First published in Malayalam in 1973, My Story, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

On 6 December 1959, Prime Minister Jawaharlal Nehru went to Dhanbad district in Jharkhand to inaugurate the Panchet Dam across the Damodar river. A fifteen-year-old girl, Budhini, chosen by the Damodar Valley Corporation welcomed him with a garland and placed a tikka on his forehead. When these ceremonial gestures were interpreted as an act of matrimony, the fifteen-year-old was ostracized by her village and let go from her job as a construction worker, citing violation of Santal traditions. Budhini was outlawed for 'marrying outside her community'. Budhini Mejhans is

the tale of an uprooted life, told here through the contemporary lens of Rupi Murmu, a young journalist distantly related to her and determined to excavate her story. In this reimagined history, Sarah Joseph evokes Budhini with vigour, authority and panache, conjuring up a robust and endearing feminine character and reminding us of the lives and stories that should never be forgotten. Translated by her daughter, Sangeetha Sreenivasan, a fiercely individualistic novelist herself, Sarah Joseph's Budhini powerfully invokes the wider biopolitics of our relentless modernization and the dangers

of being indifferent to ecological realities.

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. Goat Days was published to acclaim in Malayalam and became a

bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

Naalukettu: The House Around the Courtyard is the story of a young boy, Appunni, set in a matrilineal Nair joint family (a taravad) in the author's native village, Kudallur. Fascinated with accounts of the

prestigious Naalukettu taravad from which his mother was expelled, Appunni visits the house only to be despised and rejected by all. Appunni grows up to earn enough money and returns to buy his ancestral home, but his victory soon turns into ashes when his father's murderer turns out to be the same man who was the only sympathetic adult in Appunni's lonely teenage years.

Follows the life of the author's alter-ego, Alec MacGarry, as he spends time at the pub with his friends, gets married, immigrates to Australia with his wife, has a child, and works to establish himself as a graphic novelist.

Shalimar the Clown is a masterpiece from one of our greatest writers, a dazzling novel that brings together the fiercest passions of the heart and the gravest conflicts of our time into an astonishingly powerful, all-encompassing story. Max Ophuls' memorable life ends violently in Los Angeles in 1993 when he is murdered by his Muslim driver Noman Sher Noman, also known as Shalimar the Clown. At first the crime seems to be politically motivated—Ophuls was previously ambassador to India, and later US counterterrorism chief—but it is much more. Ophuls is a giant, an architect of the modern world: a

Resistance hero and best-selling author, brilliant economist and clandestine US intelligence official. But it is as Ambassador to India that the seeds of his demise are planted, thanks to another of his great roles—irresistible lover. Visiting the Kashmiri village of Pachigam, Ophuls lures an impossibly beautiful dancer, the ambitious (and willing) Boonyi Kaul, away from her husband, and installs her as his mistress in Delhi. But their affair cannot be kept secret, and when Boonyi returns home, disgraced and obese, it seems that all she has waiting for her is the inevitable revenge of her husband: Noman Sher Noman,

Shalimar the Clown. He was an acrobat and tightrope walker in their village's traditional theatrical troupe; but soon Shalimar is trained as a militant in Kashmir's increasingly brutal insurrection, and eventually becomes a terrorist with a global remit and a deeply personal mission of vengeance. In this stunningly rich book everything is connected, and everyone is a part of everyone else. A powerful love story, intensely political and historically informed, Shalimar the Clown is also profoundly human, an involving story of people's lives, desires and crises, as well as—in typical Rushdie fashion—a magical tale where the dead speak and the

future can be foreseen.

When Christy returns sixteen years later,

shattered and unstable, the burnt and withered roots of love bloom again. Trauma, betrayal, and loneliness are the colours that paint this picture of physical and emotional violence that Radhika endures.
