Este libro presenta la traducción al Castellano del Libro "Introduction to Programming Using Java". Este libro es basicamente un libro de texto para aprender a programar y cuenta con una amplia variedad de ejercicios y comentarios que ayudarán al futuro programador a entender los fundamentos de programación orientada a objetos y además le brindará la oportunidad de conocer uno de los lenguajes de programación más ampliamente usados en la actualidad. Gracias a los ejemplos que ofrece David Cole nos ayuda a conocer cada libro, las colecciones y fondo editorial: comercialización de libros por los canales tradicionales y los de aparición reciente como la Internet; aprovechamiento de la venta de derechos subsidiarios y redacción de textos marketing eficaces, entre otros consejos.

Whether it's climbing Everest, launching a business, applying for a dream job, or just finding happiness in everyday life, Steve Sims, founder of the luxury concierge service, Bluefish, reveals simple and effective ways to sharpen your mind, gain a new perspective, and achieve your goals. From helping a client get married in the Vatican, to charming and connecting with business magnates like Elon Musk, Bluefish founder Steve Sims is known to make the impossible possible. Now, in his first book, he shares tips, techniques, and principles to break down any door and step onto whatever glamorous stage awaits you. By following Steve's succinct yet insightful advice—as well as inspiration gleaned from the moving stories of others—you, too, can transform your life and achieve the impossible.

*For upper-level courses in devices and circuits, at 2-year or 4-year engineering and technology institutes. Highly accurate and thoroughly updated, this text has set the standard in electronic devices and circuit theory for over 25 years. Boylestad offers students a complete and comprehensive survey, focusing on all the essentials they will need to succeed on the job. This very readable presentation is supported by strong pedagogy and content that is ideal for new students of this rapidly changing field. Its colorful, student-friendly layout boasts a large number of stunning photographs. A broad range of ancillary materials is available for instructor support. *NEW - Over 40 new end-of-chapter practical examples added throughout - Provides an understanding of the design process not normally available at this level. This helps students apply content to real-world situations and makes material more meaningful. *NEW - Expanded coverage of computer software - Adds coverage of Mathcad to illustrate the versatility of the package for use in electronics - keeping students up to date on a rapidly changing part of the field. *NEW - Summaries added to the end of every chapter - Uses boldface*
The gripping untold story of the music piracy revolution and the man

who almost singlehandedly brought down the industry How Music Got Free is the incredible true story of Dell Glover, a factory worker at a compact-disc manufacturing plant who brought the music industry to its knees. Working from a small town in North Carolina, Glover was the Patient Zero of music piracy, leaking thousands of albums from the plant over nearly a decade. If you've ever pirated music?or even borrowed it?Glover's handiwork is on your hard drive. But Glover couldn't do it alone. He needed the help of his smuggling confederates, who conducted a years-long campaign of infiltration into the music industry's global supply chain. He needed the help of the men who invented the mp3, a group of academics working in a forgotten audio laboratory in Germany. He needed the help of the torrenters, who, from dormitories and bedrooms across the planet, built distribution networks for his leaks. Most of all, he needed the unwitting assistance of the music industry itself, and the powerful music executive whose strategy of consolidation brought the biggest musical acts of the decade into Glover's reach. An irresistible story of greed, cunning, brilliance, and deceit, How Music Got Free isn't just a story of the music industry?it's a must-read history of the Internet itself.

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous, chutzpa-filled autobiography."—New York Post

Wolf Lake

It's been twenty years since Western State Hospital was closed down and the last of its inmates reintegrated into society. Francis Petrel was barely out of his teens when his family committed him to the asylum, after his erratic behavior culminated in a terrifying outburst. Now middle-aged, he leads an aimless, solitary life housed in a cheap apartment, periodically tended to by his sisters, and perpetually medicated to quiet the chorus of voices in his head. But a reunion on the grounds of the shuttered institution stirs something deep in Francis's troubled mind: dark memories he thought he had laid to rest, about the grisly events that led to Western State Hospital's demise. It begins in 1979, when twenty-one-year-old Petrel descends into the state-run purgatory of an overcrowded, understaffed Massachusetts mental hospital. Surrounded by inmates roaming the halls like drugged zombies and raving behind locked doors, well-meaning orderlies, jaded nurses, and patronizing doctors, Francis finds friendship with a motley assortment of fellow patients: a would-be Napoleon, a wise ex-firefighter, and a man obsessed with battling imagined devils. But there's nothing imaginary about the young nurse found sexually assaulted and brutally murdered late one night after lights-out. The police suspect an inmate, while patients whisper about visions of a white-shrouded "angel." But the striking and mysterious prosecuting attorney who arrives to investigate has her own chilling theory—about the grim, telltale "signature" left on the victim's body, a string of unsolved sex killings, and a very real devil who, by chance or design, has come to turn a madhouse into a slaughterhouse. Now, with the past creeping back to haunt his thoughts, and nothing but a pencil and the bare walls of his bleak apartment, Francis surrenders to the overwhelming need to tell the story of those nightmarish days. But because the crime was never solved, it's a story doomed to remain unfinished. Until, like Francis's long-buried recollections, the killer resurfaces . . . with a vengeance. A tour de force narrative journey through the eerily unpredictable mind of an utterly unusual hero, *The Madman's Tale* will keep even the most astute thriller reader uncertain, unnerved, and unable to resist the tantalizing twists and turns of this fiendishly suspenseful shadow show.

