Introducing a compelling new activity for crafters and artists, doodlers and coloring book enthusiasts of all ages. Paint by Sticker includes everything you need to create twelve vibrant, full-color "paintings." The images—including sunflowers, a fox, a hummingbird in mid-flight, two boats on the water—are rendered in "low-poly," a computer graphics style that creates a 3-D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular colored sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing as you watch a "painting" emerge from a flat black-and-white illustration to a dazzling image with color, body, spirit. The pages are perforated for easy removal, making it simple to frame the completed images. Join Mario and his friends as they battle the baddies and journey to different Super Mario Bros. worlds in this rainbow pencil doodle book. Super Mario fans ages 3 to 7 will let their imaginations soar with their own creative doodles with Mario, Peach, Bowser, and more in this activity book featuring 128 awesome pages to color and a chunky rainbow pencil that writes in four different colors: red, blue, green, and yellow! Yippee! Mario first appeared in 1981 with the arcade

classic Donkey Kong, and has since gone on to star in many adventures, which has allowed him to evolve into the beloved icon he is today. He is a video-game sensation, appearing across all genres--from action platformers to sports, kart racing, and beyond.

Move over, coloring books! Here's an entirely new craft that kids will love: Paint by Sticker Kids. Paint by Sticker Kids is the same compelling craft first introduced in Paint by Sticker, but just for kids! The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on perforated card stock, and 10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in “low-poly,” a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space.

Add the next, and the next, and the next and voila! It's a rocket ship blasting through space. A Tyrannosaurus rex prowling his domain. A pickup truck hauling its load. A friendly toucan hanging on his perch. Kids will love watching these pictures come to life. Plus, each is suitable for framing or the fridge.

Paint by Sticker Kids is unstoppable! The series ships over a million copies a year, and the reasons are obvious: stickers, stickers, and more stickers, plus an activity that delivers hours of screen-free, mess-free fun. These days, rainbows are about as hot as stickers—Rainbows Everywhere! combines both for pages of brightly colored joy. Each image—a sweet cat, kites flying in the air, a unicorn, and, of course, a rainbow—is swathed in vibrant hues. The colorful images use low-poly art, a computer style that creates 3-D images out of polygon shapes. To “paint” a picture, just peel off the stickers and place them on the corresponding numbered spaces. The stickers are reusable, so kids can repeat the fun. The stickers are designed to be easy for little hands to handle. And no paint means no splatter, drips, or messy clean-up. Just stickers and fun. For most of us, one of the most rewarding, yet difficult tasks, is preparing messages to preach and teach. We are honored by God to stand before our congregation each week,

File Type PDF Paint By Sticker Kids Create 10 Pictures One Sticker At A Time

and we want to give them the very best, but with the press of the many demands of ministry, sometimes that is difficult to do. And if you're like me, you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written. In other words, no one knows your people like you do! Our new Pulpit Outline Series gives you a starting point - a sermon title, a deductive sermon outline; and a relevant illustration you can use however you like. In this edition, rather than an outline, we have given you full manuscript messages that can be edited to suit your purposes. We invite you to make these messages your own, because only you know the people God has called you to preach to. And we are so honored that you've invested in this unique third volume in the Pulpit Outline series - 52 Funeral Sermons. We have put together the most tasteful, relevant, and Biblical messages possible. May God Bless You as You Share His Word!

The Kids' Book of Sticker Love is packed with tons of creative ideas and crafty projects for kids to make with their hands, paper goodies to create and decorate, and stickers of all stripes: vinyl stickers, glow-in-the-dark stickers, glitter and metallic stickers, photo corners, alphabet stickers, and more. Put it all together and you've got hours and hours of screen-free fun. Organized in four sections, there's stuff to Craft—like a set of origami finger puppets with animal eyes, ears, whisker and nose stickers, or a geometric necklace to make out of colorful dot stickers and paper cutouts. There's a Write section—use colorful alphabet stickers to compose a note; record your favorite things in seasonal DIY notebooks. Next is a Play section—have fun with projects like sticker-based tangrams. And a Share section—decorate your bedroom ceiling with classic glow-in-the-dark star and constellation stickers, or cut and fold tiny patterned paper gift bags and seal them with a matching sticker. No matter the activity, the emphasis is on the doing—and finding the pleasure and value that comes with the creative process.
