify and explain

Read Online Oromo Bible Old Testament Slibforme

the manuscript variations. These do not affect doctrine, but they do help us to try to get back to the original text penned by an inspired ancient writer.

Fourth Principle The fourth principle is to note the

Read Online Oromo Bible Old Testament Slibforme

literary genre. Original inspired authors chose to record their messages in different forms (e.g., historical narrative, historical drama, poetry, prophecy, gospel [parable], letter, apocalyptic). These

Read Online Oromo Bible Old Testament Slibforme

different forms have special keys to interpretation. This Textbook offers a quick way for the student to check his interpretations. It is not meant to be definitive, but rather informative and thought-provoking. These

Read Online Oromo Bible Old Testament Slibforme

principles have helped me to overcome much of my historical conditioning by forcing me to struggle with the ancient text. My hope is that it will be a blessing to you as well. Dr. Bob Utley