Could a nightmare be used as a murder weapon? That's the provocative question confronting Gurney in the thrilling new installment in this series of international bestsellers. The former NYPD star homicide detective is called upon to solve a baffling puzzle: Four people who live in different parts of the country and who seem to have little in common, report having had the same dream—a terrifying nightmare involving a bloody dagger with a carved wolf's head on the handle. All four are subsequently found with their wrists cut — apparent suicides — and the weapon used in each case was a wolf's head dagger. Police zero in quickly on Richard Hammond, a controversial psychologist who conducts hypnotherapy sessions at a spooky old Adirondack inn called Wolf Lake Lodge. It seems that

each of the victims had gone there to meet with Hammond shortly before turning up dead. Troubled by odd holes in the official approach to the case, Gurney begins his own investigation — an action that puts him in the crosshairs of not only an icy murderer and the local police but the darkest corner of the federal government. As ruthless as the blizzard trapping him in the sinister eeriness of Wolf Lake, Gurney's enemies set out to keep him from the truth at any cost — including an all-out assault on the sanity of his beloved wife Madeleine. With his emotional resources strained to the breaking point, Gurney must throw himself into a deadly battle of wits with the most frightening opponent he has ever faced. Wolf Lake is the page-turning new work by a writer hailed by the New York Times as "masterly" — and it furthers the adventures of Dave Gurney, a detective reviewers have compared to Sherlock Holmes.

Trump: The Art of the Deal

A brilliant inquiry into the origins of human nature from the author of Rationality, The Better Angels of Our Nature, and Enlightenment Now.

"Sweeping, erudite, sharply argued, and fun to read..also highly persuasive." --Time Updated with a new afterword One of the world's leading experts on language and the mind explores the idea of human nature and its moral, emotional, and political colorings. With characteristic wit, lucidity, and insight, Pinker argues that the dogma that the mind has no innate traits—a doctrine held by many intellectuals during the past century—denies our common humanity and our individual preferences, replaces objective analyses of social problems with feel-good slogans, and distorts our understanding of politics, violence, parenting, and the arts. Injecting calm and rationality into debates that are notorious for ax-grinding and mud-slinging, Pinker shows the importance of an honest acknowledgment of human nature based on science and common sense.

This second edition of An Introduction to the New Testament provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts. Many new and diverse cultural, historical, social-scientific, sociorhetorical, narrative, textual, and contextual studies have been examined since the publication of the first edition, which was in print for twenty years. The authors retain the original tripartite arrangement on 1) The world of the New Testament, 2) Interpreting the New Testament, and 3) Jesus and early Christianity. An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testaments texts today.

Este libro también incluye una copia digital (PDF) que se puede descargar de www.creativemandala.com, puedes imprimir tus dibujos favoritos tantas veces como quieras o colorearlos digitalmente! Con este libro de Creative Mandala podrás encontrar inspiración y motivación mientras

