

## Oxford Childrens Rhyming Dictionary Children Dictionary

We all know nothing rhymes with orange. But how does that make Orange feel? Well, left out! When a parade of fruit gets together to sing a song about how wonderful they are—and the song happens to rhyme—Orange can't help but feel like it's impossible for him to ever fit in. But when one particularly intuitive Apple notices how Orange is feeling, the entire English language begins to become a bit more inclusive. Beloved author-illustrator Adam Rex has created a hilarious yet poignant parable about feeling left out, celebrating difference, and the irrefutable fact that nothing rhymes with orange. Plus, this is the fixed format version, which looks almost identical to the print edition.

My Oxford ABC and 123 Picture Rhyme Book is a book for parents and children to enjoy together. It will provide hours of fun, and will also be an excellent preparation for letter and number work at school. \* Funny alphabet and number rhymes by leading poet Roger McGough \* Beautifully- drawn pictures by well-known artist Debi Gliori \* Follows the National Literacy Strategy in teaching alphabet order and the sounds that letters make Roger McGough is one of the most popular poets/writing for children. He received an OBE in 1997 and the Cholmondeley Award for poetry in 1998. Debi Gliori is a widely acclaimed children's artist. She is the author of the Mr Bear books (Watts) and No Matter What (Bloomsbury). She was shortlisted for the Kate Greenaway Prize in 1997 as well as winning the picture book section of the 1997 Children's Book Award for Mr Bear to the Rescue.

This unique dictionary for primary age children has a new focus on vocabulary to support word building and usage. It is an essential tool for young writers to improve their writing. In colour, it provides clear information as well as a list of words children most often misspell backed by Oxford's database of children's writing.

Never be lost for words with this perfect reference book for young readers and writers. With more than four thousand words, Children's Illustrated Thesaurus has everything a child needs to develop their vocabulary. Each entry in the book is supported by a definition and used in a sentence as an example to explain their usage to young readers. This comprehensive book shows a range of synonyms to provide extra words that can be used during writing, from types of emotion to weather phenomenon. Colorful images and supporting illustrations place every word in context and help you better understand its meaning. With its fresh and fun design, the Children's Illustrated Thesaurus will inspire children to build a rich and vibrant vocabulary and help boost their confidence when they begin their next writing project.

Longman Children's Picture Dictionary

Hunting, Racing, Duelling, Exerting, Daring, Guessing, Acting, Pretending

Collins Rhyming Dictionary

The Nursery Rhymes of England

A little polar bear, Miki, wanders away while his mother is diving for fish. He sees a dot in the snow and rushes towards it. Readers discover that the dot is a little girl. But Miki has never seen a human before and the little girl has never seen a polar bear. They discover more about eachother as they play in the snow but then the perils of the polar landscape impel Miki to take the little girl home before undertaking the long journey to find his own mother. Although one is a polar bear and one is a little girl, Miki and Dot share a common experience: they are both separated from their mothers when they meet. Their bond of friendship gives them the strength to support each other during the course of a day that will last with them both forever. This is amoving and poignant story set in a changing and challenging polar landscape, perfect for the Christmas season. It wraps up important themes about empathy, kindness, and courage. The story is both simply told and affecting. The gorgeous snowscapes, full of real atmosphere, are created withprintmaking techniques by debut illustrator Fiona Woodcock.

An updated edition of a kid-friendly resource provides more than fifteen thousand rhyming words and phrases, arranged within each entry by number of syllables, and including slang, idioms, and proper nouns. Original.
\*New! An easy-to-use, alphabetical guide for creating rhymes. Features 55,000 headwords with pronunciations at every entry. Lists arranged alphabetically and by number of syllables, with thousands of cross-references to guide readers to correct entries.\*
A collection of rhymes that have been chanted by children for generations including rhymes of insult and retaliation, of teasing and reparation, of rhymes for skipping and for counting out, riddles, tongue-twisters, narratives and nonsense.

