NOW AN ORIGINAL SERIES ON ABC • “Just may be the best new comedy of [the year] . . . based on restaurateur Eddie Huang’s memoir of the same name . . . [a] classic fresh-out-of-water comedy.”—People “Bawdy and frequently hilarious . . . a surprisingly sophisticated memoir about race and assimilation in America . . . as much James Baldwin and Jay-Z as Amy Tan . . . rowdy [and] vital . . . It’s a book about fitting in by not fitting in at all.”—Dwight Garner, The New York Times NATIONAL BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS Assimilating ain’t easy. Eddie Huang was raised by a wild family of FOB (“fresh off the boat”) immigrants—his father a cocksure restaurateur with a dark past back in Taiwan, his mother a fierce protector and constant threat. Young Eddie tried his hand at everything mainstream America threw his way, from white Jesus to macaroni and cheese, but finally found his home as leader of a rainbow coalition of lost boys up to no good: skate punks, dealers, hip-hop junkies, and sneaker freaks. This is the story of a Chinese-American kid in a could-be-anywhere cul-de-sac blazing his way through America’s deviant subcultures, trying to find himself, ten thousand miles from his legacy and anchored only by his conflicted love for his family and his passion for food. Funny, moving, and stylistically inventive, Fresh Off the Boat is more than a radical reimagining of the immigrant memoir—it’s the exhilarating story of every American outsider who finds his destiny in the margins. Praise for Fresh Off the Boat “Brash and funny . . . outrageous, courageous, moving, ironic and true.”—New York Times Book Review “Mercilessly funny and provocative, Fresh Off the Boat is also a serious piece of work. Eddie Huang is hunting nothing less than Big Game here. He does everything with style.”—Anthony Bourdain “Uproariously funny . . . emotionally honest.”—Chicago Tribune “Huang is a fearless raconteur. [His] writing is at once hilarious and provocative; his incisive wit pulls through like a perfect plate of dan dan noodles.”—Interview “Although writing a memoir is an audacious act for a thirty-year-old, it is not nearly as audacious as some of the things Huang did and survived even earlier. . . . Whatever he ends up doing, you can be sure it won’t look or sound like anything that’s come before. A single, kinetic passage from Fresh Off the Boat . . . is all you need to get that straight.”—Bookforum

An Indian History of the American West

A woman unlocks the mystery of her father's wartime past in a moving novel about secrets, sacrifice, and the power of love by the bestselling author of Daughters of the Night Sky. Beth Cohen wants to make the most of the months she has left with her elderly father, Max. His only request of his daughter is to go through the long-forgotten box of memorabilia from his days as a medic on the western front. Then, among his wartime souvenirs, Beth finds a photograph of her father with an adoring and beautiful stranger--a photograph worth a thousand questions. It was 1944 when Max was drawn into the underground resistance by the fearless German wife of a Nazi officer. Together, she and Max were willing to risk everything for what they believed was right. Ahead of them lay a dangerous romance, a dream of escape, and a destiny over which neither had control. But Max isn't alone in his haunting remembrances of war. In a nearby private care home is a fragile German-born woman with her own past to share. Only when the two women meet does Beth realize how much more to her father there is to know, all the ways in which his heart still breaks, and the closure he needs to heal it.

As the Titanic and her passengers sank slowly into the Atlantic Ocean after striking an iceberg late in the evening of April 14, 1912, a nearby ship looked on. Second Officer Herbert Stone, in charge of the midnight watch on the SS Californian sitting idly a few miles north, saw the distress rockets that the Titanic fired. He alerted the captain, Stanley Lord, who was sleeping in the chartroom below, but Lord did not come to the bridge. Eight rockets were fired during the dark hours of the midnight watch, and eight rockets were ignored. The next morning, the Titanic was at the bottom of the sea and more than 1,500 people were dead. When they learned of the extent of the tragedy, Lord and Stone did everything they could to hide their role in the disaster, but pursued by newspapermen, lawyers, and political leaders in America and England, their terrible secret was eventually revealed. The Midnight Watch is a fictional telling of what may have occurred that night on the SS Californian, and the resulting desperation of Officer Stone and Captain Lord in the aftermath of their inaction. Told not only from the perspective of the SS Californian crew, but also through the eyes of a family of third-class passengers who perished in the disaster, the narrative is drawn together by Steadman, a tenacious Boston journalist who does not rest until the truth is found. David Dyer's *The Midnight Watch* is a powerful and dramatic debut novel--the result of many years of research in Liverpool, London, New York, and Boston, and informed by the author's own experiences as a ship's officer and a lawyer.