coloreas. Puedes expresar tu creatividad y relajarte coloreando 100 hermosas páginas con frases y citas motivadoras. Detalles del producto: 100 páginas para colorear con frases y citas motivadoras. Cada cita va acompañada de un bonito fondo para colorear. Fantásticos diseños antiestrés. Los dibujos del libro son todos diferentes. Cada día puedes expresar tu creatividad eligiendo el diseño que te estimule más. Ilustraciones de alta calidad. Las imágenes de alta calidad de nuestro libro le permiten crear verdaderas obras de arte. Copia digital (PDF) como regalo! Dentro del libro encontrarás un código para descargar la copia digital de la página web de Creative Mandala. ¡Puedes imprimir tus dibujos favoritos tantas veces como quieras o colorearlos digitalmente! Formato grande: tamaño de la página 21,59 x 27,94 cm. Imágenes de una sola página. Cada página de color se imprime en una hoja separada con el reverso de la página en negro para minimizar los derrames de color. Un gran regalo. Sorprende a tus amigos o parientes que aman colorear con este fantástico regalo! La multitud de dibujos en el libro y nuestra atención a los detalles lo convierten en el regalo perfecto. CREATIVE MANDALA: Creative Mandala es una marca de libros para colorear especializada en mandalas. Nuestros libros más populares, varias veces premiados como 'bestsellers', son los que tratan sobre animales y mandalas. En nuestra colección puedes encontrar tu libro perfecto para relajarte y divertirme coloreando! Más de 50 libros para colorear. Creative Mandala cuenta con una colección de más de 50 libros. Como nuestro fan puede elegir entre una gran colección de libros con animales, mandalas, flores, fantasía y mucho más. Comunidad en línea. Al comprar nuestros libros también tendrás acceso a nuestro grupo de Facebook donde podrás compartir tus obras de arte, ver los coloridos dibujos de nuestros fans, conocer a otros entusiastas de los libros para colorear y compararte con ellos! ¡¿A qué estás esperando?! ¡Consigue tu copia de este libro ahora! ¿Conoces a alguien a quien le guste colorear? ¡Sorpréndele dándole una copia de este libro!

The Little Prince

After

"Book one of the After series--the Internet sensation with millions of readers. Tessa didn't plan on meeting Hardin during her freshman year of college. But now that she has, her life will never be the same"--

Like those writers to whom he has been compared - Fuentes, Garcia Marquez, James Joyce, and Rabelais - del Paso draws upon myth, science, and world literature to expand his particular story to universal proportions. Telling the story of a medical student who's engaged in an incestuous affair with his cousin, the novel satirizes advertising, politics, pornography, and mythology, while at the same time celebrating the body with a thoroughness that only a student of medicine could manage.

The #1 New York Times bestselling author of Beautiful Tempest and Make Me Love You brings her "mastery of historical romance" (Entertainment Weekly) to 1880s

Montana where passions and gold fever run high as an American heiress turns to a rugged mountain man to help her locate her father's fortune. After a social whirlwind in London, Violet Mitchell is summoned back to Philadelphia only to discover her family living on the edge of financial ruin while their father seeks new wealth in Montana's gold fields. With the family's home and social standing at risk, Violet makes a drastic decision. Meanwhile, Montana rancher Morgan Callahan rode away from his family's cattle farm to make his own fortune. Now as he finishes exploiting a mother lode of silver, a young woman claiming to be his late partner's daughter turns up wanting to be taken to her father's mine. Suspecting that the pretty schemer works for the mining outfit that is trying to steal his land, he has no qualms about snatching her and holding her at his camp where she can do no harm. But he underestimated the new thorn in his side. Determined to claim what rightfully belongs to her family, Violet summons up the courage and grit to cope with the hazards and discomforts of an untamed land and the disturbingly masculine stranger who holds her fate in his hands. But an error of judgment brings down a hailstorm of danger that upends her plans and deepens her bond to a man who may turn out to be all she desires. With her signature "strong characters, humor, interesting plots—and, of course—romance" (The Cincinnati Enquirer), Johanna Lindsey crafts another irresistible and adventurous love story.

A Song of Ice and Fire: Book One

Memorias de una Centauro

"Not for nothing is Claudia Piñeiro Argentina's most popular crime writer. Betty Boo is original, witty and hugely entertaining; it mixes murder with love, political power and journalism." Times-London "Those willing to take the time to enjoy the style and the unusual denouement will find themselves wondering why more crime authors don't take the kinds of risks Piñeiro does." Booklist The fourth novel from Claudia Piñeiro, South America's best-selling crime novelist. When a renowned Buenos Aires industrialist is found dead at his home in an exclusive gated community called La Maravillosa, the novelist Nurit Iscar (once nicknamed Betty Boo owing to a resemblance to the cartoon character Betty Boop) is contracted by a former lover, the editor of a national newspaper, to cover the story. Nurit teams up with the paper's veteran, but now demoted, crime reporter. Soon they realize that they are falling in love, which complicates matters deliciously. The murder is no random crime but one in a series that goes to the heart of the establishment. Five members of the Argentine industrial and political elite, who all went to the same boarding-school, have died in apparently innocent circumstances. The Maravillosa murder is just the last in the series and those in power in Argentina are not about to allow all this brought to light. Too much is at stake.