Oxford Children's Rhyming Words

The Importance of Being Earnest and Other Plays

Oxford Rhyming Dictionary

From Aardvark to Zozimus, a Real Dictionary of Everyday and Extra-Usual Words

My Oxford ABC and 123 Picture Rhyme Book

From 'A was an apple-pie' to 'Yankee Doodle came to town', this classic dictionary brings together over 500 nursery rhymes, songs, nonsense jingles, lullabies, and rhyming alphabets traditionally handed on to young children. Each item comes with a unique set of notes recording its origins, publishing history, literary associations, variations, parodies, and parallels in other languages. This second edition has been revised throughout to incorporate the results of recent bibliographical scholarship, and includes a new essay on the singing tradition of nursery rhymes by Cecily Raysor Hancock. The Oxford Dictionary of Nursery Rhymes remains the standard work on the subject, for scholars, parents, and children alike.

A collection of poems by English poets.

Perhaps this book should come with a warning to parents: within these pages, children deliberately scare each other, ritually hurt each other, take foolish risks, promote fights, and play ten against one. And yet throughout, they consistently observe their own sense of fair play.During the past fifty years, shelf-loads of books have been written instructing children in the games they ought to play -- and some even instructing adults on how to instruct children in the games they ought to play -- but few attempts have been made to record the games children in fact play.This was Iona and Peter Opie's pertinent observation in 1969, and it was this gap that they sought to fill with their exhaustive survey, through the 1960s, of the games that children 'in fact play' aged roughly between six and twelve years of age, and when outdoors -- and usually out of sight.The Opies weren't interested in formal games and sports supervised by parents or teachers. What excited them were the rough-and-tumble games for which, as one child described, 'nothing is needed but the players themselves.' They were also anxious that, in their meticulous recording of the games, the spirit of the play, the zest, variety and disorderliness, should not be lost.The result was their classic work Children's Games in Street and Playground. To aid a clear and lively presentation of their remarkable study, the original single book has been divided into two. Both volumes record games played in the street, park, playground and wasteland of more than 10,000 children from the Shetland Isles to the Channel Islands, although the majority of the information comes from children living in big cities such as London, Liverpool, Bristol and Glasgow.This second volume focuses on games involving seeking, hunting, racing, duelling, exerting, daring, guessing, acting and pretending. More than 85 games are described in detail including the rhymes and saying children repeat while playing them, together with the different names under which they are played. Brief historical notes are also included where relevant.The children of the 1960s, the Opies noted, are often thought 'to be incapable of self-organization, and to have become addicted to spectator amusements.' to the extent that adults must be relied on to provide play materials, ideas and time to play with them. The same attitudes are still widespread today with our concerns about television and computer games, and the middle-class parental impulse to fill our children's days with organised classes and play dates. "However much children may need looking after, they are also people going about their own business within their own society." There are important lessons to be learned from this book about giving children the time and physical space to be themselves with other children.

A lively reference tool for children aged 6+, packed with rhymes for over 190 key sounds and spelling patterns, as well as lots of ideas for writing your own amazing rhymes. A must for any budding writer!

New Oxford Rhyming Dictionary

Enriched Classics offer readers accessible editions of great works of literature enhanced by helpful notes and commentary. Each book includes educational tools alongside the text, enabling students and readers alike to gain a deeper and more developed understanding of the writer and their work. Wilde 's classic comedy of manners, The Importance of Being Earnest, a satire of Victorian social hypocrisy and considered Wilde 's greatest dramatic achievement, and his other popular plays--Lady Windermere 's Fan, An Ideal Husband, and Salome--challenged contemporary notions of sex and sensibility, class and cultural identity. Enriched Classics enhance your engagement by introducing and explaining the historical and cultural significance of the work, the author 's personal history, and what impact this book had on subsequent scholarship. Each book includes discussion questions that help clarify and reinforce major themes and reading recommendations for further research. Read with confidence.

An anthology of American poems, arranged chronologically, from colonial alphabet rhymes to Native American cradle songs to contemporary poems.

Oxford First Rhyming DictionaryOxford University Press, USA

A small fir tree is left all alone after the other trees near it in the forest are chosen by families at Christmas. But when the forest animals gather around the lonely little tree to cheer it up and celebrate the season, it finds festive love and warmth in the heart of a cold, snowy forest.