The first and only coloring book based on Fox ' s Emmy-winning animated hit TV show. This collection serves up not only images of the best moments of the show, but also enough puns and fun to have the show ' s ravenous fans salivating with hunger and hilarity. *Bob ' s Burgers* is enjoying a true pop- cultural moment, with an original comic-book version by Dynamite Entertainment still setting records since its launch in 2014, a soundtrack album of original music from the series featuring music from indie band Sleater-Kinney (Portlandia ' s Carrie Brownstein), and now an ongoing, multi- city live tour that presents the cast and crew re- creating some of the most popular episodes in front of packed houses across the country.

When the Yellowstone supervolcano erupts, it's up to six college students and their experimental physics project to prevent the end of civilization. When an experiment to study quantum uncertainty goes spectacularly wrong, physics student Bill Rustad and his friends find that they have accidentally created an inter-dimensional portal. They connect to Outland--an alternate Earth with identical geology, but where humans never evolved. The group races to establish control of the portal before the government, the military, or evildoers can take it away. Then everything changes when the Yellowstone supervolcano erupts in an explosion large enough to destroy civilization and kill half the planet. The team has just hours to get as many people as possible across to Outland before a lethal cloud of ash overwhelms them. Nothing has prepared the refugees for what they find--a world of few resources and unprecedented dangers. Somehow, they must learn to survive, because Outland may be not just a safe haven--it could be their new home. This 2019 edition has been substantially revised by the author.

SOON TO BE A NETFLIX SERIES! The bestselling author and creator of the hit Netflix dramas *Stay Close* and *The Stranger* delivers a #1 New York Times bestseller that asks how well parents really know their children—and puts them on a technological roller coaster of their worst fears. “We're losing him.” With those words, Mike and Tia Baye decide to spy on their sixteen-year-old son Adam, who has become increasingly moody and withdrawn since the suicide of his best friend. The software they install on his computer shows them every Web site visited, every e-mail sent or received, every instant message. And each keystroke draws them deeper and deeper into a maze of mayhem and violence that could destroy them all....

The “fascinating” #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author’s personal collection.

A fun, funny, yet practical gift book containing 100 removable stickers that congratulate supposed grown-ups on a job well done... or at least a job done. Despite official reports, members of Generation X and younger feel completely and totally ill-prepared to deal with anything. They still, as purportedly self-sufficient adults, look toward Baby Boomers and the Greatest Generation and think, How did they do that? So the easiest and best way to find comfort is to look not ahead at uncertainty (or, heaven forbid, around at the chaos currently surrounding them), but to the past to their simpler childhoods. The generation who championed the coloring book-as-relaxation trend grew up in a world in which they spent hours obsessing over, trading, and decorating with stickers. And it is with brightly colored stickers that they will finally find peace of mind. For a little while, at least. Filled with 100 full-color removable stickers that can be used to decorate journals, notebooks, or your lapel to proudly and publicly proclaim life’s little victories, *I Adulted!* is the ideal nostalgic and practical book for anyone who feels a sense of accomplishment by making it through a day without calling their mother for help.

Claire Randall is a British ex-combat nurse on a postwar second honeymoon with her husband in the Scottish Highlands. Walking alone one afternoon, she passes through a circle of standing stones and is hurled back in time to a Scotland simmering with war in the year of our Lord 1743. Thus begins a series of unrivaled storytelling that has become a modern classic. #1 NEW YORK TIMES BESTSELLER • Diana Gabaldon returns with the “vast and sweeping” (The Washington Post) new novel in the epic Outlander series. War leaves nobody alone. Neither the past, the present, nor the future offers true safety, and the only refuge is what you can protect: your family, your friends, your home. Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1746, and it took them twenty years of loss and heartbreak to find each other again. Now it’s 1779, and Claire and Jamie are finally reunited with their