La investigación didáctica que presentamos tiene un carácter aplicado para la mejora de la escuela en los procesos de enseñanza y aprendizaje lingüístico-matemático en la educación secundaria obligatoria. Esta investigación fue seleccionada y subvencionada

por concurso público en dos convocatorias sucesivas a través de la Consejería de Educación de la Junta de Comunidades de Castilla-La Mancha. Además fue premiada por el Ministerio de Educación con una Mención Honorífica en la convocatoria de Premios Nacionales a la Investigación Educativa, 2003. El equipo investigador lo componían siete profesores de educación secundaria de Ciudad Real y Puertollano y tres profesores universitarios, el trabajo estuvo coordinado por la Dra. Da Alicia Escribano González, Catedrática de E.U. de Didáctica y Organización Escolar de la Universidad de Castilla-La Mancha.

A Millonario Con 100 Dolares

Juana parecía tenerlo todo. Finalmente había alcanzado ese importante cargo que tanto anhelado en la empresa donde trabajaba. Y también sabía que podía alcanzar más objetivos profesionales, y hasta fama. Sin embargo, la mudanza a una nueva ciudad, por causa de su trabajo, comenzó a evidenciar la necesidad de mudar mucho más que eso. Comenzó por intentar alejarse de todo... Pero, por más que toda su vida había soñado con eso, tampoco parecía suficiente. Tampoco lo eran las relaciones que iba entablando con diversos hombres por el camino. Su vida era una constante montaña rusa de emociones, impulsada principalmente por la influencia del exterior, de los otros, de la lucha entre el "deber ser" y el "ser". Y entonces, a través de un profundo viaje interior, se fue dando cuenta de que aquello que realmente necesitaba era simplemente vivir.

The Bestselling Author of The Blessing Stone and Daughter of the Sun She came to them from the sea, and to the sea they returned her. . . . A story of sacrifice and survival in the New World. Tonina lives an idyllic life on a small island in the Caribbean hundreds of years before Europeans discovered it. But she has always been an outsider among her people. Unlike them, Tonina is tall and lean and light skinned, and her origins remain a mystery. Her adoptive parents had found her floating in a

basket in the sea—a sacrifice? A shipwreck? No one knows. When Tonina turns nineteen, her parents know she must return to the sea so that the gods don't become angry with the village for keeping something that is not theirs. Under the guise of finding a medicinal plant, they send Tonina to the mainland, a terrifying place she can't even imagine. They know, however, that they will never see her again. And here is where her adventure begins. It is a tale of survival and sacrifice, of luck, magic, intrigue, and danger, romance and betrayal, an epic filled with ancient lore, tales of bearded white men who sailed to this shore in giant ships, and discoveries of medicinal miracles in faraway places. But most of all, it's the story of one woman's quest to discover where—and to whom—she really belongs. This sweeping story of the undiscovered world before the time of Columbus is Barbara Wood at her very best.

The Long-Awaited, Enormously Entertaining Memoir by One of the Great Artists of Our Time—Now a New York Times, USA Today, Los Angeles Times, and Publisher's Weekly Bestseller. In this candid and often hilarious memoir, the celebrated director, comedian, writer, and actor offers a comprehensive, personal look at his tumultuous life. Beginning with his Brooklyn childhood and his stint as a writer for the Sid Caesar variety show in the early days of television, working alongside comedy greats, Allen tells of his difficult early days doing standup before he achieved recognition and success. With his unique storytelling pizzazz, he recounts his departure into moviemaking, with such slapstick comedies as *Take the Money and Run*, and revisits his entire, sixty-year-long, and enormously productive career as a writer and director, from his classics *Annie Hall*, *Manhattan*, and *Annie and Her Sisters* to his most recent films, including *Midnight in Paris*. Along the way, he discusses his marriages, his romances and famous friendships, his jazz playing, and his books and plays. We learn about his demons, his mistakes, his successes, and those he loved, worked with, and learned from in equal measure. This is a hugely entertaining, deeply honest, rich and brilliant self-portrait of a celebrated artist who is ranked among the greatest filmmakers of our time.

