"HELP! My Students
Can't Write!" Why
You Need a Writing
Revolution in Your
Classroom and How
to Lead It. The
Writing Revolution
(TWR) provides a
clear method of
instruction that you

Access Free Pacing Guide

Template

Teachers
can use no matter
what subject or
grade level you
teach. The model,
also known as The
Hochman Method,
has demonstrated,
over and over, that it
can turn weak
writers into strong
communicators by
focusing on specific
techniques that

Access Free Pacing Guide

match their needs
and by providing
them with targeted
feedback.

Insurmountable as
the challenges
faced by many
students may seem,
TWR can make a
dramatic difference.
And the method
does more than
improve writing

skills. It also helps:

Boost reading
comprehension

Improve

organizational and

study skills Enhance

speaking abilities

Develop analytical

capabilities TWR is

as much a method

of teaching content

as it is a method of

teaching writing.

Access Free Pacing Guide

Template
Teachers

There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most

Access Free Pacing Guide

revolutionary about
the TWR method is
that it takes the
mystery out of
learning to write
well. It breaks the
writing process
down into
manageable chunks
and then has
students practice
the chunks they
need, repeatedly,

while also learning
