Thomas is moving to a new house, and he hates the idea with a passion. Even though his stepmother, Louisa, is quite cool, having a new half-brother or -sister is something Thomas is definitely not looking forward to. To make matters worse, the house they are going to live in is an ancient Victorian place.

A farmhouse is being reproduced a dozen times, with slight variations, throughout a valley. Three small graves have been dug in the front garden, the middle one lying empty. A woman in a wheelchair sorts through boxes while her husband clambers around the old demolished buildings, wondering where the animals have gone. A young woman - called 'the barren one' behind her back - dreams of love, while an ageing headmaster contemplates the end of his life. At the entrance to the long dirt driveway, a car appears and pauses - pointed towards the

New for this edition
New chapter on inter- and cross-disciplinary research essential reading for international students and students with a non-law first degree undertaking research in the areas of law, criminology, psychology and sociology
Research ethics has been expanded to a full chapter that includes current plagiarism and imperfect disclosure
Brings existing chapters up to date with the newest thinking in legal research
Drawing on actual research projects, Research Methods for Law discusses how legal research as process impacts on research as product. The author team has a broad range of teaching and research experience in law, criminal justice and socio-legal studies, and give examples from real-life research products to illustrate the theory.

This is the first full-length study of Jeanette Winterson's complete oeuvre, offering detailed analysis of her nine novels as well

Read Online Paljas Chapter Summary

as addressing her non-fiction and minor fictional work. Susana Onega combines the study of formal issues such as narrative structure, perspective and point of view with thematic analyses approached from a variety of theoretical perspectives, from narratology and feminist theory to Hermetic and Kabalistic symbolism, to provide a comprehensive 'vertical' analysis of Winterson's novels. Onega reveals the books as complex linguistic artefacts, crammed with intertextual echoes. She demonstrates the inseparability of form and meaning within Winterson's work, and positions her within the wider context of contemporary British fiction alongside fellow visionaries such as Peter Ackroyd, Maureen Duffy and Marina Warner.