daughter, Brianna, her husband, Roger, and their children, and are rebuilding their home on Fraser's Ridge—a fortress that may shelter them against the winds of war as well as weather. But tensions in the Colonies are great: Battles rage from New York to Georgia and, even in the mountains of the backcountry, feelings run hot enough to boil Hell's teakettle. Jamie knows that loyalties among his tenants are split and it won't be long before the war is on his doorstep. Brianna and Roger have their own worry: that the dangers that provoked their escape from the twentieth century might catch up to them. Sometimes they question whether risking the perils of the 1700s—among them disease, starvation, and an impending war—was indeed the safer choice for their family. Not so far away, young William Ransom is coming to terms with the mysteries of his identity, his future, and the family he's never known. His erstwhile father, Lord John Grey, has reconciliations to make and dangers to meet on his son's behalf and on his own, and far to the north, Young Ian Murray fights his own battle between past and future, and the two women he's loved. Meanwhile, the Revolutionary War creeps ever closer to Fraser's Ridge. Jamie sharpens his sword, while Claire whets her surgeon's blade: It is a time for steel.

Entertainment Weekly The Ultimate Guide to Outlander

Knitwear Inspired by the Outlander Series

Paperback version of Stealing Time

Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves' right hand for more than 20 years, doing just that. The Temporary European is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest's thermal baths; trekking across an English moor to a stone circle; hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn't just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn't making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the universal joy of travel. Cameron's travel motto (inspired by a globetrotting auntie) is "Jams Are Fun"—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain's confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you'll get a reality check for every traveler's "dream job": researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It's a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, The Temporary European is inspiring, insightful, and fun.

Nominated for the Anthony and Macavity Award Evil doesn't always live next door. Sometimes it lives right in your own home. Eve Moran has always wanted “things,” her powers of seduction impossible to resist for those who come in contact with her toxic allure. And over the course of her life, she has proven both inventive and tenacious in getting and keeping whatever such things catch her eye, whether they are jewelry, money, or men. Eve lies, steals, cheats, swindles, and is even willing to take a life, paying little heed to the cost of her actions on those

who love her and depend on her. Her daughter, Christine, compelled by love, dependency, and circumstance, is caught up in her mother's deceptions, unwilling to accept the viciousness that runs in her family's blood. It's only when Christine's three-year old brother, Ryan, begins to prove useful to her mother, and Christine sees a horrific pattern repeating itself, that she finds the courage and means to bring an end to Eve's tyranny. *Concrete Angel* centers around a family torn apart by a mother straight out of "Mommie Dearest", and her resilient young daughter who discovers that survival can mean fighting the closest evil imaginable.

A fascinating and nostalgic collection of over 40 wholesome recipes from the Second World War At a time of shortages and rationing, the British were challenged with providing nutritious meals daily for the family. This pocket-sized compendium of recipes is illustrated with contemporary propaganda notices, photographs and advertisements. Dishes such as Scotch Broth, Dumplings, Savoury Onions, Corned Beef Rissoles and Coconut Orange Pudding recall the ingenuity and camaraderie of those wartime days. Follow along with Mittens as he enjoys hilarious, snark-filled text volleys with his cast of quirky friends and family: Earl (the "filthy hound"), Stumpy (the best friend), Drunky Patty (the usually tipsy next-door neighbor), Grandma (giver of treats), and Fiona (Mitty's girlfriend). Based on Angie Bailey's virally popular blog, *Texts from Mittens: The Friends and Family Edition* is feline humor at its finest.

Features a preview of the much-anticipated new Outlander novel, *Written in My Own Heart's Blood!* Joan MacKimmie is on her way to Paris to take up her vocation as a nun. Yet her decision is less a matter of faith than fear, for Joan is plagued by mysterious voices that speak of the future, and by visions that mark those about to die. The sanctuary of the nunnery promises respite from these unwanted visitations . . . or so she prays. Her chaperone is Michael Murray, a young widower who, though he still mourns the death of his wife, finds himself powerfully drawn to his charge. But when the time-traveling Comte St. Germain learns of Joan's presence in Paris, and of her link to Claire Fraser—La Dame Blanche—Murray is drawn into a battle whose stakes are not merely the life but the very soul of the Scotswoman who, without even trying, has won his heart.