Un libro para aprender a dibujar con cuadrícula de Nicola Ridgeway y James Manning < ¿Ha estado buscando una forma divertida y entretenida de ayudar a su hijo a desarrollar y perfeccionar sus habilidades de dibujo? < ¿Necesita una forma sencilla pero emocionante de ayudar a su hijo a aprender lo básico? < Deje que su hijo descubra un mundo de posibilidades e imaginación. Las autoras, profesoras de la Universidad del País Vasco, tratan de dar respuesta a algunas de las necesidades con las que se enfrenta el profesorado universitario ante el reto de la Convergencia Europea. Ésta es una obra dirigida principalmente al profesorado universitario, aunque también puede resultar de interés para los docentes no universitarios y para los estudiantes que vayan a dedicarse a la enseñanza, ya que en ella se ofrece una serie de recursos de Internet y aplicaciones multimedia para elaborar una web docente de calidad, partiendo de un modelo enseñanza-aprendizaje más flexible, en el cual se hace especial hincapié en la construcción activa del conocimiento por parte del alumnado. La inclusión de materiales de calidad, sistemas de autoevaluación y una mayor interactividad profesor-alumno a través de la web docente son fundamentales para este tipo de enseñanza. Por otra parte, el dominio de estos recursos informáticos será parte de la formación continua de los docentes, a través de la consulta de portales educativos, webs docentes o comunicación con otros profesionales. El objetivo es proporcionar estrategias al profesorado, para que éste las vaya adaptando a sus propias necesidades. Así, se abordan temas tales como: servicios de comunicaciones en Internet, diseño y elaboración de páginas web mediante el programa FrontPage XP, descarga de páginas web mediante TeleportPro y FrontPage, diseño y utilización de pruebas de auto-evaluación a través de la aplicación educativa Hot Potatoes, y selección de direcciones URL sobre recursos y centros de apoyo a la investigación. Además, se ofrece un capítulo donde se presentan diferentes modelos de webs docentes, en los que se pueden integrar todos los recursos tratados a lo largo del libro.

Primer informe monográfico perteneciente al proyecto "La Sociedad de la Información en España" que aborda el tema de las publicaciones electrónicas. El ámbito de las publicaciones electrónicas y todo el ecosistema que las rodea constituye el último eslabón en el proceso de digitalización de la experiencia

de consumo de contenidos. El vídeo, la música y la fotografía ya han recorrido este camino y son ahora los libros, las revistas y los diarios los que están adentrando en este proceso de transformación.

Esta obra le ofrecerá todos los conocimientos para el uso de HTML hasta la versión 4.0. Y no sólo eso; también encontrará temas periféricos como la programación de Scripts, gráficos, XML, incluyendo las aplicaciones correspondientes como VML y WAP/WML, HTML dinámico y diseño en la web. Las áreas temáticas del libro se han dividido en seis partes independientes con las que podrá familiarizarse con la materia. La parte de referencia contiene informaciones de rápido acceso sobre los diferentes comandos HTML y otras funciones. El CD contiene todos los ejemplos del libro, los navegadores en las versiones actuales de Microsoft y Netscape, así como informaciones adicionales de gran utilidad, especificaciones y herramientas.

Mark Z. Danielewski's House of Leaves

NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King ' s Landing. There Eddard Stark of Winterfell rules in Robert ' s name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen ' s brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only

coin left to him: his beautiful yet innocent sister, Daenerys.

Hoy en día vivimos en un mundo repleto de información, es decir, de datos, y no cabe duda que para interpretarlos correctamente es fundamental el conocimiento de la Estadística, que podría definirse como el arte de obtener conclusiones a partir de datos. Dirigida a estudiantes universitarios de cualquier área, esta Introducción a la Estadística sólo exige conocimientos de álgebra a nivel de enseñanza media. Su objetivo no es simplemente el de presentar conceptos y técnicas estadísticas, sino que pretende que los futuros profesionales sepan cuándo y cómo deben aplicar los conocimientos estadísticos y, además, entiendan la razón por la cual se utiliza uno en concreto en determinados casos. Para ello, los autores han realizado un gran esfuerzo a la hora de explicar las ideas que sustentan los conceptos y las técnicas estadísticas presentadas. Las aplicaciones de la Estadística y las distintas perspectivas de su uso se explican aquí de forma clara y concisa, y se ilustran con numerosos ejemplos y problemas de trabajo sobre una amplia variedad de temas, en su mayor parte tomados de la vida real. Para desarrollar las habilidades del lector, se proponen cientos de ejercicios y problemas de repaso que incitan a pensar.

La comprensión lectora en la enseñanza del español LE/L2: de la teoría a la práctica presents state-of-the-art theory and teaching practices for integrating reading skills into the teaching of Spanish. The book bridges a conspicuous gap between research supporting reading as a key component of language acquisition and actual practice by discussing how to implement reading successfully in and out of the classroom. Written entirely in Spanish, the book focuses on the needs of Spanish language learners with the goal of motivating students to read in the target language and work with diverse types of texts and genres. Written in a clear and accessible manner, La comprensión lectora en la enseñanza del español LE/L2: de la teoría a la práctica is an essential resource for teachers of Spanish at all levels. It is an excellent reference book for language teachers who wish to integrate reading into the teaching of the Spanish language.
